**[1]. Introduction:** A brief overview of the event, its purpose, and objectives

#### **Event Description**

TECHEON 2025, part of CBIT's SUDHEE 2025 technical fest, organized by the Department of MCA, is a dynamic event encompassing various technical challenges and competitions. It features engaging activities such as Paper Presentations, Poster Presentations, Tech Matrix, The Memory Masters, Code Ciphers, Sound Engineer, Scream To Win, LAN gaming, Tech Tact, Guess The Flick, and Treasure Hunts, catering to the diverse interests and talents of participants.

#### **Purpose:**

The primary purpose of TECHEON 2025 is to provide a platform for students to demonstrate their technical prowess, fostering innovation and collaboration within the academic community. By showcasing their skills and knowledge, participants have the opportunity to gain recognition, network with peers, and further their understanding of various technical concepts and applications.

## Objectives:

1. **Promote Innovation:** Encourage participants to explore new ideas and approaches in solving technical challenges presented in the different events.
2. **Foster Collaboration:** Facilitate teamwork and cooperation among participants, promoting the exchange of knowledge and skill
3. **Enhance Problem-Solving Abilities:** Provide participants with real-world problems to solve, helping them develop critical thinking and problem-solving skills.
4. **Encourage Participation:** Offer a diverse range of events to cater to different interests and talents, ensuring maximum participation from students across various disciplines.
5. **Facilitate Learning:** Provide a platform for students to learn from their peers' presentations, projects, and solutions, enriching their understanding of technical concepts and applications.

# MCA Department to Organize "Techeon" as Part of Sudhee 2025 | Poster Unveiled

DECCAN NEWS SERVICE  
HYDERABAD

The Department of MCA at Chaitanya Bharathi Institute of Technology (CBIT) is gearing up to host "Techeon", a premier technical event as part of Sudhee 2025, the institute's national-level student technical fest, scheduled for March 4-5, 2025.

The official poster for Techeon was unveiled today in the presence of faculty members, student coordinators, and dignitaries. The event will feature Paper and Poster Presentation, Sound Engineer, TechTact, Code Cipher, LAN Gaming, Tech Matrix, The Memory Master, Treasure Hunt, Scream to Win, Guess the Flick, and many more engaging activities.

CBIT Principal Prof. C.V. Narasimhulu emphasized the significance of such events in

enhancing technical knowledge, fostering innovation, and encouraging collaboration among students. He stated that Techeon will provide a dynamic platform for young minds to engage in coding challenges, hackathons, and technical discussions, helping them sharpen their problem-solving skills and stay updated with the latest technological advancements.

Dr. B. Indira, Head of the Department of MCA, highlighted that Techeon will serve

as an avenue for students to showcase their skills, collaborate on innovative ideas, and gain insights into emerging technologies.

CBIT PRO Dr. G.N.R. Prasad remarked that the institute has always been at the forefront of promoting technical excellence and research-driven learning. He commended the MCA Department for organizing the event and encouraged participants to make the most of this unique opportunity to explore new-

age technologies and interactive sessions.

The faculty coordinators for Techeon are Dr. M. RamChander and Sri P. Krishna Prasad, while P. Nehal Reddy and T. Sai Priya are leading as student coordinators.

The MCA Department invites students from various institutions to participate in Techeon and enhance their technical knowledge, problem-solving abilities, and industry-relevant skills.

# CBIT "Techeon" as Part of Sudhee 2025

Hyderabad, March 8 (Newsmate) : The Department of Master of Computer Applications (MCA) at Chaitanya Bharathi Institute of Technology (CBIT) successfully organized "Techeon", a flagship technical event as part of Sudhee 2025, the institute's national-level students' technical fest. The event witnessed enthusiastic participation from students across various institutions, showcasing their technical acumen, problem-solving skills, and innovative ideas. "Techeon" featured a diverse range of competitions, including hackathons, coding challenges, paper presentations, and tech quizzes. Industry experts and academicians delivered insightful talks and workshops on emerging technologies such as Artificial Intelligence, Cybersecurity, and Blockchain. The event provided a platform for students to engage in collaborative learning and explore advancements in the IT industry.

