

National Conference: ARTCHE

A two day National Conference organized on “Advanced Research and Technology in Chemical Engineering and its Allied fields” by the Chemical Engineering Department during 22-23rd March 2019. Dr. A. G. Rao, Chief Scientist, CSIR-Indian Institute of Chemical Technology and Sridhar Surat, General Manager of AurobindoPharma are the chief guest and keynote speaker of this event. Around 70 research papers received in this event.

<p>Registration Form</p> <p>National Conference on Advanced Research and Technology in Chemical Engineering and its Allied Fields (22nd - 23rd March 2019)</p> <p>Name: _____</p> <p>Designation: _____</p> <p>Institute: _____</p> <p>Mobile: _____</p> <p>Email-Id: _____</p> <p>Education Qualification: _____</p> <p>Experience (in years): _____</p> <p>Teaching _____ Research _____ Industry _____</p> <p>Declaration: The information provided is true to the best of my knowledge. I hereby forward and recommend the above applicants for attending the National Conference.</p> <p>Signature of the Applicant _____ Signature of Head of the Institution _____</p>	<p>Chief Patrons Dr. V. Malakonda Reddy President, CBES</p> <p>Smt. D. SandhyaShree Chairperson, D&P, CBIT</p> <p>Patrons Prof. P. Ravinder Reddy Principal</p> <p>Head of the Department Chairman: Dr. B. Sreedhara Rao</p> <p>Organizing Committee Convener: Mrs. P. Madhuri Co-Convener: Dr. P. Swagna Reddy Coordinators: Mr. K. Prasad Babu Dr. B. Ganesh</p> <p>Important Dates Last date for Abstract Submission: 15th March 2019 Notification of acceptance: March 18th 2019</p> <p>Address for Correspondence Mrs. P. Madhuri: 9705976552 Dr. P. Swagna Reddy: 9018779996 Mr. K. Prasad Babu: 6304598984 Dr. B. Ganesh: 9182506330</p> <p>Email: ARTCHE19@gmail.com</p> <p>For more information visit: www.ARTCHE19.com www.cbit.ac.in</p>	<p>CHAITANYA BHARATHI INSTITUTE OF TECHNOLOGY (A)</p> <p></p> <p>Accredited by NAAC, five times by NBA (AICTE) ISO 9001:2015 certified. UGC Autonomous Institute Affiliated to OU Gandipet, Hyderabad, Telangana - 500075.</p> <p>NATIONAL CONFERENCE ON ADVANCED RESEARCH AND TECHNOLOGY IN CHEMICAL ENGINEERING AND ITS ALLIED FIELDS</p> <p>Theme: Exploring the latest trends in Process Engineering (22nd & 23rd MARCH 2019)</p> <p></p> <p>Organized by Department of Chemical Engineering</p>
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Workshops Organized

Academic year	Name of the Activity conducted by the HEI to offer guidance for competitive examinations/ career counselling offered by the institution	Number of students attended / participated
2021-2022	Two week online workshop for Skill set Development on “Basics of MATLAB for Chemical Engineers”.	25
2018-2019	Workshop on “Recent Advances in Chemical Process Simulation Using Aspen Plus”.	35

Two day National workshop on “Recent Advances in Chemical Process Simulation Aspen Plus” was organized during 26th -27th Sept 2019. Dr. V. Malakonda Reddy, P. CBSE and Smt. D. Sandhya Shree, Chairperson, D&P, CBIT were Chief Patrons where P Ravinder Reddy, Principal, CBIT is patrons of this event. Dr. Sarat Babu Anne, P and Dr. V. Ramsagar, Assistant Professor from NIT- Warangal were Expert Resource of this event.

Expert Resource Persons

Prof. Sarat Babu Anne
Professor -
Chemical
Engineering
Department,
NIT Warangal

Areas of Interest: Modeling, simulation and Optimization; Steady state and Dynamic Simulation using Aspen; Reaction Engineering; Thermodynamics

Dr. V. Ramsagar
Assistant
Professor -
Chemical
Engineering
Department,
NIT Warangal

Areas of Interest: Chemical Process Scheduling; Heat Exchanger Networks; Process Modeling & Simulation

Chief Patrons

Dr. V. Malakonda Reddy
President, CBES

Smt. D. Sandhya Shree
Chairperson, D&P, CBIT

Patrons

Prof. P. Ravinder Reddy
Principal

Head of the Department

Chairman:
Dr. B. Sreedhara Rao

Organizing Committee

Convener: Dr. P. Swapna Reddy
Co-Convener: Dr. M Anitha
Coordinators: Mrs P Madhuri
Dr Pragya Mishra

Contact Details
Dr. P. Swapna Reddy: 9618779996
Dr M Anitha: 9177325405

Participation & Registration
Research Scholars and U.G
Students: **Rs. 500/-**
Faculty members: **Rs. 700/-**

CHAITANYA BHARATI
INSTITUTE OF TECHNOLOGY

Gandipet, Hyderabad, Telangana
500075.

NATIONAL WORKSHOP
ON
**Recent Advances in
Chemical Process
Simulation using
Aspen plus**

(26th & 27th September 2019)

CHAITANYA BHARATHI INSTITUTE OF TECHNOLOGY (A)

National Conference/ Workshops/Seminar

- The department is celebrating Silver Jubilee year (1995 - 2020) from January 2021 to December 2021. As part of the celebrations, the department has organized TWO-DAY international webinar on “Research collaborations between CBIT and Rowan University Faculty Members” during 21st- 22nd Jan 2021. Dr. V. Malakonda Reddy, President CBSE is Chief Patrons whereas Prof. G. P. Saradhi Varma Principal, CBIT is patrons of this event. Dr. Ravindra Pogaku, CBIT and Dr. Stephanie Farrell, Rowan College of Engineering are the Chairperson of this event.

Interaction between CBIT and Rowan University Faculty Members

- A two day National Conference Organized on “Advanced Research and Technology in Chemical Engineering and its Allied fields” during 22nd-23rd Mar 2019. Dr. A. G. Rao, Chief Scientist, CSIR-Indian Institute of Chemical Technology and Sridhar Surat, General Manager of Aurobindo Pharma are the chief guest and keynote speaker of this event.

Memento presented to chief guest Dr. A. G. Rao during inaugural function

President, CBES addressing the gathering during the inaugural function

- Two day National workshop on “Recent Advances in Chemical Process Simulation Using Aspen Plus” was organized during 26th -27th Sept 2019. Dr. V. Malakonda Reddy, President CBSE and Smt. D. Sandhya Shree, Chairperson, D&P, CBIT were Chief Patrons whereas Prof P Ravinder Reddy, Principal, CBIT is patrons of this event. Dr. Sarat Babu Anne, Professor and Dr. V. Ramsagar, Assistant Professor from NIT- Warangal were Expert Resource Persons of this event.

President, CBES with other Dignitaries during Inaugural Function
