

## SUDHEE 2025

### National Level Students Technical Fest

Innovate Integrate Inspire

### **DEPT. OF MCA - TECHEON 2025 REPORT**

Proposed Budget	:	Rs 57,500/-
Sponsorship Amount	:	Rs 1,05,000/-
Registration Amount	:	Rs 33,400/-
Expenditure	:	Rs 7,122/-

#### **[1]. Introduction:** A brief overview of the event, its purpose, and objectives

#### **Event Description**

TECHEON 2025, part of CBIT's SUDHEE 2025 technical fest, organized by the Department of MCA, is a dynamic event encompassing various technical challenges and competitions. It features engaging activities such as Paper Presentations, Poster Presentations, Tech Matrix, The Memory Masters, Code Ciphers, Sound Engineer, Scream To Win, LAN gaming, Tech Tact, Guess The Flick, and Treasure Hunts, catering to the diverse interests and talents of participants.

#### **Purpose:**

The primary purpose of TECHEON 2025 is to provide a platform for students to demonstrate their technical prowess, fostering innovation and collaboration within the academic community. By showcasing their skills and knowledge, participants have the opportunity to gain recognition, network with peers, and further their understanding of various technical concepts and applications.

## Objectives:

- Promote Innovation:** Encourage participants to explore new ideas and approaches in solving technical challenges presented in the different events.
- Foster Collaboration:** Facilitate teamwork and cooperation among participants, promoting the exchange of knowledge and skill
- Enhance Problem-Solving Abilities:** Provide participants with real-world problems to solve, helping them develop critical thinking and problem-solving skills.
- Encourage Participation:** Offer a diverse range of events to cater to different interests and talents, ensuring maximum participation from students across various disciplines.
- Facilitate Learning:** Provide a platform for students to learn from their peers' presentations, projects, and solutions, enriching their understanding of technical concepts and applications.

HYDERABAD | SUNDAY | FEBRUARY 16, 2025

# MCA Department to Organize "Techeon" as Part of Sudhee 2025 | Poster Unveiled

DECCAN NEWS SERVICE  
HYDERABAD

The Department of MCA at Chaitanya Bharathi Institute of Technology (CBIT) is gearing up to host "Techeon", a premier technical event as part of Sudhee 2025, the institute's national-level student technical fest, scheduled for March 4-5, 2025.

The official poster for Techeon was unveiled today in the presence of faculty members, student coordinators, and dignitaries. The event will feature Paper and Poster Presentation, Sound Engineer, TechTact, Code Cipher, LAN Gaming, Tech Matrix, The Memory Master, Treasure Hunt, Scream to Win, Guess the Flick, and many more engaging activities.

CBIT Principal Prof. C.V. Narasimhulu emphasized the significance of such events in

enhancing technical knowledge, fostering innovation, and encouraging collaboration among students. He stated that Techeon will provide a dynamic platform for young minds to engage in coding challenges, hackathons, and technical discussions, helping them sharpen their problem-solving skills and stay updated with the latest technological advancements.

Dr. B. Indira, Head of the Department of MCA, highlighted that Techeon will serve

as an avenue for students to showcase their skills, collaborate on innovative ideas, and gain insights into emerging technologies.

CBIT PRO Dr. G.N.R. Prasad remarked that the institute has always been at the forefront of promoting technical excellence and research-driven learning. He commended the MCA Department for organizing the event and encouraged participants to make the most of this unique opportunity to explore new-

age technologies and interactive sessions.

The faculty coordinators for Techeon are Dr. M. RamChander and Sri P. Krishna Prasad, while P. Nehal Reddy and T. Sai Priya are leading as student coordinators.

The MCA Department invites students from various institutions to participate in Techeon and enhance their technical knowledge, problem-solving abilities, and industry-relevant skills.

**Paper clip about launch of TECHEON 2025 Poster**

**[2]. Organizing Committee:** Information about the team that organized the event, including their roles and responsibilities.

