The banner features the Newton School logo and the text 'CODING CHALLENGE 2020' in large yellow and white letters. Below this, it says 'Data structures & Algorithms'. On the left, there is an illustration of a computer monitor displaying code. To the right, the text reads: 'Cash Prize of ₹20,000 (For college students & working professionals only)' next to a trophy icon. Below that, it says 'Top performers get a chance of DIRECT JOB INTERVIEWS at top product companies'. Further down, it mentions 'Gift voucher worth ₹100 for 100 lucky people who solve atleast one question'. A yellow box in the top right corner states '25th Sept, Friday at 21:00 to 23:30 hours'. At the bottom right, a yellow box says 'Register now for free at newtonschool.co/contest-home'.

Dear Sir/Ma'am,

Greetings from Newton School !!

Please share this email with all the students of your college from the **first - final year** and it is **open to all branches**.

Newton School is organizing India's premier **Online Coding Contest** for all the final year college students across all the colleges in the country. Compete with India's top university and have an experience of coding challenges like never before.

What is in it for students?

- **Prize Money:** Rs.20,000/- and certificate.
- Top performers get a chance to **interview at Top Product Companies**
- Rs. 100 **gift vouchers** to 100 lucky candidates who solve at least one question.

Date of Contest: 25th September 2020 (Friday) at 21:00 to 23:30 hours.

Apply Here: <https://bit.ly/2R5eMGU>

No Registration Fee!!

Essential Steps:

- 1) Do the registration by signing up (If already registered, log-in directly).
- 2) Click "Select" in the Newton Coding Challenge box.
- 3) Fill up the short form and submit.

About Newton School: <https://newtonschool.co>, is an online coding Bootcamp founded by IIT and IIM Alumni that transforms students into a full stack developer with a solid foundation in computer science.

Warm Regards,

Kumar Vivek
Marketing & Communication- Head
