Hello,

Greetings from KPIT Technologies!!

As we completed successful 5 years of KPIT Sparkle, we are back and live with 6th Edition of KPIT Sparkle. This time its bigger, better and new because this time it presents two contests under KPIT Sparkle innovation platform.

Please find the attached PDF for the details of both the contest. Also visit this link for details -
https://youtu.be/VUvaMMjQWs0

Please ask all your students to visit https://sparkle.kpit.com/ and register for KPIT Sparkle 2020.

This year we are offering hiring opportunity for 4th Year students on valid idea submission and for 3rd year students there is an internship opportunity on crossing first milestone.
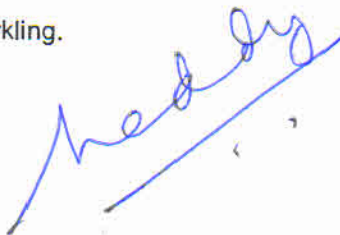

Also soon KPIT Sparkle team will start visiting colleges for KPIT Sparkle day, this year we have exciting partnership opportunities. Kindly connect to me for partnership with KPIT Sparkle.

Thank you! Keep innovating, Keep Sparkling.

Regards,

Kedar Sapre
