Yoga is an ancient physical, mental and spiritual practice that originated in India. The word 'yoga' derives from Sanskrit and means to join or to unite, symbolizing the union of body and consciousness. It embodies unity of mind and body, thought and action, restraint and fulfilment, harmony between man and nature, a holistic approach to health and well-being. The International Day of Yoga aims to raise awareness worldwide of the many benefits of practicing yoga. Yoga has been beneficial in keeping the body and mind in sound health. A holistic approach, Yoga targets all the different systems of the body and mind. It is said that the asanas make the body strong and flexible, as health improves, the mind too is renewed with confidence. The practice of Pranayama regulates the purification of the internal system and the organs, acting as a superior and able supplement to asanas. The energy that is generated in the body through these physical practices is then channelled into meditation or Dhyan for stability, peace and calm.

As you are aware, the International Day of Yoga (IDY) is celebrated every year on 21st June. This year it is aimed to bring more people into the fold of the activities of IDY-2022 by spreading the benefits of yoga.

LIST OF EVENTS:

CONNECT THE DOTS

In this event, the participants will be randomly grouped into a team and will be asked to create stories based on the illustrations provided by their team members. The participants' imaginative thinking, creative thinking, and storytelling abilities are put to the test in this event whilst encouraging teamwork and networking.

OFF THE CUFF

Speaking on the go is one of the most important skills for effective communication. Hence the event "Off the cuff". The participants will be given a topic related to the festival's theme and will have a few minutes to speak on it. While it may seem intimidating and not as glamorous as a well-prepared speech, it's an essential skill to master. This is a great opportunity for the participants to excel and grow together.

HUNT IT OUT

A treasure hunt in which participants are given riddles to unravel, with the answers directing them to the next clue, ultimately leading them to the treasure. This event is primarily intended to put participants' critical thinking to the test while also encouraging them to have fun.

LIST OF EVENTS:

CONNECT THE DOTS

In this event, the participants will be randomly grouped into a team and will be asked to create stories based on the illustrations provided by their team members. The participants' imaginative thinking, creative thinking, and storytelling abilities are put to the test in this event whilst encouraging teamwork and networking.

OFF THE CUFF

Speaking on the go is one of the most important skills for effective communication. Hence the event "Off the cuff". The participants will be given a topic related to the festival's theme and will have a few minutes to speak on it. While it may seem intimidating and not as glamorous as a well-prepared speech, it's an essential skill to master. This is a great opportunity for the participants to excel and grow together.

HUNT IT OUT

A treasure hunt in which participants are given riddles to unravel, with the answers directing them to the next clue, ultimately leading them to the treasure. This event is primarily intended to put participants' critical thinking to the test while also encouraging them to have fun.

EVENT REPORT ON CONNECT THE DOTS

Event Name: Connect The Dots

Date: 25-03-2022

Venue: Soft Skills Lab 4, M Block, CBIT, Hyderabad

Time: 12:00 PM

Number of Participants: 46

About the event:

"Connect the dots" was an individual event which was very similar to the game of 'BINGO' where you are given a 5x5 grid filled with numbers ranging from 1-25 however, here the twist was that the grids don't contain numbers instead they contain tasks! This means that to cross out a row,diagonal or column, the participants have to finish all the tasks that are mentioned in it. An extra layer of complexity was added to the game wherein at the beginning of each game the participants have to roll a pair of dice and must add the numbers which they get. Now they have to make sure that the row,diagonal or column of tasks that they cross out should contain the sum of the two numbers received from the dice and they have to finish it in as little time as possible.

Mr. K Naveen Kumar
Faculty Coordinator, Toastmasters CBIT

Chaitanya Bharathi Institute of Technology (A) Gandipet, Hyderabad-75.

This event tests the quick thinking and planning of the participants because they must decide on the optimum order of tasks based on the sum that they get, in order to finish all the tasks in the least amount of time and to stand a chance to win the event. This event proved to be an extremely competitive yet exciting event with the participants enjoying themselves thoroughly.

Winners:

Winner: Adithya Battu
1st Runner up: Gundu Dhanush
2nd Runner up: Kavya Chowdary

Outcome:
This event encouraged a lot of people to put their quick thinking to test.

