MESSAGE FROM PRESIDENT

As the Founder Secretary and Principal of the Institution and in the later Years having held Offices of the Chairman and now President, I have the privilege of nurturing the Institution, along with my Colleagues and Members of the Society, over the 4 Decades of its successful and eventful Journey which has positioned the Institute as one of the Premier Engineering Colleges not only in the Telugu Speaking States but also amongst the valued Higher Education Institutions across the Country.

I will always acknowledge with gratitude the support and encouragement that the Institute has been receiving from all the Stake Holders; Government, Students, Parents, Faculty, Supporting Staff and Industry, favorably endorsing our efforts and supporting us in achieving the Institute's Vision and Mission.

Year on Year, since 1979, we have been evaluating our Educational Objectives, Infrastructure, Finance, Governance, Admissions and Faculty Recruitment in accordance with the Guidelines of the Regulatory Bodies and the Affiliating University with integrity and commitment in every function of the Institute. The Milestones and Rankings that we have achieved over Four Decades is because of the Good Institutional Practices that we adopted and the persistent efforts.

My Hearty Congratulations to all the Achievers in their Qualifying Exams and also for choosing CBIT as the Dream Destination to Design your Professional Careers in the Best of the Environments that has History of Students Performance, Faculty Contributions, Facilities and Technical Support, Academic Support and Teaching Learning Process, Research, Innovation, Startup Infrastructure, Governance, Institutional Support and Financial Resources that nurtured and perfected the Engineering Knowledge of the strong 16000 Alumni, which will also ensure your Success in your Professional and Entrepreneurial pursuits in the Years to come,

I Warmly Welcome You All to be the CBITians and etch your Name in the Dossier of Achievers,

Dr. V. Malakonda Reddy
President

MESSAGE FROM PRINCIPAL

CBIT has the Pride of Place amongst the Private Engineering Colleges in India and competes with the University Colleges in all facets of Education and Students achievements. I am honored and delighted to be the Principal, while the Institute is Celebrating its 40 Years of successful journey and feel privileged to Welcome the Students as the Stake Holders who will uphold the Banner of CBIT high and continue to sustain the Excellence and the Premier Status of the Institute.

The Four Years of nurturing of Engineering Knowledge at the Institute by the expert Faculty, I assure, you will evolve as a well-rounded Engineer equipped with Skills to face the Industry 4.0 Challenges and the dynamic disruption that is being experienced in every Industry. To address these needs, we have enabled a newer structure that facilitates Creative Thinking through greater freedom to Learn, Experiment and Innovate while keeping the fundamentals of National Education Policy through Curriculum Architecture, Pedagogical excellence and Credits for Innovative and Creative thinking as a part of evaluation. We feel it is time for us to “Reinvent” and encourage Students to align them to Creative Thinking.

We have established Start-Ups and Incubation Ecosystem to support Ideation and implementation under the guidance of Faculty who are experienced and known Thought Leaders in their Fields of Engineering and Management.

Sports Encouragement, Clubs Membership, Personality Development initiatives and many other Co and Extra Curricular Engagements are the Hall Mark of CBIT and these have been the Forums for experiential Learning for Students.

Internships, Collaborative Research and Consultancy with Industry, Institutions and Universities provide an opportunity to Students to work with the Faculty and Publish in National and International Journals which will add to their Profile.

While you will be introduced to the Academic State-of-the-Art Infrastructure at the Campus in detail, I Welcome You all and Wish a Memorable Studentship and hope you will bring laurels to the Institute through your achievements,

Prof. P. Ravinder Reddy
Principal

THE INSTITUTE

GENESIS AND GROWTH

CHAITANYA BHARATHI INSTITUTE OF TECHNOLOGY, established in the Year 1979, esteemed as the Premier Engineering Institute in the States of Telangana and Andhra Pradesh, was promoted by a Group of Visionaries from varied Professions of Engineering, Medical, Legal and Management, with an Objective to facilitate the Best Engineering and Management Education to the Students and contribute towards meeting the need of Skilled and Technically conversant Engineers and Management Professionals, for the Country that embarked on an Economic Growth Plan.

The Institute, committed to Education and Innovation, started with three-Degree Courses in Engineering for 200 Students and over the 40 Years, has emerged as a Dream Destination for; Students seeking to excel in Engineering and Management Education, Teaching Community to progress with a rewarding Career and Corporates to source well-rounded Engineers.

Stringent Academic Standards, Industry compliant Teaching Methodology, Research Projects from Private and Public Sector Industries in Engineering and Management and Consultancy Practice, enabled the Institute to establish its Identity in the Technical Education and is Ranked No. 1 amongst the Private Engineering Colleges in both the Telugu Speaking States.

