	Student's assessment of Faculty, System in place	<p>The student's feedback for every department / year / section is taken in a very confidential manner from a team consisting of senior faculty group from different departments. The feedback is taken for theory subjects and practical / laboratory subjects. The group of the students picked up for the feedback normally consists of the toppers in the class, students with medieval marks and students securing low marks. The faculty team taking the feedback, questions the student group in a very in depth manner with full confidence given to the students to express and give the feedback in a very confidential and cordial atmosphere. The names of the students giving feedback are not at all known to the faculty team conducting the feedback process. The feedback is normally taken against the respective faculty by assessing him / her in the areas of 1) Punctuality and Discipline 2) Communication and language skills 3) Subject content 4)</p>
