EVENT REPORT ON WRITE ANGLE BY TRANSCENDENT

DATE: 21-02-2019

MODE: Offline

PARTICIPANTS: 44

DESCRIPTION:

Write Angle is the flagship event conducted by Transcendent during the much-esteemed literary fest, Literati, of the college. An event paying homage to the art of writing, giving the participants space to dive into and explore their imagination, the very first edition of Write Angle conducted in 2019, took its participants down the lane to the past. Staying true to the theme of the fest "Integration", the event rightly gave the participants provision to imagine how they'd integrate objects from the past, present and future in order to eradicate some common worldly problems. The event tested the participant's creativity and vigour to write and definitely gave them an exuberant experience while doing so.

EVENT REPORT INTER COLLEGIATE CONFERENCE 2019

The Inter Collegiate Conference is known for the compelling and zealous debate that it enriches delegates with. Upholding the same tradition, we successfully conducted the Inter Collegiate Conference 2019 on **6th and 7th of April** in **CBIT**.

Two high octane international committees operated on high debating spirits and enthusiasm. Delegates showcased some exquisite diplomacy and public policy intellect and the chairpersons pivoted the committees at a moderated pace. The committees resulted in intricate documentation pertaining to the agendas and viable solutions were deliberated upon.

Inaugural Ceremony

Executive Board

The first committee simulated was UNGA-DISEC (Disarmament and International Security Committee), with the agenda "Threats to International Security posed by non-state actors with special emphasis on North and Central Africa" and "Discussion on the possible risks of rapidly evolving artificial intelligence". The second committee simulated was the UNHRC (United Nations Human Rights Council), with the agenda "Discussion on the humanitarian crisis in Venezuela" and "Protection of human rights of workers in war and conflict zones". A Draft Resolution was the concluding document in DISEC, while a press release was made in the UNHRC, which was followed by a rigorous press conference by the members of the International Press.

After 2 days of intense and intriguing debate across all committees, the conference ended with the declaration of the awards in the closing ceremony. The closing ceremony concluded with announcements of the next junior team of CBITMUN, i.e Secretariat and the next Senior team, i.e the Core Committee.

Event Report - CBITMUN 2018

31 August - 2nd September

The eighth edition of CBITMUN was conducted from 31st August - 2nd September 2018 with the theme "Indelible Imprint" surely did leave an imprint behind- not just on the delegates who attended the conference but also on every person associated with it. This particular edition stands out from the rest with two successful events under the Social Responsibility Department. The students of the club came together to support Kerala in the hour of need when it was affected by devastating floods and also did their bit to transform the lives of young orphans and play a role in changing their stories. Such heartwarming events combined with the scenic beauty of the venue- Hotel Marigold, 7 amazing committees with extremely intriguing agendas and a considerable turnout of around 300 delegates, made it possible for CBITMUN 2018 to leave behind an indelible imprint.

Event Report - CBITMUN 2018

31 August - 2nd September

The eighth edition of CBITMUN was conducted from 31st August - 2nd September 2018 with the theme "Indelible Imprint" surely did leave an imprint behind- not just on the delegates who attended the conference but also on every person associated with it. This particular edition stands out from the rest with two successful events under the Social Responsibility Department. The students of the club came together to support Kerala in the hour of need when it was affected by devastating floods and also did their bit to transform the lives of young orphans and play a role in changing their stories. Such heartwarming events combined with the scenic beauty of the venue- Hotel Marigold, 7 amazing committees with extremely intriguing agendas and a considerable turnout of around 300 delegates, made it possible for CBITMUN 2018 to leave behind an indelible imprint.

Event Report - CBITMUN 2018

31 August - 2nd September

The eighth edition of CBITMUN was conducted from 31st August - 2nd September 2018 with the theme "Indelible Imprint" surely did leave an imprint behind- not just on the delegates who attended the conference but also on every person associated with it. This particular edition stands out from the rest with two successful events under the Social Responsibility Department. The students of the club came together to support Kerala in the hour of need when it was affected by devastating floods and also did their bit to transform the lives of young orphans and play a role in changing their stories. Such heartwarming events combined with the scenic beauty of the venue- Hotel Marigold, 7 amazing committees with extremely intriguing agendas and a considerable turnout of around 300 delegates, made it possible for CBITMUN 2018 to leave behind an indelible imprint.

Event Report

Social Responsibility Department

21 August 2018

SRD is one such initiative which makes CBITMUN a class apart from the rest! The sole motive of this department is to give back something to the society by not limiting ourselves to board room discussions.

At our first SRD event today, we visited BASS Home at Osmangunj and celebrated Independence Day with these tiny tots.

Our SRD team conducted a free General & Dental Check-up for these kids, a crafts competition to bring out the hidden artists out of them and few games to end with. Those bright smiles on these innocent faces was all that we could have ever asked for. Our hearts are filled with contentment as we experienced the joy of giving and sharing.

This wouldn't have been possible without the relentless efforts put by the entire SRD team to make this event an unforgettable memory and they truly deserve all the applause.

We would also like to thank the team of Doctors who visited the Orphan Home today and did their part for this noble cause.
