EVENT REPORT ON NATION WANTS TO KNOW BY TRANSCENDENT

DATE: 26-02-2020

MODE: Offline

PARTICIPANTS: 46

DESCRIPTION:

Diplomacy always means true facts unrevealed and ambiguity unresolved. On numerous occasions, well-known personalities diplomatically answer or tactfully sidetrack the topic of discussion when questioned about a sensitive issue. This can be irksome and confounding, because a concrete answer can not be possibly drawn out of them!

The Nation Wants To Know, is one such event where one can battle guileful minds with your wits. The participants interviewed an impersonator of a famed but dodgy public-figure with a dubious past. The task was to cleverly interrogate them and draw out the answer you want amidst all the ambiguity.

EVENT REPORT ON SHRUTHI NEWSLETTER 2020 BY TRANSCENDENT

DATE: 26-02-2020

MODE: Offline

READERS: 4000

DESCRIPTION:

Abiding by the theme 'Innovation' that year, we made some fresh additions and changes to Transcendent in many facets. Starting with our exuberant Instagram page with an appealing wall, to conducting collaborative workshops and a string of online contests with as many 'right-write' puns we could use, we have come a long way. Our motto was to extend our reach to all the writing en-thusiasts out there and network with those of our ilk. It was delightful to have received a spirited response to all the novel ideas we have implemented. It was with carefully devised ideas and utmost dedication to Transcendent, that every one of us executed our respective tasks to collaborate and magnify its cachet. The magazine contained department wise articles such as news, sports, business and entertainment, it also featured an art page featuring the best art work of CBITians.

EVENT REPORT ON CBITMUN COVID SPECIAL SUMMIT 13th May 2020

In the time when our societies were being severely tested, covid-19 has put the lives of billions of people around the globe in turmoil, inflicting grave suffering and destabilizing the global economy. It has exposed the fragility of our societies and economies to shocks, and it has laid bare deep inequalities that threaten the achievement of the Sustainable Development Goals.

The only answer is brave, visionary and collaborative leadership. The scale and complexity of this crisis demand a coordinated global response. With that being said, we believe this Summit has the ability to drive people to create a better world with creative solutions for the people who live in it.

Extraordinary times required extraordinary measures. The Covid Special Summit was presided by Shri. Revannth Vedala, Secretary General of CBITMUN'17, and the event saw an active participation of 70 students from various colleges who took up the roles of distinguished Heads of the States, Observers and Press.

EVENT REPORT YOUNG LEADERS' PROGRAM - 2019

CBITMUN, since its inception, has been more than just a conference. We are not only known for our conference quality but also for our innovative ways to give students a platform to voice their opinions and provide them with unique opportunities to grow as an individual.

Standing by our theme Diplomacy and Beyond, we reintroduced the Young Leaders' Program. An exclusive opportunity to experience the conference from the perspective of the Executive Board. Under this initiative, we give an opportunity to students from eight to tenth grade to be a director of one of our committees.

Every applicant was unique in their own way and made it extremely difficult for us to pick out a winner. But after countless hours of discussions **Ishaan Poddar** was selected as the young leader for CBITMUN 2019.

Ishaan had the opportunity to sit on the Executive Board of the committee of his choice which was the UNSC as its director. An apt testimony for what we promised this year.

EVENT REPORT ON CBITMUN 2019

20th-22nd September' 2019

Back in 2011, CBITMUN club was started by a group of debate enthusiasts with the motto to set up, encourage and endorse Model United Nations Conferences in the city of Hyderabad. It was a Model UN Initiative for the first time of its level in the city of Hyderabad under the Literary Club of CBIT, Communicando. As the years passed, it has not only succeeded in conducting world class conferences every year but has been witnessing a sharp increase in the number of participants with every edition. Since its inception the club has stood for the quality of debate and hospitality it delivers during the conference.

CBITMUN 2019 poster

The ninth edition, conducted from 20th to the 22nd of September 2019, went on to become one of the finest editions with an outstanding delegate count of 250. The venue being the prestigious Chaitanya Bharathi Institute of Technology, instilled a sense of home in the minds of the delegates and the Organizing Committee. The quality of the Executive Board grabbed attention from throughout India and stood out as the showstopper of the edition. It was incomparable to any other Model UN happening at the time and was most talked about in the circuit. For three days, delegates of all committees were engrossed in debating while the organizing committee ensured the delegates' comfort at all times.

