F. No/ AICTE- SCRO /Corona Virus/2020/ 863

Date: 06.03.2020

Dear Chairman/Secretary/Principal
Of AICTE Approved institutions,

As you are aware, cases of Novel Corona virus have been reported recently in certain parts of the country.

1. Central Government has taken many steps to contain the spread of this virus but creating awareness amongst general public is extremely important to prevent/reduce transmission of the Novel Corona virus.
2. In order to create awareness among students, preventive interventions such as frequent hand wash, respiratory etiquettes (using handkerchief over mouth while coughing/sneezing, use of tissue paper or using the sleeve of shirt covering upper arm, staying away from school when sick, avoiding public gatherings etc.) would help in preventing/reducing transmission of not only this disease, but also large number of other communicable disease, notably flu-like illnesses. Further, such informed students can be agents of change for their family, community and beyond.
3. It is requested that all the AICTE approved institutions are directed to create awareness amongst the students/Teaching & Non-Teaching staff as mentioned in Para 3 above.

With Regards.

Yours faithfully,

(Dr. Amit Vishwasrao Salunkhe)
Asst. Director & Regional Officer
