CIRCULAR

Sub : Intimation regarding Schedules of Academic Activities - Reg.

We Hope that the Parents and Students are staying at Home and staying Safe.

The Covid -19, Pandemic, has been the reason for many uncertainties in every Sector in India and Globally and particularly with regard to the Education Sector, it has created insecurity for all the Stake Holders.

We have been receiving enquiries from the Students and Parents with regard to the Examinations and Academic Schedules based on what has been announced and uploaded in the Website of the Institute which was done in compliance to the guidelines issued from the UGC/AICTE /and Osmania University.

We would like to inform the Students and Parents that we have not yet received any confirmation from the Regulatory Bodies, Osmania University and the State Technical Higher Education Council to conduct the Exams and other Academic Activities including Classwork, Mid-Semester Examinations and Semester End Examinations.

The Orders from the respective Government and Regulatory Bodies are awaited and hence the earlier Circular scheduling the Exams and Academic Activities stands deferred till the guidelines are received from the respective Authorities.

The Students and the Parents are however advised to regularly visit the Website and also keep in communication with their respective Departments for updates with regard to the Examinations and Academic Schedules which will be displayed once we have the confirmation.

We Wish and Hope that the Students will utilise this Period to prepare themselves for the Exams and those of the final Year Students who have been selected for Jobs by the Companies should contact the Placements Department for clarifications on joining and also contact the Companies for their instructions in this regard.

Wishing everyone a Healthy and Safe Living,

PRINCIPAL