Delegates in action

Each of the committees discuss on agendas which are under their mandate or jurisdiction. This year, we have simulated six different councils, which are:

- 1)UNGA-Disarmament and International Security
- 2)United Nations Human Rights Council
- 3)Lok Sabha
- 4)United Nations Security Council
- 5)North Atlantic Treaty Organization
- 6)Futuristic Crisis Committee

Committees simulated at CBITMUN'19

In line with the theme "Embracing the evolution", the Organizing Committee worked day and night to make sure the evolution was embraced graciously. The Social Responsibility Department of CBITMUN joined hands to help the orphans through the 'Donation Drive' where the volunteers collected clothes, food, books and other basic necessities. This initiative was taken up with a motive of taking CBITMUN beyond the intense discussions and debating.

The Young Leaders' Program also stands as an important aspect where we give school students the opportunity to experience the conference from the eyes of the Executive Board. This year, Ishaan Poddar was given a chance to sit on the executive board of the Security Council under the Young Leaders' Program. He did exceedingly well, gaining appreciation from the delegates as well as the organizers.

Inaugural Ceremony

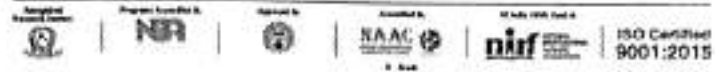

As the event has been organized in collaboration with the United Nations Information Centre for India and Bhutan, the certificates handed over to the Delegates and the Organizing Committee hold great value and importance. Adding to the assets, the winners have been rewarded with cash prizes of Rs.20,000 per committee, higher than any other edition of CBITMUN. The Best Delegation trophy at the conference continued to shine as a testament to the glory and honour, the MUN is known for. Thus, with its ninth edition, CBITMUN continues to rewrite history by growing bigger and better.

EVENT REPORT ON CBITMUN 2019

20th-22nd September' 2019

Back in 2011, CBITMUN club was started by a group of debate enthusiasts with the motto to set up, encourage and endorse Model United Nations Conferences in the city of Hyderabad. It was a Model UN Initiative for the first time of its level in the city of Hyderabad under the Literary Club of CBIT, Communicando. As the years passed, it has not only succeeded in conducting world class conferences every year but has been witnessing a sharp increase in the number of participants with every edition. Since its inception the club has stood for the quality of debate and hospitality it delivers during the conference.

The ninth edition, conducted from 20th to the 22nd of September 2019, went on to become one of the finest editions with an outstanding delegate count of 250. The venue being the prestigious Chaitanya Bharathi Institute of Technology, instilled a sense of home in the minds of the delegates and the Organizing Committee. The quality of the Executive Board grabbed attention from throughout India and stood out as the showstopper of the edition. It was incomparable to any other Model UN happening at the time and was most talked about in the circuit. For three days, delegates of all committees were engrossed in debating while the organizing committee ensured the delegates' comfort at all times.

Delegates in action

Each of the committees discuss on agendas which are under their mandate or jurisdiction. This year, we have simulated six different councils, which are:

- 1) UNGA-Disarmament and International Security
- 2) United Nations Human Rights Council
- 3) Lok Sabha
- 4) United Nations Security Council
- 5) North Atlantic Treaty Organization
- 6) Futuristic Crisis Committee

Committees simulated at CBITMUN'19

In line with the theme "Embracing the evolution", the Organizing Committee worked day and night to make sure the evolution was embraced graciously. The Social Responsibility Department of CBITMUN joined hands to help the orphans through the 'Donation Drive' where the volunteers collected clothes, food, books and other basic necessities. This initiative was taken up with a motive of taking CBITMUN beyond the intense discussions and debating.

The Young Leaders' Program also stands as an important aspect where we give school students the opportunity to experience the conference from the eyes of the Executive Board. This year, Ishaan Poddar was given a chance to sit on the executive board of the Security Council under the Young Leaders' Program. He did exceedingly well, gaining appreciation from the delegates as well as the organizers.

Inaugural Ceremony

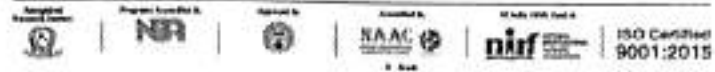

As the event has been organized in collaboration with the United Nations Information Centre for India and Bhutan, the certificates handed over to the Delegates and the Organizing Committee hold great value and importance. Adding to the assets, the winners have been rewarded with cash prizes of Rs.20,000 per committee, higher than any other edition of CBITMUN. The Best Delegation trophy at the conference continued to shine as a testament to the glory and honour, the MUN is known for. Thus, with its ninth edition, CBITMUN continues to rewrite history by growing bigger and better.

EVENT REPORT ON CBITMUN 2019

20th-22nd September' 2019

Back in 2011, CBITMUN club was started by a group of debate enthusiasts with the motto to set up, encourage and endorse Model United Nations Conferences in the city of Hyderabad. It was a Model UN Initiative for the first time of its level in the city of Hyderabad under the Literary Club of CBIT, Communicando. As the years passed, it has not only succeeded in conducting world class conferences every year but has been witnessing a sharp increase in the number of participants with every edition. Since its inception the club has stood for the quality of debate and hospitality it delivers during the conference.

