**Minutes:**

1. The Chairperson, Prof. S. China Ramu welcomed the PAQIC members and presented the previous PAQIC Minutes and explained about the same. Also, presented in detail the details as per the agenda and its continuous improvement.
2. Industry Expert, Mr. Srujan Kumar B opined to incorporate LLMs especially in Healthcare sectors and also Agentic frameworks as they play major role in Industry and Research. Accordingly the Chairperson responded that it can be incorporated under Professional Elective after getting the approval from BoS Members. Also informed about the revision of curriculum as per R26 regulation.
3. The Chairperson also mentioned that the course GenAI was made part of one of the Electives and students are opting and focusing on emerging technologies which is current need of the market.

4. Mr. Rahul Katikineni, Alumini suggested to focus on more real world projects since they play a vital role in the campus hiring process. In response to this the Chairperson explained that the faculty are suggesting the students to choose the Project course work in the latest research areas and industry emerging technologies and focusing on quality project outcomes.
5. Mr. Rahul Katikineni, opined that the students should able to analyze and explain more logically the problem statement of a project. As a response, the Chairperson, said that the Departmental Research Committee (DRC) is reviewing the Project course work so as to present the progress of project work.

There being no other item, the meeting was concluded with a vote of thanks by the Chairperson.

Convener-PAQIC, CSE Dept.

#### Minutes:

1. The I/c Chairperson, Prof. R. Ravinder Reddy welcomed the PAQIC members and presented them the quality of the program and its continuous improvement.
2. Approval of PO target values. All the members of PAQIC agreed upon the fixation for Program Outcome (PO) target values for the Batches

Batch	PO Target
2021-2025	70
2022-2026	70
2023-2027	70.5
2024-2028	70.5
2024-2029	70.5

3. Mr. Rahul Katikineni, Alumini opined to incorporate real world projects since they play a key role in the campus hiring process. I/c Chairperson clarified about the same that majority students are working on real world problems.
4. Industry Expert, Mr. Srujan Kumar B suggested to improve software development which is known as AI for software delivery by incorporating GenerativeAI for software development.
5. Also, Srujan enquired about collaboration or the provision of the students working with the industry. I/ c Chairperson explained about student Internships.
6. Prof. R. Ravinder Reddy explained about conduction of expert/ industry talks that are organized in the department for the attainment of Course Outcome (CO) and experiments are included in the curriculum if CO is not mapped with any of the POs.
7. Prof. Raman, raised his concerns about the approval of Internships as academic projects. However, the experts did not suggest anything in this regard.

As there were no other items to discuss, the meeting was concluded with a vote of thanks by the I/c Chairperson.

Chairperson, PAQIC, CSE Dept.