***Roles and Responsibilities:***

**TECHEON 2025 Event Coordinators:**

**1. Overall Event Management:**

- Coordinate and oversee the planning and execution of all 11 events within TECHEON 2025.
- Ensure that each event adheres to the schedule, budget, and quality standards set by the organizing committee.

**2. Financial Management:**

- Manage the budget for TECHEON 2025, including allocating funds for each event and tracking expenses.
- Coordinate sponsorship efforts and ensure financial resources are secured for the smooth execution of the event.

**3. Team Management:**

- Recruit, train, and supervise individual event coordinators and volunteers for each event.
- Delegate tasks and responsibilities effectively, ensuring clear communication and accountability among the team members.

**4. Logistics and Infrastructure:**

- Arrange necessary equipment, venue bookings, and other logistical requirements for all events.
- Coordinate with vendors and service providers to ensure smooth logistics operations during the event.

**5. Communication and Public Relations:**

- Serve as the primary point of contact for external stakeholders, including sponsors, media, and participants.
- Handle communication channels such as social media, email, and press releases to promote TECHEON 2025 and provide updates to stakeholders.

### **Event Coordinators:**

#### **1. Event Planning and Execution:**

- Develop detailed plans and timelines for their respective events, including tasks, deadlines, and resource requirements.
- Coordinate with main event coordinators to ensure alignment with overall event objectives and guidelines.

#### **2. Team Leadership:**

- Lead a team of senior coordinators and junior volunteers for the assigned event.
- Delegate tasks, provide guidance, and monitor progress to ensure successful execution of event activities.

#### **3. Quality Assurance:**

- Ensure that all aspects of the event, including presentations, competitions, and logistics, meet the desired quality standards.
- Address any issues or challenges that arise during the planning and execution phases promptly and effectively.

#### **4. Participant Engagement:**

- Facilitate communication with event participants, including registration, briefing sessions, and providing necessary information.
- Foster a positive and engaging experience for participants through effective coordination and support.

### **Volunteers:**

#### **1. Assistance to Event Coordinators:**

- Assist event coordinators in setting up and dismantling event venues, arranging equipment, and other logistical tasks.
- Provide support during event activities, such as guiding participants, distributing materials, and managing queues.

#### **2. Participant Support:**

- Welcome and guide participants upon arrival at the event venue, providing directions and assistance as needed.

- Address inquiries and concerns from participants promptly and professionally, ensuring a positive experience for all attendees.

### **3. Event Promotion:**

- Help promote the event through word-of-mouth, social media, and other channels to attract participants and attendees.
- Distribute promotional materials and information about TECHEON 2025 and individual events to interested individuals and groups.

## CBIT "Techeon" as Part of Sudhee 2025

**Hyderabad, March 8** (Newsmate) : The Department of Master of Computer Applications (MCA) at Chaitanya Bharathi Institute of Technology (CBIT) successfully organized "Techeon", a flagship technical event as part of Sudhee 2025, the institute's national-level students' technical fest. The event witnessed enthusiastic participation from students across various institutions, showcasing their technical acumen, problem-solving skills, and innovative ideas.

"Techeon" featured a diverse range of competitions, including hackathons, coding challenges, paper presentations, and tech quizzes. Industry experts and academicians delivered insightful talks and workshops on emerging technologies such as Artificial Intelligence, Cybersecurity, and Blockchain. The event provided a platform for students to engage in collaborative learning and explore advancements in the IT industry.

K. Sai Nikhil, Chief Developer & Mentor, Eduexpose, who delivered an expert session on Industry Training, Technology Upskilling, and Career Development, highlighted the importance of such initiatives. He remarked, "Events like Techeon are crucial in preparing students for real-world challenges. By engaging in hands-on learning and exposure to cutting-edge technologies, students gain the confidence and skills necessary to excel in the industry." CBIT's commitment to technical excellence is commendable, and I am honored to be part of this knowledge-sharing platform."

