DEPARTMENT OF MATHEMATICS

is Organizing

A National Webinar

on

A POPULAR TALK ON MATHEMATICS

20th July, 2020; 11:00 AM - 12:30 PM

Students of all Engineering and Mathematics Discipline can Participate

Speaker: Prof. K. SATYANARAYANA

Former Professor, Department of Mathematics,
Osmania University, Hyderabad.

Convener: **Dr. A. PADMA**

Co-Convener: **Dr. MAMATA THAKUR**

Co-Convener: **Dr. K SARADA**

Chairman: **Prof. P. RAVINDER REDDY**, PRINCIPAL

Advisor: **Prof. P. RAJ REDDY**, Head of the Department

☞ Use the Link to Join: <https://forms.gle/sG4QDHdr2RNLFcAw8>

☞ E-Certificate will be issued to all the Participants after feedback

Objectives of the Webinar

- Become confident in using mathematics to analyze and solve problems in real-life situations
- Develop mathematical curiosity and use inductive and deductive reasoning
- Recognize that mathematics permeates the world around us and appreciate the usefulness, power and beauty of mathematics
- Develop the knowledge, skills and attitudes necessary to pursue further studies in mathematics
- Enjoy mathematics and develop patience and persistence

Expected Webinar Outcome

The Participants will be able to

- Demonstrate the ability to think critically, research, and reason. (Ethical Leadership)
- Use mathematical ideas to model real-world problems
- Communicate mathematical ideas with others
- Recognize and differentiate among diverse cultures through the history of mathematics.
