

## SCHOOL OF MANAGEMENT STUDIES

### Consolidated Action Taken/Proposed Report on the Feedback Obtained from Stakeholders related to Curriculum

S No	Suggestion Given	Stakeholder Details	Action Taken/Proposed
1	Update the syllabus as per present industry requirements	Student	It was resolved to make the changes in the syllabus as per the current industry requirements. Take the opinion of industry experts.
2	Give some practical exposure to students, do not leave it to students to do internships, concentrate on bringing internship opportunities to HR, BA, and Finance students. Build a practical syllabus, come up with some activities that will help students. There are a couple of activities but they are not up to the mark and are not implemented properly.	Student	Efforts have been in place for bringing the internships from the organizations. More activities to be planned in all the subjects including class room exercises.
3	Syllabus should be prepared according to B-school & need to update according to latest trend/Technology.	Student	It was decided to put more emphasis on syllabus as per the latest requirements. Inputs from industry experts would be taken
4	Skill development courses and trending electives can be introduced	Faculty	PDCG classes are included in the curriculum.
5	Increase the number of references to be given for subjects.	Faculty	The existing pattern of six books in "Essential Readings" should be split into two headings "Text Books" and "Suggested Readings". Keeping 2-4 in Text Books and 4-6 in Suggested Readings.
6	Uniformity to be maintained by giving 3 course objectives and 5 course outcomes.	Faculty	It was ensured the uniformity of 3 Course Objectives and 5 Course Outcomes in all the subjects.
7	More coaching can be given on Management skills and other communication, technical skills.	Employer	Emphasis must be on imparting management and technical skills.
8	Students are good in theoretical concepts but need to relate it to practical problems.	Employer	Include some real time problems from the newspaper and other sources to teach real time problems related to theory.
9	Need more training on specific industry needs to acquire the necessary skills.	Employer	Invite the guest lectures from various industries.
10	Please provide case studies for all the subjects to understand real world problems.	Alumni	Case studies were included in all the subjects.
11	Give some training classes for finance students apart from Regular class work.	Alumni	Additional classes for training need to be scheduled.
12	Improve the lab facilities for Analytics subjects	Alumni	Lab facilities need to be improved.
