EPAM Systems India Private Limited, is a fully owned subsidiary of EPAM Systems, Inc. Founded in 1993. It is Selected by Newsweek as a 2021, 2022 and 2023 most loved workplace, EPAM's global multidisciplinary teams serves customers in more than 50 countries across six continents. EPAM curated AI related experiences for students to introduce them to a 'real AI platform' indigenously developed at EPAM and a virtual AI assistant to help them understand the intricacies of developing such products and platforms for the future.

EPAM will install booths and standees at various locations in CBIT on 28.04.2024. The program and the whole activities will be launched with the students via interactions', officials will share their thought leadership and developers will exchange their ideas on the subject on 30 April 2024. The event is open to VI Sem students of CSE, IT, CSE(AIML), AIML, AIDS, CSE(CSEIOTCSBC) disciplines and final year MCA students.