[illegible]

A mother tongue, they say, is the first language that you learned as a child. It is one that you can never truly forget. One that sings with your soul, one that resonates within your bones. Then how is it that I can never seem to remember more than a few words of it at a time? Then how is it that it is my worst language even if it is indeed the first one, I learned? What is it that I have done wrong, that others are clearly getting right? Why is it that I forget, that I stutter while others slip into it even while consciously making an effort to speak a different tongue? How is it that when I speak it, natives ask me, "where are you from?" When did I go from knowing only my mother tongue to not knowing how to speak it, how to read it, how to write it? Why is it that when I speak a different tongue, a foreign tongue, those around me start to feel uncomfortable and begin to do the same? Why is it that I, someone who has the audacity to forget her mother tongue, must continually remind those around her that it is not shameful to speak your mother tongue? That it is, in fact, a matter of great pride.

Dheemi si yeh hawaayein,
Na jaane tehniyon se kya keh rahe hai,
Neelam se biche aasman mein
Jaise maqmal, baadal fisal rahe hai,
Anjaani si inn raahon par
Na jaane kab manziloin dikhlaenge,
Dilkash si iss justajoo mein
Na jaane kab apne aap se roobaru ho paayenge.
Jab tak woh waqt aaye,
Chalo baatein karein,
Woh kisse jo apne aap se bhi kabhi chupaye ho
Ansuni woh kahaniya jisne aapko kabhi rulaya ho,
Chalo baatein karein,
Woh khamoshi ke alfaazon mein
Aur doobte rahe, yaadon ki iss bahar mein. ishq kitna chota alfaz hai
hatein kitni sari
khaniyaan likh gaye hain shaer
magar sari purani
abb mann hai hai shaukh nahi
dar hai bass dono mein bhi
bass lafz hai ek, dow nahi
kafi hai hai dow ke liye bhi
magar kya karein ye duriyoon ka
Jan aur mai na kya karun
Akela doob raha hun

afsoos kisi ka bhi nahi banaun
Lagtey hai duniyaan ney akelo
maanga tha sati
Koi nahi hai kya kachewal
jisey apna bulaoon
Dil kuhta hai achey soy
apna khalam na utheaun
Sarz kehta hai karo apna churaon
Tah dobara bolta hun

ABOUT THE EVENT

The flagship event of our club – 'Say It Out Loud 2.0', was organized during the cultural fest 'Shruthi' on a stretch of two days, wherein we had students at the stage for the first day, and a second day dedicated to the words of our faculty. We had contestants reading out their masterpieces in Hindi, Urdu, Telugu and English; all uniquely creative and heartfelt to their extents. Adding to this, our judges too portrayed their talents at the end of the event, with Smt. Kratika Sharma singing both forwards and backwards, and Dr. Vanitha expressing her gratitude to be the audience of our performers.

All participants were given 3- 5 minutes for reciting their poetry. The theme for poetry was "Amaranthine" which means ever-lasting.

Time: 11 AM

Aim of the Event	It was gig night again on the 1st of May when CBIT's instrumentalists club, Chaitanya Vaadya hosted its very own edition of an Open Mic. The event, known as Live Lounge, aimed to get talent from across the city on a single platform to have an afternoon of camaraderie and reconnect with music, while serving as an escape from the reins of the raging Covid-19 pandemic, from the safety of one's own home.

Overview: The event, known as Live Lounge, aimed to get talent from across the city on a single platform to have an afternoon of camaraderie and reconnect with music, while serving as an escape from the reins of the raging Covid-19 pandemic, from the safety of one's own home.

Outcome of the Session: The event, spread over three hours, was a success with over 50+ registrations and a prodigious number of viewers on its YouTube live stream. From self-composed songs to classics, rap performances and even beat boxing, the event was a mixed bag. What was even more enrapturing to see was the diverse age of artists performing, with the youngest being in the second standard to the oldest, a home maker. With views, contacts and social media handles exchanged, connections to last a lifetime were made.

