## SUDHEE 2025

National Level Students Technical Fest

Innovate Integrate Inspire

**Yukthi-2025 Report**

### INTRODUCTION:

The School of Management Studies, Chaitanya Bharathi Institute of Technology (CBIT) has organised **YUKTHI 2025**, a dynamic National Level Students' Management Fest and a key part of SUDHEE 2025. Designed to engage in thrilling competitions to sharpen students' business acumen and push their boundaries. Yukthi 2025 is a dynamic platform for business students to apply classroom knowledge to real-world challenges. Through competitive events like FinFlare or Data Dazzle, participants sharpen leadership, analytical, and problem-solving skills. It's a prime opportunity to develop expertise in areas like finance, marketing, analytics and HR. Students gain invaluable hands-on experience, network with peers and professionals, and enhance their employability. These fests build confidence, foster teamwork, and offer exciting prizes, proving essential for holistic professional growth. Ultimately, they bridge the gap between theory and practice, preparing future business leaders.

### Event Details:

- **Dates:** March 4th - 5th, 2025
- **Venue:** CBIT, Hyderabad

### Showcase Your Talent in These Exciting Competitions:

- **FinFlare:** Master the art of financial strategy.
- **Data Dazzle:** Transform data into powerful, actionable insights.

- **Young Archons:** Demonstrate your leadership and strategic decision-making.
- **Paper & Poster Presentation:** Present innovative research and ideas.
- **Bizz Master:** Prove your entrepreneurial excellence in the ultimate business challenge.
- **HR Mavericks:** Craft creative solutions for real-world HR dilemmas.
- **Marketing Rebels League:** Battle it out with the most innovative marketing minds.

### Benefits of Participation:

- **Practical Experience:** Apply theoretical knowledge to real-world management challenges.
- **Networking:** Connect with aspiring professionals and industry peers.
- **Recognition:** Win attractive prizes and gain national recognition for your skills

## 8. Conclusion

The paper presentation event successfully provided a dynamic platform for students to explore the evolving intersection of business and technology. Participants showcased their innovative ideas, research, and analytical skills, demonstrating the transformative role of technology in shaping modern business strategies.

This event not only enhanced academic and professional growth but also encouraged students to pursue research, innovation, and industry-driven solutions. As we conclude, it is evident that such initiatives play a vital role in bridging the gap between academic learning and real-world business applications.

**YUKTHI 2025**

*(Data Dazzle)*

**(Dr. Yesubabu Konga)**

**No. of Rounds: 3**

**Total Participants: 9 teams (24 participants)**

**Date(s): 04.03.25 - 05.03.25**

### **1. Objective(s) of the Event:**

The event aims to test the participants' ability to understand the basics of statistics and research methodology, formulate the null and alternative hypotheses given the research problem, determine the appropriate tool for testing a hypothesis, and demonstrate data analysis, interpret the results.

### **2. Overview of the Event:**

Round 1: Data Ninjas - A written test consisting of 20 multiple choice questions on basic statistics and data analytics was conducted for twenty marks.

Round 2: Insight Infinity - A descriptive test for 15 marks was conducted to test the participants' ability to understand strategies for treating missing values, coding of variables, and formulating right hypotheses, specifying the appropriate statistical test for hypothesis testing.

Round 3: Analytics Arena—Participants were provided with data in Excel and asked to perform statistical tests and interpret the results. This round was worth 20 marks.

## SCHOOL OF MANAGEMENT STUDIES

**YUKTHI 2025**

*(Marketing Rebels League)*

**(Dr B V Jayanthi)**

**No. of Rounds: 03**

**Total Participants: 21**

**Date(s): 04-03-25 & 05-03-25**

### 1. Objective(s) of the Event:

**Inspire Different Marketing Approaches** — Move existing creativity and out-of-the-box thinking for your marketing further with guerrilla marketing strategies, branding through memes, and last-minute sales pitches.

**Develop Real-world Marketing Skills** — Allow attendees to practice generating, designing and pitching out-of-the-box marketing strategies in an interactive scenario.

**Encourage Interactive and Effective Communication** — Learn persuasive communication, get your audience involved and make better decisions — all through hands-on exercises and presentations.

### 2. Overview of the Event:

The **Marketing Rebels League** is a fun, quick paced, yet intense, competition to sharpen your creativity, strategic prowess, and marketing shenanigans. In this series, we have 3 fast-paced rounds of **Guerrilla Genius**, **Meme Mastermind**, and **M3**, each focused on marketing in its unique way! They will knock out outrageous campaigns, meme up an epidemic, create a sales pitch in real time to demonstrate their ability to attract eyeballs. The competition promotes a learning experience that is focused on creativity, hygiene and the art of explaining ideas, at the same time making it an immersive hands-on experience. The event challenges and nurtures participants interests to push the boundaries of how marketing works with competitive challenges to drive creativity out of the box and eye reality box that most need to push back the walls of to get new marketing leaders to think differently.

## 6. Outcome of the Event

The **Marketing Rebels league** turned out to be a creative divergence to inspire students to activate critical thinking and innovative marketing approaches, successfully engaging 21 students. Attendees learned by doing guerrilla marketing campaigns, meme-based viral marketing, and sales pitches. It complemented their strategy in problem-solving by instilling teamwork, time management, and the ability to think on their feet. Using interactive challenges, students demonstrated their brand messaging creation and audience engagement skills. At the end of the competition, winners were announced, while all participants took home valuable lessons and practical experience of how to compete in a real-world marketing ecosystem.

## 7. Student Coordinators (from A & B sections of MBA 2024-26)

- Shwetha Karad
- Prashant C
- Lokesh Chandra
- Avinash
- Nehamya
- Jayant
- Preethi (23-25)

## 8. Conclusion

It was a great one and proved to be a creative, innovative, strategic storm of ideas for all 21 participants to contribute to as well. This offered a unique opportunity for students to take risks, employ unconventional marketing strategies, and sharpen their skills in real-world problem solving. At the end of the event, we put the spotlight not only on the winners but on every single participant that took the leap and the challenge along with us.