The Practices and the Culture at the Institute has always been to provide Quality Education by enhancing the overall Educational experience of Students adopting a wide range of Academic, Practical, Co-Curricular, Extra-Curricular Programs in the State-of-the-Art Facilities, Services and Activities to enable the required exposure to a variety of Social, Cultural, Intellectual, Recreational Opportunities and Challenges. Such learning experiences have enriched the lives of Students and helped them to develop into a Multi-Skilled and Multi -Tasking Personalities that ensured success in their Careers and Occupations. Co-curricular and Extra-Curricular activities are planned and executed through a number of Associations, Clubs, Societies, Students' Chapters of Professional Bodies, with a view to allow the Students, the necessary freedom to plan and execute every effort and in the process nurture them to be the future Leaders who learn to address Challenges and carve a path of Success.

In its Four Decades of existence, all the Stake Holders of the Institute, relentlessly endeavored to position CBIT as an Institution that is a Leader and an Innovator in the Ecosystem of Engineering Higher Education. With the Students being the singular Objective, the Institute has established excellent Infrastructure such as State-of – the Art Laboratories, spacious Library with Printed and Digital Collection of Books and Journals, Sports, Hostel, and other Infrastructure for Extra and Co-Curricular Engagements with a total Built-up Area of about 57,714 Sq. Mts., in the serene Ambience of 50 Acres to inspire, encourage and pursue Academics. In its relentless strive for Academic excellence, CBIT has scaled great heights both Nationally and Internationally in Industry and Global Universities.

ACCREDITATIONS & AFFILIATIONS

- Accredited by National Assessment and Accreditation Council (NAAC) with A Grade (2nd Cycle).
- All UG Engineering and 5 PG Programs have been Accredited by National Board of Accreditation.
- CBIT is permanently Affiliated to Osmania University, Hyderabad.
- Autonomous Institution (UGC Approved) since 2013.
- The College has been effectively practicing Outcome-Based Education.
- Recipient of World Bank Assistance Under TEQIP II - Rated as one of the Well performed Institution.

RECENT ACHIEVEMENTS

C B I T RANKINGS:

- 100 in the Country as per NIRF, released by Hon'ble Minister for HRD in 2019.
- 35 out of the Top 100 Engineering Colleges in the Country and First in the State - Survey conducted by the "OUT LOOK" Magazine, June 2018 Edition.
- 1st among the Top Private Engineering Institutes in Telangana and Ranked 7th in Top 20 Engineering Colleges in South Zone and 31st among the Top 150 Engineering Institutions in India - Survey conducted by I 3 RC Times Engineering Top Private Engineering Institutions Rankings, 28th May 2018.
- 50th out of Top 100 Engineering Colleges in the Country including IITs & NITs and 1st in Telangana State and 16th among the Top Private Engineering Colleges in India and 11th among the Top Private Engineering Colleges in South Zone - Survey conducted by "THE WEEK" Magazine, June 2019 Edition.

COURSES OFFERED BY THE INSTITUTE

The Academic Courses on offer are; 9 UG Engineering Disciplines and 10 PG Programs. The UG Programs are Accredited 5 times by NBA, AICTE and the PG Programs are Accredited by NBA while the Institute is Accredited A-Grade by NAAC, UGC in 2017. The Institute is privileged with the approval for the Maximum Number Annual Intake of Students, which is 1376 Students in UG and PG Programs excluding Lateral Entry.

UNDER GRADUATE COURSES (TOTAL INTAKE 1080 + 102 LATERAL ENTRY)

- BE Civil Engineering with an intake of 120 + 12 (Lateral Entry -ECET)
- BE Computer Science & Engineering with an intake of 180 + 18 (Lateral Entry -ECET)
- BE Electronics & Communication Engineering with an intake of 180 + 18 (Lateral Entry -ECET)
- BE Electrical & Electronics Engineering with an intake of 120 + 12 (Lateral Entry -ECET)
- BE Information Technology with an intake of 180 + 18 (Lateral Entry -ECET)
- BE Mechanical Engineering with an intake of 120 + 12 (Lateral Entry -ECET)
- BE Production Engineering with an intake of 60 + 6 (Lateral Entry -ECET)
- B. Tech Bio-Technology with an intake of 60
- B. Tech Chemical Engineering with an intake of 60 + 6 (Lateral Entry -ECET)

POST GRADUATE COURSES (TOTAL INTAKE 356)