Target Participants: Any interested student from Chaitanya Geethi and Chaitanya Vaadya

A BRIEF REPORT ON ALL AROUND LITERATURE

Name of the Event	All Around Literature
Date and Time	26.04.2022, 12 PM onwards
Link/ Venue	Assembly Hall, CBIT, Hyderabad

Overview of the Event:

"All Around Literature" was the last monthly group event conducted by the Literary Club of CBIT - Communicando on 26th April 2022. This event took place in the assembly hall above the canteen throughout the day. This event was promoted through social media platforms on WhatsApp, Instagram, and verbal conversation. This event comprises three very dynamic forms of representation of literary works, namely Reading, Writing, and Play.

Reading: To all the books I've loved before

Writing: Yours Sincerely

Play: Julius Caesar - Immersive Theatre Edition

The event started out with a book donation drive on the 20th of April, the team was open to receiving books from everyone on the campus, for the duration of the work week.

With the diverse collection that was received by the 25th, the book fair was hosted, titled "TO ALL THE BOOKS I'VE LOVED BEFORE" for the entire day on the 26th of April. The turnout was pretty good and a lot of people loved reading those books.

Coming to the second event "Yours Sincerely" was a writing competition that was held where the audience would write a letter to their favourite author and the best letter would win. The third and the showstopper of the event that ended on a good note was the Julius Caesar-Immersive Theatre Edition play, where there was a very large turnout and was the very first theatrical act of the club. The play was very much appreciated and the event ended with a big round of applause from the audience. Everyone left with a smile and a thought in their mind that Events like this must be continued and be done every year.

Outcome of the event	A total of 60 participants took part in the event. The theatre play of the event had received immense and wonderful response

A BRIEF REPORT ON
MR & MISS LITERATI

Name of the Event	Mr & Miss Literati
Date and Time	25.03.2022, 10 AM onwards
Link/ Venue	Assembly Hall, CBIT, Hyderabad

Overview of the Event:

Adhering to its traditions of creating the best possible platform for students to test their wit, innovation, and novelty, the event MR & MISS LITERATI was conducted by Communicando - the literary club of CBIT. With over 263 participants registering from different colleges, its various rounds of qualification excellently catered to the inquisitive and expressive nature of the students. In the first round, the participants had to argue against a given topic for a given duration of time, not only testing their convincing abilities but also their time efficiency and debating skills. The second round, in which they had to give an electoral speech based on a set of pictures provided to them in a fixed amount of time, tested their panache, creativity, and their ability to perform under pressure. The last and final round, which was an interview, was the most in-depth and extensive exploration of their character, desires, goals, motivations, strengths, and weaknesses. It also examined our problem-solving ability, as we were asked to provide solutions to a diverse set of problems under an equally diverse set of circumstances. All the participants were judged by the coordinators of the club on criteria like wit, creativity, ability to perform under pressure, etc. The best of all the participants were announced as the winners and were crowned as Mr. Literati and Miss Literati during the closing ceremony.

A BRIEF REPORT ON WHODUNNIT

Name of the Event	Whodunnit
Date and Time	25.03.2022, 1 PM onwards
Link/ Venue	Assembly Hall, CBIT, Hyderabad

Overview of the Event:

Team communicando was back live with its most iconic event - Whodunnit? as part of the XII edition of literati to once again bring out the innate detectives in CBITians by putting them in the midst of a mind-boggling crime thriller. The publicity for the event was done through two main channels, one being an aggressive campaign on various social media platforms and the other being an offline word of mouth campaign. The game was a classic Murder mystery where the objective of the participants was to determine the killer from a list of suspects. This was executed by showing the participants an enactment of the crime on the stage and giving the participants a bunch of related riddles and puzzles to solve at various intervals to really get their deductive gears turning for the finale. To evaluate and eliminate, the game was divided into two rounds based on the difficulty of the riddles presented to the participants. The first round consisted of some fun and relatively easy riddles and trivia. Depending on their scores in the first round, the 220 participants then trickled down to a 30 for the second round. Now along with solving an intense set of riddles, the participants also had to define a motive for the prime suspect they named for the crime.

