A BRIEF REPORT ON THE HUMAN LIBRARY

Name of the Event	The Human Library [Event under Literati 2018]
Date and Time	23.02.2018
Link/ Venue	Mechanical Seminar Hall, CBIT, Hyderabad
Overview of the Event:	The wait is over! The books you've waited for are here. Human Library at CBIT is bringing to you an opportunity to read books which have never been read before. With some truly unique tales to tell, these books are waiting to talk to you. Break barriers. Change perspectives. Catch the Human Library at CBIT on the 23rd of February! The Human Library is an international organization and movement that first started in Copenhagen, Denmark, in 2000. It aims to address people's prejudices by helping them to talk to those they would not normally meet. The organisation uses a library analogy of lending people rather than books. Real people. Real conversations. So this was inspired by them and it was a very successful event that took place.
Outcome of the event	The event had participation of over 65+ participants across the city. The participants showcased their knowledge and intelligence through various rounds of the event.

EVENT REPORT

INTER COLLEGIATE CONFERENCE 2018

The Inter Collegiate Conference is known for the compelling and zealous debate that it enriches delegates with. Upholding the same tradition, we successfully conducted the Inter Collegiate Conference 2018 on **30th March and 1st April, 2018** in **CBIT**.

Two high octane international committees operated on high debating spirits and enthusiasm. Delegates showcased some exquisite diplomacy and public policy intellect and the chairpersons pivoted the committees at a moderated pace. The committees resulted in intricate documentation pertaining to the agendas and viable solutions were deliberated upon.

The first committee simulated was UNGA-DISEC (Disarmament and International Security Committee). The second committee simulated was the UNHRC (United Nations Human Rights Council).

After 2 days of intense and intriguing debate across all committees, the conference ended with the declaration of the awards in the closing ceremony. The closing ceremony concluded with announcements of the next junior team of CBITMUN, i.e Secretariat and the next Senior team, i.e the Core Committee.

EVENT REPORT

INTER COLLEGIATE CONFERENCE 2018

The Inter Collegiate Conference is known for the compelling and zealous debate that it enriches delegates with. Upholding the same tradition, we successfully conducted the Inter Collegiate Conference 2018 on **30th March and 1st April, 2018** in **CBIT**.

Two high octane international committees operated on high debating spirits and enthusiasm. Delegates showcased some exquisite diplomacy and public policy intellect and the chairpersons pivoted the committees at a moderated pace. The committees resulted in intricate documentation pertaining to the agendas and viable solutions were deliberated upon.

The first committee simulated was UNGA-DISEC (Disarmament and International Security Committee). The second committee simulated was the UNHRC (United Nations Human Rights Council).

After 2 days of intense and intriguing debate across all committees, the conference ended with the declaration of the awards in the closing ceremony. The closing ceremony concluded with announcements of the next junior team of CBITMUN, i.e Secretariat and the next Senior team, i.e the Core Committee.

EVENT REPORT ON CBITMUN 2017 (Seventh Edition) 8th-10th September 2017

The seventh edition, conducted from **8-10th September 2017**, went on to become the largest with an outstanding delegate count of **337**. The quality of the executive board was incomparable and increased participation from the delegates just added to it. Two international delegations made their way to the conference from Afghanistan, Bangladesh. In line with the theme, **"Diplomacy and Beyond"**, we conducted two **SRD** events and the **Young Leaders Program**. The first SRD event was organized at Devarakonda Basti School where the volunteers conducted a drawing competition and interacted with the kids there. The second event was at Tara Boys home where a mini library was established and was by far the largest event conducted under the SRD. Adip Krishna Guduru was given a chance to sit on the executive board of the African Union under the Young Leaders Program. He did exceedingly well gaining appreciation from the delegates as well as the organizers. Thus, with its seventh edition, CBITMUN continued to rewrite history by growing bigger and better.

The seventh edition, conducted from **8-10th September 2017**, went on to become the largest with an outstanding delegate count of **337**. The quality of the executive board was incomparable and increased participation from the delegates just added to it. Two international delegations made their way to the conference from Afghanistan, Bangladesh. In line with the theme, **"Diplomacy and Beyond"**, we conducted two **SRD** events and the **Young Leaders Program**. The first SRD event was organized at Devarakonda Basti School where the volunteers conducted a drawing competition and interacted with the kids there. The second event was at Tara Boys home where a mini library was established and was by far the largest event conducted under the SRD. The second event was at Tara Boys home where a mini library was established and was by far the largest event conducted under the SRD. Adip Krishna Guduru was given a chance to sit on the executive board of the African Union under the Young Leaders Program. He did exceedingly well gaining appreciation from the delegates as well as the organizers. Thus, with its seventh edition, CBITMUN continued to rewrite history by growing bigger and better.

CHAA YA *The Film Club of CBIT*

CBIT - Hyderabad
Date: 26th February, 2018.

The Principal
Chaitanya Bharathi Institute of Technology (A)
Gandipet, Hyderabad - 75.

Dear Sir,

Sub: Request for approval for office record of the days spent on film making for SHRUTHI-18 and such work in the Shabdhalaya labs, Reg.

This is to write to your good office about the days spent outside the campus for preparation of the theme based film for SHRUTHI-18. I along with my student coordinators of CHAA YA - the film club of CBIT, was spending in Shabdhalaya studios for the purposes of pre-production preparation, production work, film shooting at Banjara Hills Road no 12 in our president's residence, purchases of hard discs and extra footage for visual design, film editing and supervision, dubbing work, re-recording and finally on film rendering for the out-put.

Since the first meeting in the month of December with Sarma sir and Sandhya Seem madam, my team of writers and I have been working after college hours for planning and designing. The actual work of making took place since last one month. Especially in the last 15 days I needed to work even on Sundays and holidays outside of the campus for the making of the theme based film, "Transformation". There was a week's time between 12th and 23rd of February, 2018 when we slept in the lab and worked 24/7 on the making of the film which is very meticulous in nature and time-taking process. Therefore sir, I request your kind authority to consider my biometric absent days and holidays as ON-DUTY for the preparation of SHRUTHI-18.

I thank you so much for this creative opportunity on which I worked with all my passion and love for making the message oriented visual presentation, i.e a film titled "Transformation".

Thanking you,

Sreenivas Anilaja

Sr. Asst Professor of English