- ME Communication Engineering with an intake of 18
- ME Embedded Systems and VLSI Design with an intake of 18
- ME CAD / CAM with an intake of 25
- ME Thermal Engineering with an intake of 18
- ME Structural Engineering with an intake of 25
- ME Power Systems & Power Electronics with an intake of 18
- M. Tech Computer Science & Engineering with an intake of 36
- M. Tech Computer Networks & Information Security with an intake of 18
- Master of Computer Applications with an intake of 60
- Master of Business Administration with an intake of 120

STUDENTS ACHIEVEMENTS IN NATIONAL / INTERNATIONAL EVENTS

The Alumni of CBIT are; occupying Prestigious Management Positions across the Globe in the World-Renowned Organizations, excelling as Entrepreneurs establishing Multi-National Corporates with Foot Print in many Countries, As Advisors to the Government in the position of Senior Administrative Officers in the Central and State Governments, and few as Politicians and Sportsmen.

The Students of 2018-2019, are continuing the legacy of Success at CBIT by their achievements in the Academics, Sports and other Extra Curricular Activities and few amongst the many are being detailed as under:

- Ms. J. Shruthi and Ms. Sindhu Students of B.E 3/4 Civil Engineering, have been awarded “Young Scientist” for presenting Technical Paper at Telangana Environment Congress in March, 2018.

- Five Teams of Students from the Department of CSE won Cash Prizes worth INR 3,75,000/-, in the National Competition of Smart India Hackathon contest organized by MHRD for the year 2019 while another Three Teams Won the 3rd Prize in the year 2018 and 8thPrize in the year2017.
- 20 Students of CSE Won Prizes in Dell Compassador Event, Code for Good Challenge Event, and bagged all India ranks in Irate Challenge on Hackerrank.cometc.
- About 60 Students have presented Technical Papers in the National & International Level Conferences / Journals of reputed Institutes like IITs, IIIT, NITs, BITS, Universities and Colleges etc., and won Prizes.
- Ms. Kasibhatta Samhitha, the Child Prodigy of the Institute, earned the title of being Telangana's Youngest Engineer having graduated from CBIT at the age of 16. She is the youngest of the Candidates who cracked the CAT and secured 95.05 Percentile in her first attempt for which she was awarded a Gold Medal by CBIT.
- Ms. Prashamsa of 3/4 IT Organized a Painting Exhibition at Sunday Soul Sante – Hitex Grounds which had attracted Visitors of all Profiles.
- Ms. Supriya Sanum, Alumna of CBIT was the FIRST LADY LOCO PILOT in Hyderabad METRO who steered the inaugural Metro Rail Train that drove Hon'ble Prime Minister Sri Narendra Modi, Hon'ble Governor Sri E.S.L. Narsimhan, Hon'ble Chief Minister, Sri K. Chandra Sekhar Rao and Sri K. T. Rama Rao, Minister for IT, and other Dignitaries.
- A Team of Mechanical Engineering Students were qualified for the final round in Zonal Competition organized by Boeing National Aeromodelling which had 90 participating Institutions.
- Another Group of Students from Mechanical Engineering Designed and Fabricated a Racing Car and participated in the Competition for GKDC (GOKART Design Challenge) held at Buddh International Circuit Greater Noida, U.P. Organized by Indian Society of New Era Engineers from 15th -19th February,2019.
- CBIT Students are pursuing their Higher Studies in Prestigious Institutions in and around India viz., IIT-Delhi, IIT-Hyderabad, IIMs and Universities like Arizona State University, Sunny Buffalo, New York, Stanford University, University of California, Carnegie Mellon University, Sacred Heart University and various other Universities.

COMPUTATIONAL FACILITIES:

CBIT has 1435 latest configuration Computers with Software Programs like Unix, Linux, Windows Server/Desktop Operating Systems on LAN and applicable Application Packages (Proprietary and Open Source). The Departments of CSE, IT and MCA have fully equipped 19 Computer Labs and the other 8 Departments have independent Computer Centers with latest Software. **205 Mbps Internet Facility** on the **1435 Systems and Wi-Fi on the Campus are enabled** from 9-40 Am to 6-30 Pm.

LIBRARY AND INFORMATION CENTRE

The Institute's Library, housed in an independent Building with an Area of 18,000 Sq. Ft., with a spacious Reading Hall which accommodates more than 350 Students at a time, functions, as the Primary Information Resource Centre, a Repository of all Printed and E-Resources for Teaching and Research Activities, 1,14,573 Volumes of Books, 5000 E-Journal Packages such as IEEE, ASME, ASCE, Access Engineering, ELSEVIER Science Direct, ASTM Digital Library, JGATE-JET, JGATE-JSMS, Springer, EBSCO for Engineering, MBA, MCA Courses as per the Guidelines of AICTE in addition to Hard Copy of National / International Journals, 30,000 E- Book and other open access Resources and a E-learning Resource Centre with 30 Multimedia Systems to access NPTEL, MIT Online Courses and E.Journals.

