CIRCULAR

       CBIT Open Source Community (COSC) in collaboration with **HackItOn** is organizing an **Awareness Session** about the **Smart India Hackathon (SIH) 2023** for all students of B.E./B. Tech. on **14-09-2023** from **10:15 AM to 12:00 PM** in the **N Block Seminar Hall.**

       Smart India Hackathon 2023 is a nationwide initiative to provide students with a platform to solve some of the pressing problems we face in our daily lives and thus inculcate a culture of product innovation and a mindset of problem-solving. An internal hackathon helps the students showcase their abilities and how effectively they can implement the concept they chose. The main objective of the awareness session is to equip the students with knowledge regarding the Smart India Hackathon and how they can present their solutions to excel during the course of the hackathon.