K. Sai Nikhil, Chief Developer & Mentor, Eduxpose, who delivered an expert session on Industry Training, Technology Upskilling, and Career Development, highlighted the importance of such initiatives. He remarked, "Events like Techeon are crucial in preparing students for real-world challenges. By engaging in hands-on learning and exposure to cutting-edge technologies, students gain the confidence and skills necessary to thrive in the industry. CBIT's commitment to technical excellence is commendable, and I am honored to be part of this knowledge-sharing platform."

Dr. B. Indira, Head of the MCA Department, expressed her appreciation for the efforts of the organizing team and participants. She stated, "Techeon is a testament to the talent and innovation of our students. It serves as a bridge between academia and industry, equipping students with the skills required to excel in the ever-evolving technological landscape."

We are proud to see such enthusiastic participation and knowledge-sharing. The event was coordinated under the guidance of the faculty and organizing committee of the MCA Department, with active participation from student volunteers. "Techeon" reinforced CBIT's commitment to fostering innovation, research, and technical excellence among students.

## SUDHEE 2024

### National Level Students Technical Fest

### Innovate Integrate Inspire

### Department Report

[1]. **Introduction:** A brief overview of the event, its purpose, and objectives

#### **Event Description**

TECHEON 2024, part of CBIT's SUDHEE 2024 technical fest, organized by the Department of MCA, is a dynamic event encompassing a wide array of technical challenges and competitions. It features engaging activities such as Paper Presentation, Poster Presentation, Tech Quiz, Memory vs Time, Reverse Coding, Sound Engineer, Scribble Word, Lan Gaming, Technical Dumbcharades, and Treasure Hunt, catering to the diverse interests and talents of participants.

#### **Purpose:**

The primary purpose of TECHEON 2024 is to provide a platform for students to demonstrate their technical prowess, fostering innovation and collaboration within the academic community. By showcasing their skills and knowledge, participants have the opportunity to gain recognition, network with peers, and further their understanding of various technical concepts and applications.

#### **Objectives:**

1. **Promote Innovation:** Encourage participants to explore new ideas and approaches in solving technical challenges presented in the different events.
2. **Foster Collaboration:** Facilitate teamwork and cooperation among participants, promoting the exchange of knowledge and skills.
3. **Enhance Problem-Solving Abilities:** Provide participants with real-world problems to solve, helping them develop critical thinking and problem-solving skills.
4. **Encourage Participation:** Offer a diverse range of events to cater to different interests and talents, ensuring maximum participation from students across various disciplines.
5. **Facilitate Learning:** Provide a platform for students to learn from their peers' presentations, projects, and solutions, enriching their understanding of technical concepts and applications.

# Techeon 2024: Igniting Innovation

DECCAN NEWS SERVICE

■ HYDERABAD

The Department of MCA at Chaitanya Bharathi Institute of Technology launched the poster for Techeon 2024 on February 15, 2024. The ceremony, graced by Principal Prof. Dr. C. V. Narsimhulu, Director of Academics, Director of IQAC, Sudhee Chairman, Head of the MCA department, faculty, and students, marked the commencement of the college's annual Technical Fest - SUDHEE, scheduled for February 26th and 27th, 2024.

Techeon 2024 promises an engaging blend of events

under the theme "Innovate, Integrate, Inspire." The organizing team is thrilled to present ten innovative events showcasing the latest advancements in computer applications, including Paper Presentation,

Poster Presentation, Lan Gaming, and more. Faculty coordinators for the event are Dr. GNR Prasad and Dr. B. Indira, while M Sai Supraja and KHi-makar from MCA IV semester serve as student coordinators.