Prize: Winner - ₹1500

Event Report - CBITMUN ICC 2022

27th & 28th August

CBITMUN club was started in 2011 by a group of debate enthusiasts with the motto to set up, encourage and endorse Model United Nations Conferences in Hyderabad. It was a Model UN Initiative for the first time at its level in the city of Hyderabad
For over eleven years now, CBITMUN has not only succeeded in conducting world-class conferences every year but has been upholding traditions and delivering indelible imprints by orchestrating the Model UN culture in the entirety of Southern India. The club has always stood for the quality of debate and hospitality it delivers during the conference. We have pursued the idea of excellence in every effort of ours in nurturing youth to become the next generation leaders of the highest caliber.

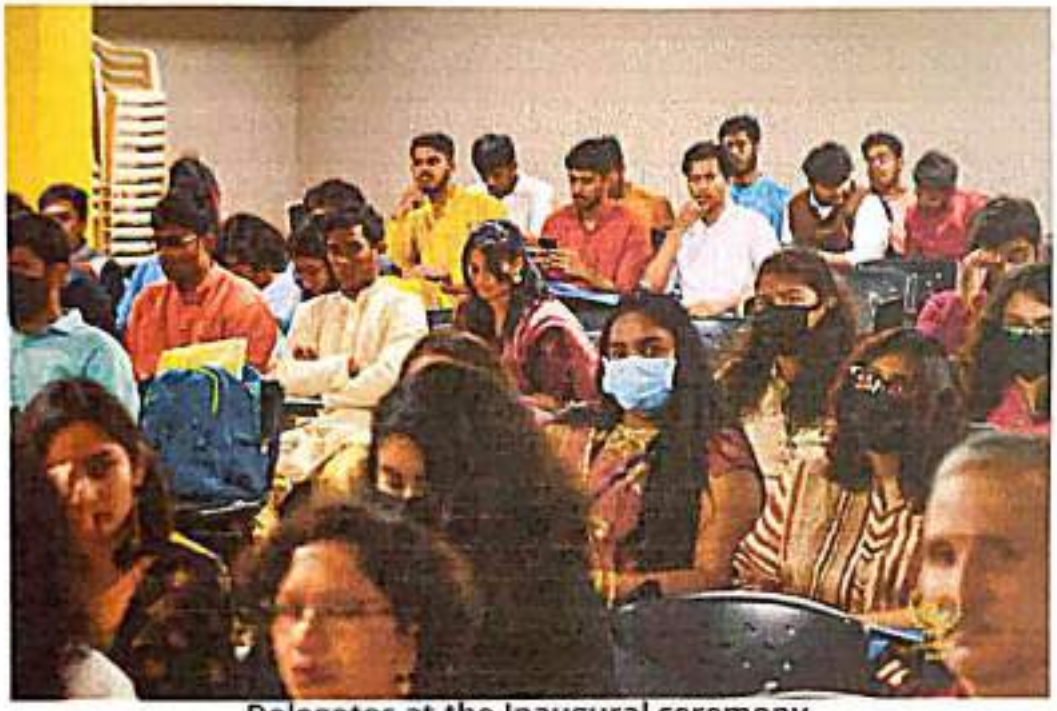

After redefining the legacy and organizing one of the biggest offline conferences post-pandemic in May 2022, CBITMUN organized the CBIT Inter-Collegiate Conference 2022 on the 27th and 28th of August in Chaitanya Bharati Institute of Technology. The event was approved by the institute under SPICES mandated by AICTE.

Lighting the lamp at the Inaugural Ceremony

The Inaugural Ceremony took place in the CSE Seminar Hall at 10 AM on 27th August and the committee sessions started at 11 AM in the Assembly Hall and Placement Cell. Two high-octane international committees operated on high debating spirits and enthusiasm. Delegates showcased some exquisite diplomacy and public policy intellect and the chairpersons pivoted the committees at a moderated pace. The committees resulted in intricate documentation pertaining to the agendas and viable solutions were deliberated upon. The hospitality of the delegates has always been our first priority and we, the team of CBITMUN, were successful in meeting all the necessary requirements of the delegates.

