## GUEST LECTURES

- ➢ Guest Lecture was delivered on Atomistic Modeling using Molecular Dynamics Simulations and its Applications by Dr. Anoop Kishore alumnus 2009, Assistant Prof, Chemical Engg Dept, Manipal Academy of Higher Education (MAHE), Manipal, Karnataka on 04th Feb 2022.

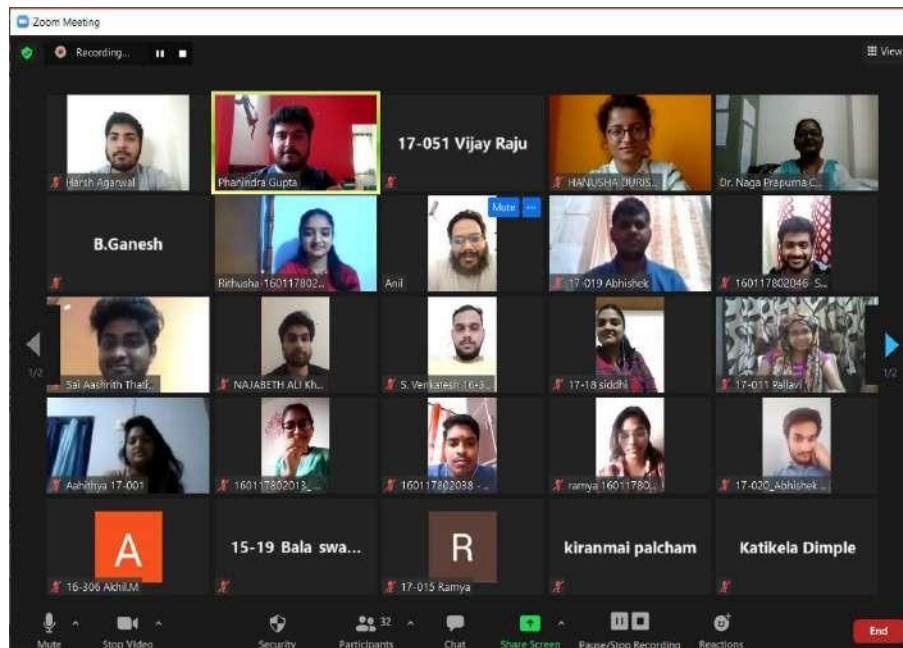

- ➢ Guest Lecture was delivered on "Chemical Engineering in 21st Century" by Dr. K. Krishnaih Professor, IIT Tirupati on 16th Apr 2021.

- ➢ Guest lecture was delivered on "Details of M/S. VVN GLOBAL EHS CONSULTANTS" by Mr. Ramaiah Thadikamalla –Director Projects on 20th Feb 2021.

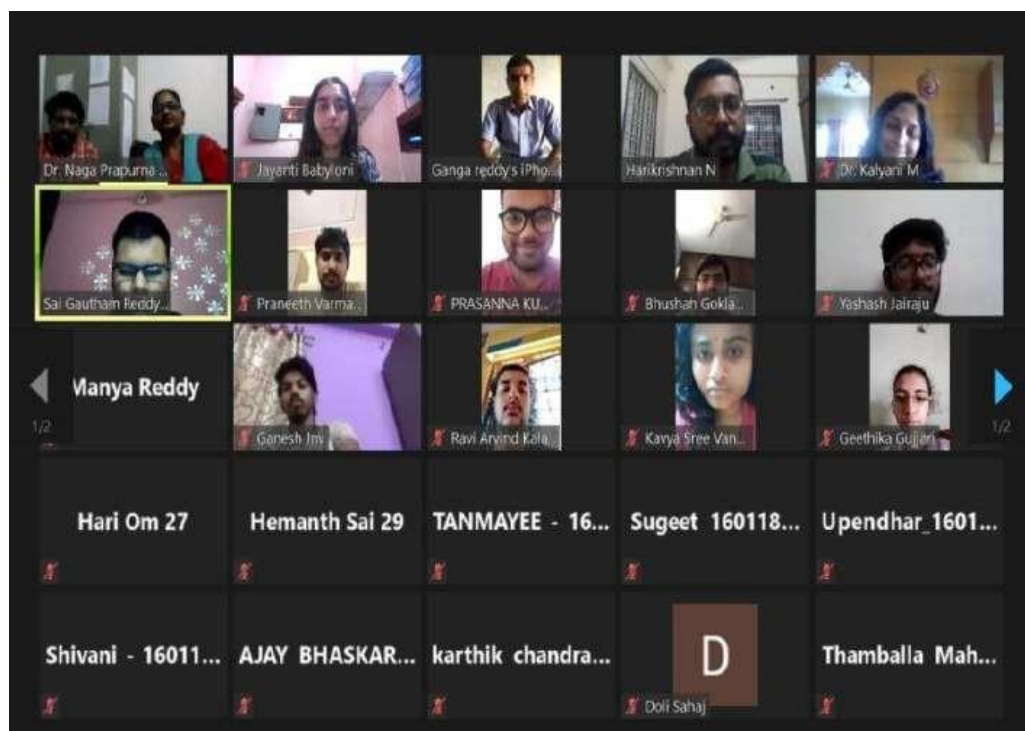

- ➢ Guest Lecture was delivered on "Challenges and Opportunities in Carbon Capture" by Dr. Sasidhar Gumma, Prof. and Head, Chemical Engineering, IIT-Tirupati, on 25th Feb 2021.
- Guest Lecture was delivered on "E-Waste management" by Mr. Anil Potluri (Dept. Alumnus-2010 batch), Managing Director, Green Waves Environmental Solutions, on 25th Nov 2020.

- Guest lecture was delivered on "Role of Chemical Engineers in Pharmaceutical Industries" by Mr. Sandeep Badarla, (Dept. Alumnus – 2014 batch), Scientist - Process Engineer, API - Process Engineering, Dr. Reddy's labs, Hyderabad, on 20th Nov 2020.

- Guest lecture was delivered on "Role of Chemical Engineers in Pharmaceutical Industries" by Mr. Sandeep Badarla, (Dept. Alumnus – 2014 batch), Scientist - Process Engineer, API - Process Engineering, Dr. Reddy's labs, Hyderabad, on 20th Nov 2020.

- Guest Lecture was delivered on "Real Time Optimization & Control in process Industries" by Dr. I. Sreedhar, Associate Prof, BITS, Hyderabad on the 6th Sep 2019.

- Guest Lecture was delivered on "Material & Energy Balance Computations" by Dr. V. Sankara Rao, Sr. Manager, Schneider Electric, Hyderabad on the 6th Sep 2019.

Guest speaker with Event coordinator

- Guest lecture was delivered on "Ultra-Sonication for Bio-Fuels, Waste Valorisation and Carbon Capture" by Dr. Srinivas Mettu from RMIT University, Melbourne on 23rd Dec 2019.
