

SCHOOL OF MANAGEMENT STUDIES

Consolidated Action Taken Report on the Feedback Obtained from Stakeholders related to Curriculum

S No	Suggestion Given	Stakeholder Details	Action Taken/Proposed
1	In depth knowledge and problem solving is needed	Student	It was resolved to focus more on problem solving especially the problematic subjects.
2	Training for placements need to be included in the curriculum or as value addition.	Student	CRT as a value-added course will be considered in the next PAC/BOS review.
3	Excellent theoretical knowledge but need more practical exposure like industrial visits will be more helpful for students.	Student	Industrial visits need to be planned for better understanding of the practical situations.
4	Students can be given opportunity to take up Internships.	Faculty	Internship opportunities are extended from the department side also.
5	Lab facilities need to be improved.	Faculty	Uninterrupted internet connection and other facilities are to be provided to conduct lab sessions effectively.
6	Advise students to focus on their core management subjects and presentation skills.	Employer	The students were given chance to presentations in the class rooms.
7	Make the students learn and improve analytical and English writing skills.	Employer	It is decided to make the students solve more problems and reasoning aspects. Writing skills are emphasized in BC Lab sessions.
8	Better expose the students to latest technologies in the market and provide in depth subject knowledge.	Employer	Python Programming is been included in the syllabus and provide some training on excel and SQL.
9	Introduce Value added courses to improve placement opportunities	Alumni	Value added courses on Excel and CRT to be introduced.
10	Add some lab sessions for Analytics and Improvement about the computer lab equipments.	Alumni	Lab needs to be renewed with better facilities and efforts to be taken for addition of some lab sessions.
11	Increase the number of assignments for better learning.	Alumni	Teaching and Learning should be more practical and discussion of the Cases should be done partially in the class room and partially as an assignment, etc.