CBIT Principal Prof. C. V. Narasimhaulu commended the MCA department for successfully conducting "Techeon" and emphasized the significance of such events in enhancing students' technical expertise and industry readiness. The winners of various competitions were awarded certificates and prizes in a valedictory ceremony.

The event was coordinated under the guidance of the faculty and organizing committee of the MCA Department, with active participation from student volunteers. "Techeon" reinforced CBIT's commitment to fostering innovation, research, and technical excellence among students.

### Paper clip about TECHEON 2025

### Paper clip about TECHEON 2025

**[4]. Event Details:** A detailed description of the events, competitions, and activities that took place during the techfest including the details of the winners.

### TECHEON-2025 (SUDHEE-2025) – LIST OF EVENTS

S. No.	Name of the Event	Description of the Event
1	Paper Presentation	Students need to present a paper on any of the latest and advanced technologies/algorithms/topics in an IEEE format.
0.	Innovative Idea / Poster Presentation	Here, students have to propose an innovative idea along with the design of the poster to solve any societal problems or need-based problems.
0.	Tech Matrix	<p>This program consisting of 2 rounds including visual and technical aspects of all computer domains.</p> <p><b>Details about Rounds:</b></p> <p><b>Round 1: Word Hunt</b></p> <p>In this round, players must find specific technical words hidden within a table of randomly arranged letters. This game is similar to the word search puzzles commonly found in newspapers and magazines. The words to be found are strictly technical terms.</p> <p><b>Round 2: Image-Based Word Guessing</b></p> <p>In this round, players guess a technical word by interpreting two given images. When combined, the images represent a specific technical term that the players must identify.</p>

0.	Code Cipher	<p>Question(s) and its corresponding sample output(s) will be given. Students have to write program(s) in any programming language to satisfy the test cases.</p> <p><b>Details about Rounds:</b></p> <p><b>Round 1: Technical Treasure Hunt:</b></p> <p>Find the outputs for the given codes which has a hidden technical word</p> <p><b>Round 2: Blind Coding:</b></p> <p>Code without sight, trust your logic and precision</p>
0.	Treasure Hunt	<ol style="list-style-type: none"> <li>1. Follow clues scattered across the CBIT College.</li> <li>2. Discover the final destination</li> </ol>
0.	Scream To Win	<p>Scream To Win consists of 3-Levels:</p> <p><b>1st Round:</b> Dino Game of Chrome where players will be competing for high score to enter into next round.</p> <p><b>2nd Round:</b> Ninja Warrior Game where players will be going to further level</p> <p><b>3rd Round:</b> Liars Table Game</p>
0.	LAN Gaming	<p>LAN gaming is a form of multiplayer gaming where players connect to a local area network (LAN) to play <b>BGMI</b>. It is a form of computer gaming and console gaming. The players can play multiplayer games with others over the LAN network.</p>
0.	Tech Tact	<p>This game consists of 2 rounds:</p> <p><b>1st Round:</b> Land the perfect shot on the dart game.</p> <p><b>2nd Round:</b> Act out technical words in a thrilling game of dumb charades. Will your team emerge as the ultimate champion?</p>

0.	The Memory Masters	<p>This game consists of 3 rounds</p> <ol style="list-style-type: none"> <li><b>Round 1:</b> Listen &amp; Write! Sounds play—catch them in your mind and write them down.</li> <li><b>Round 2:</b> Word Link Game! Teams compete in a thrilling word-building challenge to claim victory!</li> <li><b>Round 3:</b> Song Clue Hunt! Tunes play, things hide in the lyrics—grab them fast and win big!</li> </ol>
0.	Sound Engineer	<p>The Sound Engineer event consists of 2 rounds:</p> <ol style="list-style-type: none"> <li>Identify Technical words from a given audio clip ( includes songs and dialogues).</li> <li>Teammate-1, having a headset on with music playing, has to guess the technical word given to Teammate-2 with only Lip movement.</li> </ol>
1.	Guess The Flick	<p>This game consists of 2 rounds:</p> <p><b>Round 1:</b> Guess the title of a movie by seeing an image from the movie.</p> <p><b>Round 2:</b> Guess the movie title by listening to your teammate describe the storyline.</p>

**[5]. Participants:** A brief description of the number of participants, their backgrounds (within state/Out of state participation).