TRAINING AND PLACEMENT CENTRE

Training and Placement Centre was established in the Year 1987. **100** Plus MNCS' and other Industries are the Prime Recruiters who visit CBIT apart from the other Corporate Entities. The following are the achievements of the Centre in the preceding five Years:

Year	2014-15	2015-16	2016-17	2017-18	2018-19
No. of Students placed	1176	1355	1366	961	1202

- Three Students are placed with the Highest Package of INR 39 LPA by Microsoft.

- 50 Students are placed with INR 10 LPA Package in Oracle, Google, JPMC, Service now, Electronic Arts, Value Labs.
- 200 Students are placed with Rs.5-10 LPA Package. 400 Paid Internships offered by various Multinational Companies (Microsoft, Cognizant, Oracle, Samsung, Well Fargo, Service now, NCR, JPMC, Accolite, Qualcomm, Byju's and Karvy).
- Microsoft offered Internships to two Students @ INR 80,000 PM Stipend, this Year.

RESEARCH AND ENTREPRENEURSHIP CENTRE

The R&E Centre, with its State-of-the-Art Infrastructure, has been established to promote Research and Innovations amongst the Faculty and Students by identifying new Research Areas, developing Projects leading to Publications, Products, Innovations and Start-Ups. The primary focus will be on the Time and Cost bound Projects sponsored by Government, Public, Private, National and International Agencies and Autonomous Bodies. To achieve results on these sponsored Projects within the acceptable timelines, the Centre has been structured into Sectional Areas for streamlining its functioning in different Technology Domains. The Sectional Areas will together cover all the Disciplines/ Inter Disciplinary Topics in which the Institute has expertise.

A Research Council has been formed with Experts from these Sectional Areas with the following broad responsibilities: 1) To Advise Sponsored Research and Industrial Consultancy on emerging Research Areas of Strategic importance for the Institute 2) Organize the Selection and Technical Review Committees (consisting of Experts from within and outside the Institute) for Institute Grants. 3) To undertake Sponsored Research Activities in various Technology Areas 4) To provide Leadership in Technology Domains in various Sectional Areas. Research Council will lead the Institute towards developing large Scale Research proposals.

The Centre holds periodical Reviews on the progress of the Research being carried out on the Sponsored Projects and Ph. D Work. The Centre guides the young Researchers for the preparation of Proposals, writing the Papers, writing the Documentation for Patent filing and initiating Student Start-Ups. The Students are divided into Groups to work on the prototypes which lead to participate in Hackathons and to apply for the Start-Up Company.

INDUSTRY INSTITUTIONAL INTERACTION

The Institute has established Understanding with the Industry, both in the Private and Public Sector, for Synergy through Collaborative effort to undertake Research Projects. The Students are engaged during

Summer Vacation in Internships and Practical Training with the local Industries. CBIT has 50 MOUs with most reputed Industries, like DMRL, DRDL, TCS, INFOSYS, WIPRO, Cyber MOTION, INFOTECH, BHEL, ELICO, SRI VENKATESHWARA ELECTRICAL & MECHANICAL INDUSTRIES, HIMALAYA ELECTRONIC SERVICES, CSIR, SERC, DR. REDDY LABS AND FEW OTHERS.

- Cognizant Innovation Lab Established in 2012.
- Hexagon Pvt. Ltd Established a 3D Innovation Lab worth 7.0 Crores.
- Cognizant Foundation is offering 3 Scholarships to the Students of 2019-20.
- Anywhere Automation University established in 2018 in Robotic Process Automation Centre of Excellence.

ENTREPRENEURSHIP DEVELOPMENT CENTRE AND INNOVATION COUNCIL

The Council provides Career-Oriented Education to the Students so as to equip them with requisite, Qualification and Training. This will enable them either to take up a gainful Employment or start their Own Enterprise and become Entrepreneurs. The Programs, Mentoring and related activities will be guided by the following Members of the Council.

INSTITUTION INNOVATION COUNCIL:

1.	Prof. P. Ravinder Reddy	: President
2.	Prof. P. Prabhakar Reddy	: Convener

STUDENTS' COUNSELLING CENTRE

The Counselling Service at the CBIT, is integral to Student Support Services which has been providing Services like Individual Counselling and Developing Group activities for CBIT Students, Faculty and Staff. Who approach with their problems and guide them to overcome their deficiencies to enhance their overall functioning. Workshops on Subjects relevant to Personality and Skill Development to enhance the productivity and performance of the Students and Faculty are regularly conducted by the Counsellor. The Counsellor (Psychologist) is available in the Campus during the Working Hours of the College and the Counselling Centre Services are available from 9.30 Am. to 4.30 Pm.

