Dated: 30.12.2021

Sir,
Namaskar

As you may well be aware, BHEL is India's largest engineering and manufacturing enterprise in the energy and infrastructure sectors. Since 1964, we are a leading power equipment manufacturer globally and one of the earliest and leading contributors towards building an Aatmanirbhar Bharat. We possess a comprehensive portfolio of products, systems and services in the areas of power-thermal, hydro, gas, nuclear & solar PV, transmission, transportation, defence & aerospace, oil & gas and water.

During BHEL's journey of nearly six decades, technology has been acquired, adapted, assimilated and improved as per market demands for many products, while some products were also developed in-house. Technology development in non-power areas e.g. railway transportation, e-mobility, and some strategic products has also been achieved. BHEL's Corporate Research & Development Division, Hyderabad has remained at the centre of the technology improvement and development efforts.

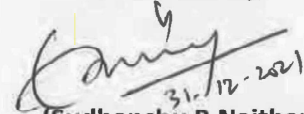

With the decline of coal based power generation business, BHEL has made efforts to develop other businesses. Also, there are numerous future business opportunities on the horizon. For building successful and sustainable businesses in these areas, technology is the key input. Factors like unwillingness of technology owners to share technology with BHEL [as compared to the past], an extremely fast rate of technology obsolescence, market demand of provenness of new technology, etc. necessitate a re-look at the present technology development approach to harness the latent capabilities of the substantial in-house R&D ecosystem.

In the above backdrop, we require the vision, experience and knowledge of persons of your eminence and reputation to guide the direction which BHEL's R&D efforts should take. Accordingly, we invite you to join an august group of personalities who will provide their insight and wisdom to reorient the technology development in BHEL for the times to come.

I earnestly look forward for your consent to be a part of this committee. The terms of reference for this committee, tentative program outline, and the proposed list of the members is enclosed for your kind reference. The program schedule will be refined further in consultation with the committee members.

With best wishes to you and your family for the coming year.

Yours sincerely,

31.12.2021
(Sudhanshu B Naithani)

Dr. UK Choudhury

Dear Mr. Naithani

I am very happy to know that the BHEL Management is continuing its focus on Research and Technology Development in spite of a very difficult Business environment due to the Pandemic. I confirm my participation in this endeavor of BHEL and with my R&D and CTM experience will extend necessary help to reorient the Research and Technology Development activities. Understand there is a VC (online) introductory meeting on 10th January at 3 pm, for which I also confirm my participation.

With Best Wishes.

Dr U.K. Choudhury

TWO DAYS FACULTY DEVELOPMENT PROGRAMME

ON

**“Importance of Accreditation to Enhance
the Quality of Technical Education”**

18- 19 Nov-2022

Organized by

Department of ECE

Program Convener

Dr. Farha Anjum

Prof & HOD, Dept. of ECE

Co-ordinator

Mrs. N. Malathi

Assoc. Prof Dept. of ECE

About College:

Siddhartha Institute of Engineering & Technology was established in 2008 Approved by AICTE, Affiliated to JNTUH & Accredited by NBA , NAAC A+, promoted by Siddhartha Group of institutions which has been in educational field for the past 25 years and produced 20,000 graduate students since its inception The college is offering UG Courses CSE,CSE-AI&ML, CSE-DS, ECE, EEE, MECH, CIVIL, and PG Courses, COMPUTER SCINCE, , VLSI & EMBEDDED branches & MBA and aiming for perfection in engineering and management education. The Institute has five Excellence centers and advanced centers and advanced Laboratories It is constantly striving for all round development of the students. Apart from regular academic courses, the college encourages cocurricular activities like seminars, workshops, symposiums, Hackathons, Conferences etc.

About Department

The Department of ECE has commenced right from the inception of this college in 2008 with an intake of 60 and subsequently increased its intake to 120 by 2009. The Department also offers PG course with an intake of 18. The Department is well equipped with 12 labs, each with a capacity of 30 systems and updated licensed software's were installed. The Department also provides a R&D lab with an internet connection of 24 systems for staff and students to take up their research work. The Department encourages the staff and students to publish papers and to participate in various workshop and events. The Department has a very good track record of placements into various companies like Infosys, Hexaware Technologies, Samsung, Astra Microwave Pvt limited, Surya Technology, Capgemini , Wipro , Atos Syntel, Sonata Software, Tech Mahindra , Mphasis , DXC Technology and TCS etc. The Department also has a tie up with various Multi-National Companies which offers training in latest technologies, placements and Internships .The Department possess very experienced faculty.