The first committee simulated was UNGA-DISEC (United Nations General Assembly - Disarmament and International Security Committee), with the agenda

"Deliberation on the situation in Israel-Palestine in view of the recent developments". All the delegates were involved actively in discussing and putting across solutions to resolve the conflict in Israel-Palestine. The committee also had a crisis situation which was mitigated after some discussion. A Tri-lateral agreement was the concluding document in UNGA-DISEC.

The second committee simulated was the UNHRC (United Nations Human Rights Council), with the agenda "Discussion on human rights violations in conflicted regions with special emphasis on censorship and press freedom". Joint agreements were signed by the delegates of various countries in the UNHRC.

We had a footfall of over 70 participants from and outside CBIT. The cash pool is INR 14,000 for both committees.

After 2 days of intense and intriguing debate across the committees, the conference ended with the declaration of the awards in the closing ceremony. 5 awards were given in UNGA-DISEC and 7 awards in UNHRC. The closing ceremony concluded with announcements of the next junior team of CBITMUN, i.e. Secretariat 2022, and the next Senior team, i.e. the Core Committee of 2022.

Event Report - CBITMUN ICC 2022

27th & 28th August

CBITMUN club was started in 2011 by a group of debate enthusiasts with the motto to set up, encourage and endorse Model United Nations Conferences in Hyderabad. It was a Model UN Initiative for the first time at its level in the city of Hyderabad
For over eleven years now, CBITMUN has not only succeeded in conducting world-class conferences every year but has been upholding traditions and delivering indelible imprints by orchestrating the Model UN culture in the entirety of Southern India. The club has always stood for the quality of debate and hospitality it delivers during the conference. We have pursued the idea of excellence in every effort of ours in nurturing youth to become the next generation leaders of the highest caliber.

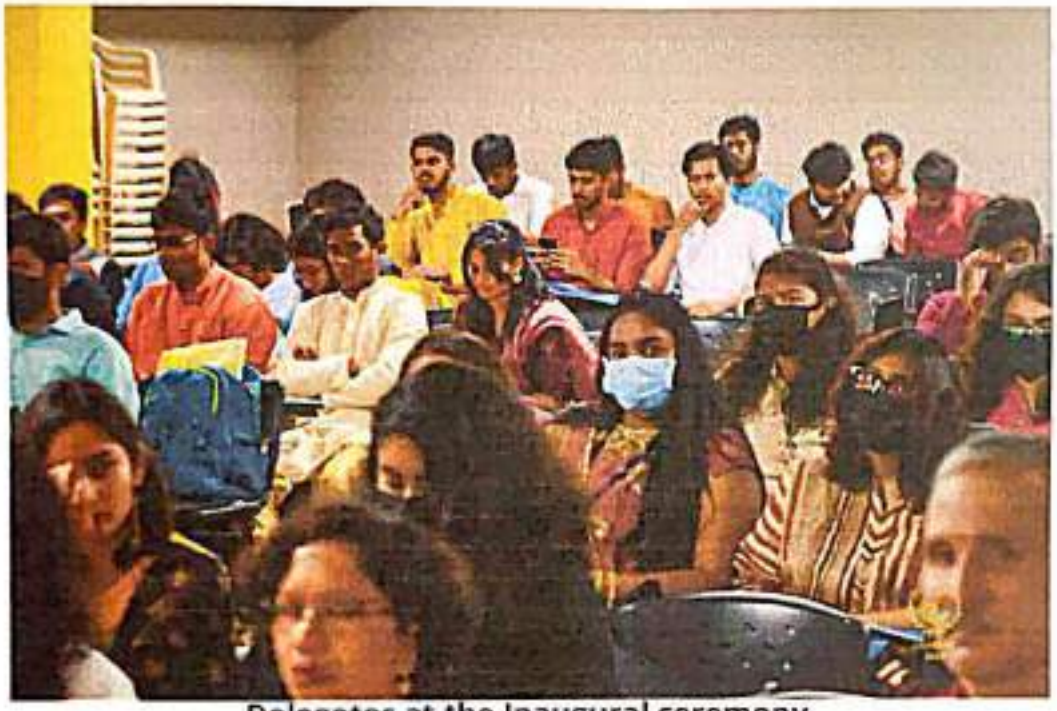

After redefining the legacy and organizing one of the biggest offline conferences post-pandemic in May 2022, CBITMUN organized the CBIT Inter-Collegiate Conference 2022 on the 27th and 28th of August in Chaitanya Bharati Institute of Technology. The event was approved by the institute under SPICES mandated by AICTE.