Department	Event Name	Total number of Registrations received	Registrations from CBIT	Registrations from Other Institutions	Fund received from the Registrations
MCA	Paper Presentation	10	10	-	3110
MCA	Poster Presentation	10	07	3	3700
MCA	Tech Matrix	43	43	-	2150
MCA	Code Cipher	34	30	4	1700
MCA	Tech Tact	44	44	11	2800
MCA	Scream To win	63	63	-	3100

MCA	Guess The Flick	102	94	8	5150
MCA	<b>Total</b>	<b>564</b>	<b>522</b>	<b>42</b> (Telangana)	<b>33400</b>

**[6]. Feedback:** Feedback from the participants and organizers, including any suggestions for future improvements.

### Participant Feedback:

The participants of TECHEON 2025 expressed high satisfaction with the event, highlighting its well-organized structure and diverse range of activities. They appreciated the opportunity to showcase their technical skills and engage in competitions such as Paper Presentation, Tech Matrix, and Lan Gaming. Many participants commended the event coordinators for their professionalism and support throughout the event, making it a memorable and enriching experience.

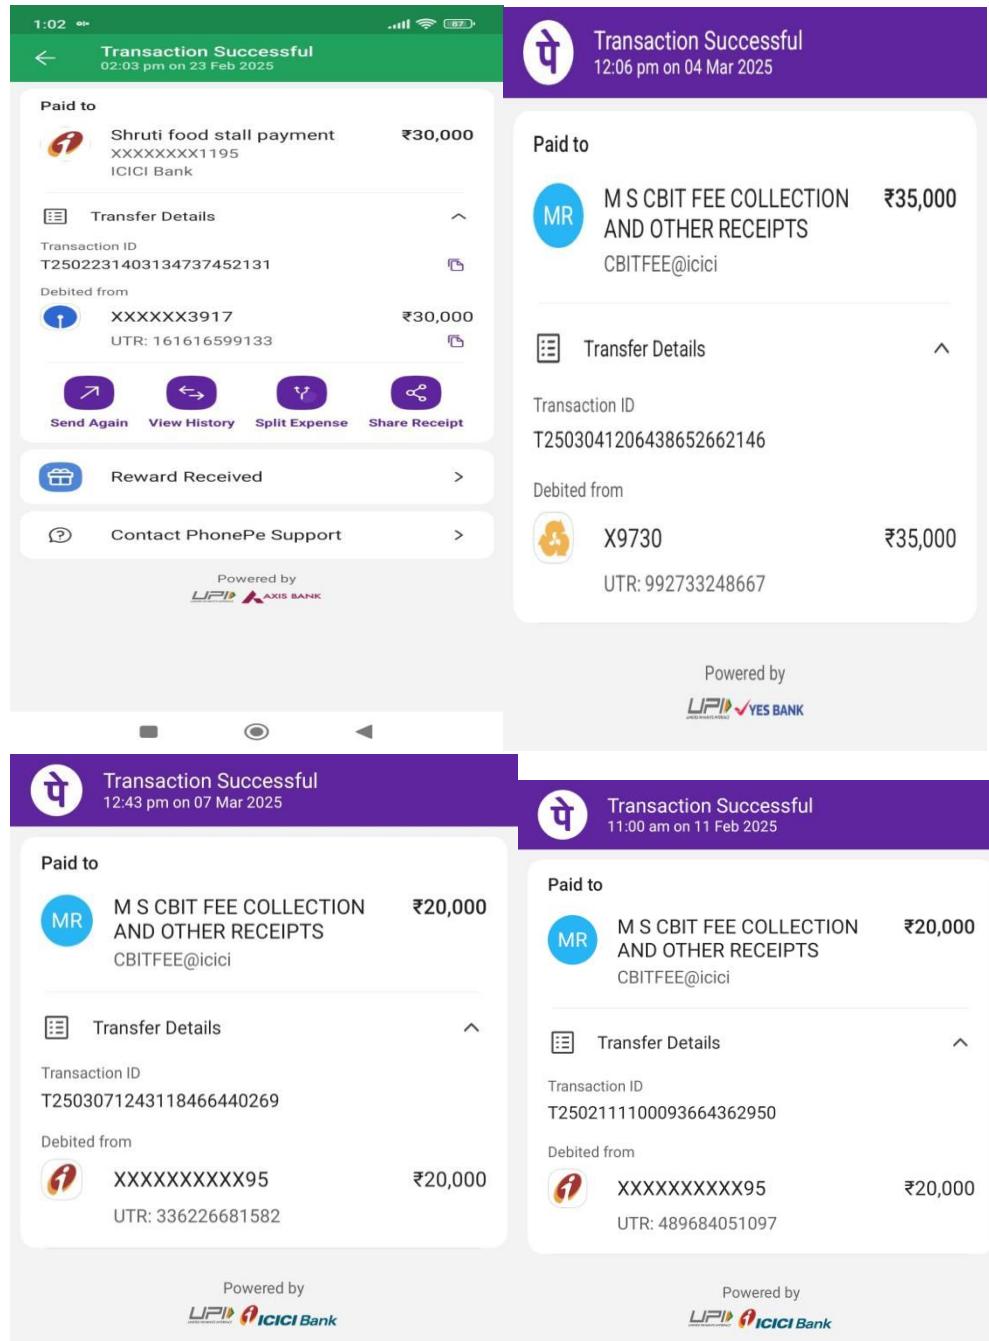

### Organizer Feedback:

The organizers of TECHEON 2025 reflected positively on the event, noting its successful execution and positive reception from participants. They acknowledged the hard work and