Offline Mode General Instructions:

Maximum 200 participants will be allowed to attend the FDP on a first come first serve basis. A test will be conducted after FDP merit certificates will be issued to the participants who scored more than 60%. Participation certificates will be issued to all Participants. Lunch & Snacks will be provided to all the participants. Free Transport will be provided (College Bus)
Contact No: **9000151615** (Mr. Y. Ramana Rao Transport I/C)

Program Schedule

DAY 1 (18-Nov-2022):

- 09:30 AM to 10:00 AM: Inaugural Function
- 10:00 AM to 11:00 AM: Keynote speech by **Dr. A.V.S.S. Kumara Swami Gupta**
- 11:00 AM to 11:15 AM: Tea break
- 11:15 AM to 01:00 PM: **Session 1:** Insight of NAAC Accreditation by **Dr. Sriram Venkatesh**
- 1:00 PM to 1:45 PM: Lunch Break
- 01:45 PM to 3:30 PM: **Session 2** Importance of Autonomous by **Dr. V. Bhagya Raju**
- 3:30 PM to 3:45 PM: Tea Break

DAY 2 (19-Nov-2022):

- 9:30 AM to 11:15 AM **Session 1:** NBA-Outcome Based Course design and Assessment by **Dr. Rajanikanth Aluvalu**
- 11:15 AM to 11:20 AM: Tea break
- 11:20 AM to 1:15 PM **Session 2:** NIRF & its Broad Parameters by **Dr. P Nageshwara Rao**
- 1:15 PM to 2:00 PM: Lunch Break
- 2:00 PM to 02:45 PM: Test on FDP
- 02:45 PM to 03:15 PM: Feedback of Participants
- 03:15 PM to 03:45 PM: Valedictory Function

Account No. : 62096318883.

IFSC Code : SBIN0020090

About Program:

The FDP emphasizes to cover all aspects of following accreditations guidelines:

1. NBA:

National Board of Accreditation primarily focuses on outcome based course design and assessment along with backward design approach and lesson planning. Activating classroom Learning and designing formative assessments are essential aspects for gaining accreditation.

2. NAAC:

National Assessment and Accreditation Council evaluates the performance of universities and colleges and gives the Quality Status along with PEER Team visits to assess the Higher Educational Institutions. NAAC emphasis on quality enhancement and best practice implementation.

3. NIRF:

National Institutional Ranking Framework is an initiation of Ministry of Education, Govt of India. This is a methodology followed to award ranking to Institutions by a core committee setup by MHRD/Moe. The parameter broadly cover: Teaching, Learning, and Resources, “Research and Professional Practices”, “Graduation Outcomes”, “Outreach and Industry” and “Perception”.

4. Autonomous:

An Autonomous institution runs Independent control and curriculum. An autonomous institution strives for excellence academic Performances Self-governance and improved and improved quality of education. An autonomous status for an institution has liberty In deciding syllabus, pedagogy, exam procedures etc. Meticulous educational practices are the primary focus in an autonomous Educational Institution.

Sir,

I am pleased to inform you that, our institute (Balaji Institute of Technology & Science - C3) has got approval for UGC AUTONOMOUS status w.e.f 2021-22 academic year. In this regard, the institute constituted Board of Studies of CSE for framing syllabus and academic regulations (R21), in accordance with the AICTE Model Curriculum from the academic year 2021-22. You are nominated as BoS Member for CSE Department. Your perspective, expertise & experience and valuable suggestions will prove instrumental in framing of Course structure and Syllabus in R21 Regulations.

In this context the meeting of the BoS in Dept. of CSE is scheduled to be held on 29-08-2022, for which I request you to kindly make it convenient to attend the same. Agenda of the meeting will be tabled on that day.

Thanking you,