Lighting the lamp at the Inaugural Ceremony

The Inaugural Ceremony took place in the CSE Seminar Hall at 10 AM on 27th August and the committee sessions started at 11 AM in the Assembly Hall and Placement Cell. Two high-octane international committees operated on high debating spirits and enthusiasm. Delegates showcased some exquisite diplomacy and public policy intellect and the chairpersons pivoted the committees at a moderated pace. The committees resulted in intricate documentation pertaining to the agendas and viable solutions were deliberated upon. The hospitality of the delegates has always been our first priority and we, the team of CBITMUN, were successful in meeting all the necessary requirements of the delegates.

The first committee simulated was UNGA-DISEC (United Nations General Assembly - Disarmament and International Security Committee), with the agenda

"Deliberation on the situation in Israel-Palestine in view of the recent developments". All the delegates were involved actively in discussing and putting across solutions to resolve the conflict in Israel-Palestine. The committee also had a crisis situation which was mitigated after some discussion. A Tri-lateral agreement was the concluding document in UNGA-DISEC.

The second committee simulated was the UNHRC (United Nations Human Rights Council), with the agenda "Discussion on human rights violations in conflicted regions with special emphasis on censorship and press freedom". Joint agreements were signed by the delegates of various countries in the UNHRC.

We had a footfall of over 70 participants from and outside CBIT. The cash pool is INR 14,000 for both committees.

After 2 days of intense and intriguing debate across the committees, the conference ended with the declaration of the awards in the closing ceremony. 5 awards were given in UNGA-DISEC and 7 awards in UNHRC. The closing ceremony concluded with announcements of the next junior team of CBITMUN, i.e. Secretariat 2022, and the next Senior team, i.e. the Core Committee of 2022.

HISTORIC CRISIS COMMITTEE (HCC)

The Historic Crisis Committee is the most intimate, imaginative, and crisis-oriented committee. The Historical Committee is a continuous crisis committee, making it quite different from other committees. The committee saw 20 extremely talented debaters go at each other.

The committee witnessed discussions on the ongoing Russia-Ukraine Conflict and solutions to the crisis were chalked out. The 15 delegates passed real-life resolutions outlining the solutions to the crisis at hand.

UNITED NATIONS GENERAL ASSEMBLY _ SOCIAL, HUMANITARIAN AND CULTURAL COMMITTEE (UNGA SOCHUM)

The Social, Humanitarian and Cultural (SOCHUM), also the third committee of the United Nations General Assembly (UNGA), considered a variety of issues ranging from social, humanitarian affairs, and human rights issues of all people around the world. The 70 delegates voiced their opinions and concerns over the present Human Rights Violations across the world.