dedication of the main event coordinators, individual event coordinators, and volunteers in ensuring the smooth operation of all 11 events. Organizers emphasized the importance of effective teamwork, communication, and meticulous planning in orchestrating such a large-scale technical fest. They were especially proud to announce that TECHEON 2025 broke all previous records by attracting an unprecedented 564 participants, underscoring its significance and impact within the academic community. Overall, they considered TECHEON 2025 a resounding success and looked forward to future editions with even greater enthusiasm.

**[7]. Sponsors and Partners:** A list of the organizations that supported the event financially or otherwise.

**[8]. Conclusions:** A summary of the event, its highlights, and the outcomes achieved.

In conclusion, the MCA department orchestrated a total of 11 events, amassing 564 registrations, of which 522 hailed from CBIT and 42 from other institutions. The registration proceeds amounted to 33,400. Notably, "**Guess The Flick**" emerged as the most popular event, drawing 102 participants and generating 5,100 in funds. "**Scream To Win**" boasted exclusive registration from CBIT, with all 63 participants representing the institution, compared to previous years, accompanied by a commendable surge in revenue, signifying a successful endeavor in terms of both participation and financial returns.

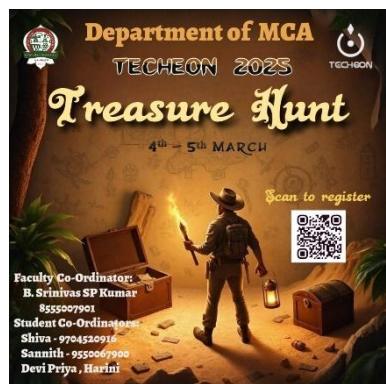

b) Departmental Techfest posters.