The ninth edition, conducted from 20th to the 22nd of September 2019, went on to become one of the finest editions with an outstanding delegate count of 250. The venue being the prestigious Chaitanya Bharathi Institute of Technology, instilled a sense of home in the minds of the delegates and the Organizing Committee. The quality of the Executive Board grabbed attention from throughout India and stood out as the showstopper of the edition. It was incomparable to any other Model UN happening at the time and was most talked about in the circuit. For three days, delegates of all committees were engrossed in debating while the organizing committee ensured the delegates' comfort at all times.

Delegates in action

Each of the committees discuss on agendas which are under their mandate or jurisdiction. This year, we have simulated six different councils, which are:

- 1) UNGA-Disarmament and International Security
- 2) United Nations Human Rights Council
- 3) Lok Sabha
- 4) United Nations Security Council
- 5) North Atlantic Treaty Organization
- 6) Futuristic Crisis Committee

Committees simulated at CBITMUN'19

In line with the theme "Embracing the evolution", the Organizing Committee worked day and night to make sure the evolution was embraced graciously. The Social Responsibility Department of CBITMUN joined hands to help the orphans through the 'Donation Drive' where the volunteers collected clothes, food, books and other basic necessities. This initiative was taken up with a motive of taking CBITMUN beyond the intense discussions and debating.

The Young Leaders' Program also stands as an important aspect where we give school students the opportunity to experience the conference from the eyes of the Executive Board. This year, Ishaan Poddar was given a chance to sit on the executive board of the Security Council under the Young Leaders' Program. He did exceedingly well, gaining appreciation from the delegates as well as the organizers.

Inaugural Ceremony

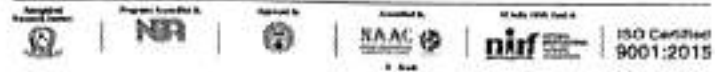

As the event has been organized in collaboration with the United Nations Information Centre for India and Bhutan, the certificates handed over to the Delegates and the Organizing Committee hold great value and importance. Adding to the assets, the winners have been rewarded with cash prizes of Rs.20,000 per committee, higher than any other edition of CBITMUN. The Best Delegation trophy at the conference continued to shine as a testament to the glory and honour, the MUN is known for. Thus, with its ninth edition, CBITMUN continues to rewrite history by growing bigger and better.

EVENT REPORT ON YOUTH PARLIAMENT BY CBITMUN

On the **26th of February, 2020**, CBIT witnessed the successful rendition of the 'Youth Parliament'- the very first of its kind event in CBIT. This event was organized by the CBITMUN club based on the guidelines issued by the AICTE in accordance with the 'National Youth Parliament Competition' initiative by the Ministry of Parliamentary Affairs. A Youth Parliament is a simulation of the parliamentary procedures of the country which essentially provides an opportunity for the students to learn better about this subject through active participation.

The main objective behind this initiative by the Ministry of Parliamentary Affairs is to 'strengthen the roots of Parliamentary democracy, inculcate healthy habits of discipline, tolerance of the views of others and to enable the student community to know about the parliamentary system of Government functioning.' It is indeed a matter of great pride for us that CBIT has been able to stand true to this objective and the event has been successful in creating awareness among the students about the same.

The Youth Parliament witnessed a turnout of 45 students, limited only by the guidelines of AICTE which pronounced the maximum number of participants to be no greater than 40-45 students, and actively discussed the agenda- 'Discussion on the role of individual parties in the de-criminalization of Politics.' The debate was an intriguing medley of a wide variety of views put forth by the students who were role-playing as our eminent leaders which contributed greatly to the success of the event.

EVENT REPORT ON CBITMUN COVID SPECIAL SUMMIT 13th May 2020

In the time when our societies were being severely tested, covid-19 has put the lives of billions of people around the globe in turmoil, inflicting grave suffering and destabilizing the global economy. It has exposed the fragility of our societies and economies to shocks, and it has laid bare deep inequalities that threaten the achievement of the Sustainable Development Goals.

The only answer is brave, visionary and collaborative leadership. The scale and complexity of this crisis demand a coordinated global response. With that being said, we believe this Summit has the ability to drive people to create a better world with creative solutions for the people who live in it.

Extraordinary times required extraordinary measures. The Covid Special Summit was presided by Shri. Revannth Vedala, Secretary General of CBITMUN'17, and the event saw an active participation of 70 students from various colleges who took up the roles of distinguished Heads of the States, Observers and Press.