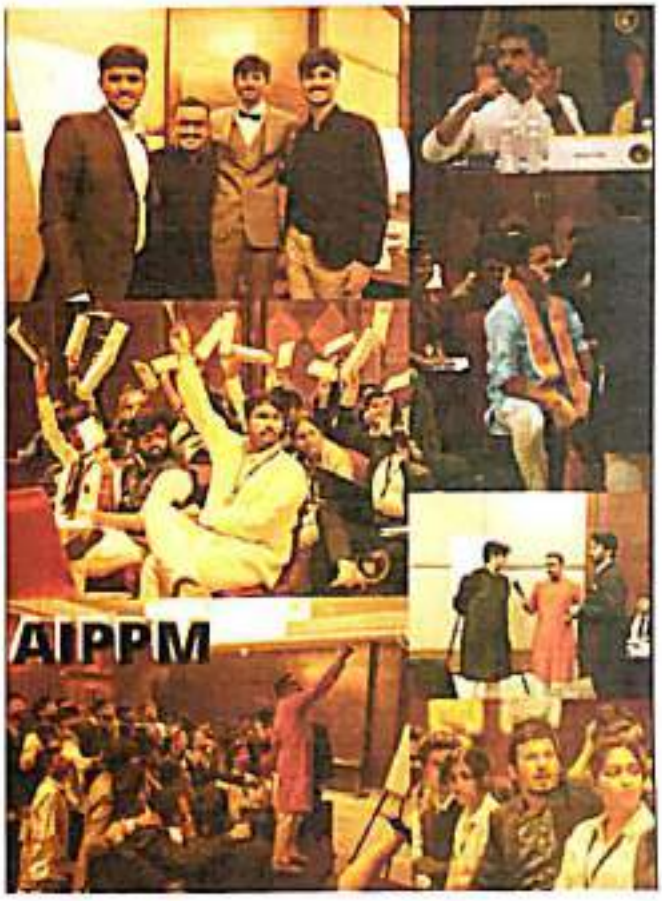

INTERNATIONAL MONETARY FUND

The International Monetary Fund is an international fund that works for the benefit of maintaining a balance of payments, exchange stability, and international trade and promotes higher employment rates and real income for all its member states. The 65 member Committee saw an active debate on the effect of COVID-19 on the economies of nations. IMF came up with solutions to get the global economy back on track post the pandemic.

ALL INDIA POLITICAL PARTIES MEET (AIPPM)

CBITMUN's All India Political Parties Meet (AIPPM) is one of its largest and the most explosive committees in terms of debate quality and exposure. This is a simulation of an Indian Committee wherein the delegates represent politicians of different parties from across the political spectrum. Students deliberated and debated over issues of national relevance and came up with optimal solutions. The committee had a footfall of 55 delegates who played the role of veteran leaders to perfection.

INTERNATIONAL PRESS (IP)

Members of the IP

The International Press allowed the participants to act as unbiased journalists, reporting on the proceedings of each simulation in the conference. The journalists questioned the delegates about the current global stance of their respective countries. The International Press played a crucial role in documenting the proceedings of every committee along with the end document with possible solutions and curated the official Newsletter for the conference Aletheia.

CLOSING CEREMONY

Team CBITMUN 2022

After 3 days of intense and intriguing debate across all committees, the conference ended with the declaration of the awards in the closing ceremony. EVENT REPORT

SOCIAL RESPONSIBILITY DEPARTMENT - 23 APRIL 2022

CBITMUN consists of a Social Responsibility Department (SRD) which collaborates with NGOs every year to work for the underprivileged. The SRD event served as a goodwill gesture preceding the CBITMUN conference. We, the team of CBITMUN have started a Donation Drive simultaneously with the registration of CBITMUN conference, and the proceeds of this Drive were donated as part of the SRD event. This year, We collaborated with Hope of Life Foundation, a generous organization which serves the lower rungs of the society. We visited Govt High School, Vijaya Nagar Colony on 23rd of April for the same.

Students of Govt High School

There were around 25 students, majority of them orphans residing in the Govt School. We have interacted with the students and attempted to get to know their dreams and aspirations. Following the 2 hours of interaction with the students, we served them lunch.

We then interacted with the team of Hope for Life Foundation and reaffirmed our commitment to serving the cause of the Society. The event also served as a reminder of the simple priorities of the underprivileged children.

EVENT REPORT ON COLLOQUY - 26th January 2022

CBITMUN is the first Model United Nations initiative of its level in Hyderabad. It has successfully held and led 10 editions which saw extensive participation both nationally and internationally. On the occasion of the **73rd Republic Day**, CBIT Model United Nations conducted its first edition of Panel talk **Colloquy** on the topic **"Indic Renaissance - Reviving India's lost heritage for the future generations"**. The eminent panelists were **Prof. Abhinav Kumar, Shri. Gauranga Das, Dr. Sampadananda Mishra,** and **Smt. Monica Reddy** who rekindled the essence of Indic culture and heritage amongst the audience under the ingenious moderation of **Mr. Naman Vankdari**. The event was held in an **Online Mode** and witnessed a gigantic response of over **430+ active participants** under the guidance of the Principal Dr. P. Ravinder Reddy, Director of Student Affairs and Progression, Sri. Sreenivas Sarma, Joint Director of Student Affairs, Dr. K. Jagannadha Rao and CBITMUN's faculty coordinator Dr. Shagufta Parween.