CAMPUS WIDE NETWORKING AND DATA CENTRE

CBIT is having a Campus Wide Networking (CWN) Facility monitored by CISCO MX-100 Firewall to serve the Local and the Internet Facility with wired and wireless Connectivity. There are five CISCO SG-300 manageable Switches and one CISCO-1900 Router separating the Public and Private LANs connecting

more than 1700 Desk Top Machines serving the Computational requirements of the Institute and several Mobile Devices. The LANs are managed by more than 100 Giga-Bits manageable Switches with 10 GBPS Multimode Fiber Optic backbone connectivity. The Wi-Fi Facility is extended with 105 Meraki & KL-300 access points controlled by the MX-100 and CloudTrax, Firewall. Additionally, the CBIT-CWN is supplemented with Mobility aware Wireless Connectivity across the Campus to enable the Seamless Connectivity of Wireless Network to Electronic Gadgets of Students and Staff.

CBIT is having two Leased Lines Internet Connections from the ISP of Pioneer Online Service Ltd. (POL) with 37 Static IP Addresses. The main Fiber-based Leased Line Internet Connection Bandwidth is 205 Mbps and the redundant connection is 8 Mbps Radio Link. Apart from these two Leased Lines, there are three 10 Mbps ICT-NME Broadband connections taken from BSNL.

The Data Center comprises of more than 10 Servers including HP c7000 Blade, Rack-mounted and Tower Servers, Printers Catering to the Academic and Administration needs including Web, Mail, Teaching and Learning Services. These Servers can be accessed by the people in a controlled way and are installed with the State-of-Art Software including the VM Ware to create Virtual Machines, Fedora, Debian, MS-Windows, Oracle, MatLab, Drillbit, pSpice, Informatica, Rational Rose etc.

STUDENTS' CLUBS AND CHAPTERS

Students are encouraged to join Professional Bodies as Members as they provide platforms that enable Development of Professional Skills. Some of them are: Institute of Electrical and Electronics Engineers (IEEE), American Society of Mechanical Engineers (ASME), Institution of Chemical Engineers (IChE), Society of Automatic Engineers (SAE).

Students are also facilitated with Opportunities to participate actively in various Clubs of the Institute and manifest their Creativity in the Areas of their interest which would nurture Team Spirit, wholesome Personality, Interpersonal Communication and others such. The Clubs are:

STUDENTS' CLUBS

STUDENTS' CHAPTERS

Association with the Professional Chapters would enable the Students to not only interact with the who's who of the Industry, Consultancy, Technology Associations and other Recognized Entities but will also give them scope for attending Meets, Seminars and other raining and Learning participation. Students at

CBIT are encouraged to join the Professional Bodies as Members and some of them are: Indian Society for Technical Education (ISTE)

- Institute of Electrical and Electronics and Engineers (IEEE)
- Indian Institute of Chemical Engineers (IChE)
- American Society for Mechanical Engineers (ASME)
- Society of Automotive Engineers (SAE)
- Indian Institute of Engineers (IIE)
- Indian Society for Mechanical Engineers (ISME)

STUDENTS' ACHIEVEMENTS IN SPORTS

1. D. Sudheer Netha –2/4 IT –Kumite was awarded Gold Medal and the Chief Minister Cup at the 3rd National Level Open Karate Championship–2018– held at Dr. B R. Ambedkar Indoor Stadium, Karimnagar, Telangana from 19th to 21st Jan2001.
2. L. Swaroop Goud – 1/4 Chemical – Wrestling – was awarded Gold Medal in the State Wrestling Competition Organized by Telangana Amateur Wrestling Association held at L B Stadium, Hyderabad on02-02-2018.
3. T. Vigna Sree – 3/4 IT 2, Anmol Jain – 1/4 CSE 3 – Chess – were awarded Silver in the South Zone Inter University Chess Tournament held at Saveetha University from 30-10-2017 to07-11-2017.
4. Some of the Students participated in Osmania University Inter College Tournaments and in Chess Women Team were the Winners while in Badminton the Men's' Team were the Winners

NATIONAL SERVICE SCHEME (NSS) UNIT

The NSS CBIT was established in the year 2007, with a team of Students from different Departments of the Institute. Currently NSS body has a Student strength of 150 Students from UG and 70 from PG headed by Student Executive Body (24 UG & PG Students) who are actively Co-ordinating and participating the numerous Social Service Activities in the Institute and the Society as well.