Given the shrinking space for Indic thought, values and worldview, it is imperative to channel Indic aspirations and energies in the right direction. Cognizance of youth towards the importance of reviving age-old traditions and coherence of modernity with Indic culture were few of the takeaways. Post the talk, the panel took questions from the audience.

LIST OF EVENTS:

CONNECT THE DOTS

In this event, the participants will be randomly grouped into a team and will be asked to create stories based on the illustrations provided by their team members. The participants' imaginative thinking, creative thinking, and storytelling abilities are put to the test in this event whilst encouraging teamwork and networking.

OFF THE CUFF

Speaking on the go is one of the most important skills for effective communication. Hence the event "Off the cuff". The participants will be given a topic related to the festival's theme and will have a few minutes to speak on it. While it may seem intimidating and not as glamorous as a well-prepared speech, it's an essential skill to master. This is a great opportunity for the participants to excel and grow together.

HUNT IT OUT

A treasure hunt in which participants are given riddles to unravel, with the answers directing them to the next clue, ultimately leading them to the treasure. This event is primarily intended to put participants' critical thinking to the test while also encouraging them to have fun.

EVENT REPORT ON METANOIA

Event Name: Metanoia

Date: 08-01-2022

Venue: Online (Live streamed on Youtube)

Youtube Link: https://youtu.be/YYOXi7Fhejs

Time: 5:30PM

Number of Registrations: 289

Number of Participants: 104

Theme: LGBTQIA+ community

Speakers:

Mx Ria Sharma (LGBTQIA+ activist, TedX speaker)
Mr Ashish Chopra (Co-founder of BeUnic, Talent Sourcer at Google)

Mr. K Naveen Kumar
Faculty Coordinator, Toastmasters CBIT

Chaitanya Bharathi Institute of Technology (A) Gandipet, Hyderabad-75.

About the event:

Metanoia means "The journey of changing one's mind, heart and way of life". Although most of the Indian youth is aware of and support LGBTQIA+ rights, they still face difficulty to openly embrace their sexuality in the confines of their surroundings. But in the last few years, the country has seen a positive change when it comes to the LGBTQIA+ community.

We had two amazing speakers from the LGBTQIA+ community who delivered highly inspiring speeches where they spoke about the various struggles they had to overcome in their life and urged us to never give up. They advised the young generation to be open minded and accept one for who they are.

Speakers:

1. **Ria Sharma, LGBTQIA+ activist**

Mx Ria Sharma is a TedX speaker, gender fluid and homosexual in the Indian society who is advocating to change the narrative about the LGBTQ community. Identifying as they/them, the young Indian is paving way to create a more inclusive society for all.

Ria has been working towards creating awareness about issues of gender and sexuality at various platforms through workshops, advertisements and short films. They were also a part of a documentary film, "Closet", screened at the Kashish Film Festival.

2. **Ashish Chopra, Co-founder of BeUnic**

Ashish Chopra calls himself just another 26-year-old guy next door. He worked as a recruiter for 4 years and is currently working in the HR department at Amazon. He started his own brand 'BeUnic' with his mother. @beunic_india is an e-commerce marketplace for LGBTQ entrepreneurs and designers. All the products on its website are made by the queer community members.

It was this venture that kick-started his modeling career. In 2018, when the stage was set for the Mr. Gay World India hunt, Ashish emerged as the first runner-up at the pageant. Besides his turbulent life, affairs, flamboyant attitude and vision, Ashish is someone who is in touch with his sensitive side.

Chaitanya Bharathi Institute of Technology (A) Gandipet, Hyderabad-75.

Outcome: The students were inspired by the speeches. It helped the participants to gain a new perspective about such a sensitive issue and to break the social stigma around LGBTQIA+ community. This event also gave the participants an opportunity to interact with the amiable speakers and to clarify their queries regarding the issue.
