Subject: AICTE - IDEA Lab Project Offer/ Acceptance Letter (AQIS ID - IDEA202000260)

Madam/ Sir,

We are pleased to inform you that your institution is recommended for establishing an AICTE IDEA Lab with certain stipulations. Your institution can set-up IDEA Lab from its own resources in 5-6 months (of Acceptance of Offer) and show us the expenditure after receiving our Sanction Letter, show utilization of facilities in another 6 months and become eligible to get a grant of Rs. 15 Lakh, if the performance is found to be satisfactory by AICTE.

Till the grant is released, it will be admitted in the IDEA Lab Network as AICTE - IDEA Lab (provisional) and treated at par with the rest of Labs and given all opportunities. If the performance is not found to be satisfactory, the status will be withdrawn and the project closed without funding.

If this is acceptable to you, we would like to recall among other things, the following towards

- smooth initiation of project.
- a) Your institution must provide a built-up furnished space of at least 3000 sq. to house the IDEA Lab (2000 sq ft for Lab & 1000 sq ft for student activities) and procure equipment/ tools/ consumables worth Rs. 80 lakh (as per scheme document).
- b) Your faculty co-ordinator, faculty coordinators and at least 4 faculties/ technicians must undertake FDPs organized specially for AICTE - IDEA Lab
- c) Your institution should as an acceptance of the offer, open a separate savings bank account for this project within a week and use it for IDEA Lab transactions; its details be intimated to us through the Mandate Form (enclosed). This is required for issuing Sanction Order from our end. Maintaining a separate account, earns the confidence of industries who contribute financially and expect rightful utilization of their funding.
- d) Your institution must abide by Terms and Conditions given in the Scheme Document (accessible from our website) and observe Code of Conduct for AICTE - IDEA Lab, also given in the scheme document.
- e) The logo of AICTE IDEA Lab can be used by the institution as long as it has a valid Extension of Approval (EoA).

We look forward to an Acceptance Letter (giving reference to this Offer letter) within a week, if accepting our offer and hope that the institute will implement the prestigious project with all sincerity and commitment.

Regards

(Dr. Neeraj Saxena)

To,
The Principal,
CBIT,
Gandipet,
Hyderabad.

Sir,

Sub: Transferring of Equipment Purchased for Digital Manufacturing and Fabrication Lab to AICTE-IDEA Lab A/c.

Based on the discussion and initiatives undertaken last year, CBIT had planned to establish Digital Manufacturing and Fabrication lab which includes 3D Printing under IDEA Lab. This initiative will help in training students of first year and other for developing prototypes and components. As we are in the process of establishing Digital Manufacturing and Fabrication Lab for first year students and others, so it is suggested that the Digital Manufacturing Lab can be under IDEA Lab. Further the equipment purchased for Digital Manufacturing and Fabrication Lab (Assets) can be transferred to AICTE-IDEA Lab and will be accounted as expenditure incurred by CBIT for establishing IDEA Lab. The purchase order for procuring equipments related to Digital Manufacturing and Fabrication Lab has Ref. no. CBIT-MECH/PSD/95&96/2021-22, dated 18-01-2022. The equipments are delivered and have to be put to use under IDEA Lab. Hence we request you to grant permission so that the equipment purchased for Digital Manufacturing and Fabrication Lab is transferred to IDEA Lab. The total invoice amount is **Rs. 9,16,522/-**. Please find enclosed the purchase order of components purchased for establishing Digital Manufacturing and Fabrication Lab.

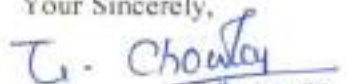

Thanking You,

HOD-MED

Sir,

Sub: Transferring of Equipment Purchased for Drones and Robotics Lab to AICTE-IDEA Lab A/c.

This has reference to the IDEA Lab approval from AICTE and approval by us. In order to establish IDEA Lab we need equipments like CNC Router, 3D Printers, PCB Boards Manufacturing Machine, Drones and other equipments as suggested by IDEA Lab team of AICTE. The objective of IDEA Lab is to provide hands on experience for the students belonging to various branches. As we are in the process of establishing Drones and Robotics Lab for first year students and others, so it is proposed that these 2 labs can be under IDEA Lab. We had received IDEA Lab approval intimation of establishing the IDEA Lab on 25-05-2022. The sanction amount was Rs. 15 Lakhs and rest of the expenditure has to be taken care by CBIT. Hence CBIT has gone ahead with the procurement of Drone related equipment using help of Mechanical Engineering Department. So that the first year students and others, will be immediately exposed to the IDEA Lab environment.

It is requested that the purchase order may be amended to CBIT IDEA Lab and payment is to be made from CBIT IDEA Lab Account. Further the equipment under procurement for Drone and Robotics Lab can be transferred to AICTE-IDEA Lab account for accounting the required expenditure incurred by our CBIT for establishing IDEA Lab. The purchase order for procuring equipments related to Drones and Robotics Lab has Ref. no. CBIT/MED/66/2022-23, dated 22/08/2022. The total purchase order amount is 14,99,101/-. It may be mentioned that the equipments under this purchase order is yet to be delivered. Hence we request you to grant permission so that the equipment being procured for Drones and Robotics Lab is transferred to IDEA Lab. Please find an enclosed the purchase order of components being procured for establishing Drones and Robotics Lab.

Thanking You,

HOD, MED

Subject: AICTE - IDEA Lab Project Offer/ Acceptance Letter (AQIS ID - IDEA202000260)

Madam/ Sir,

We are pleased to inform you that your institution is recommended for establishing an AICTE IDEA Lab with certain stipulations. Your institution can set-up IDEA Lab from its own resources in 5-6 months (of Acceptance of Offer) and show us the expenditure after receiving our Sanction Letter, show utilization of facilities in another 6 months and become eligible to get a grant of Rs. 15 Lakh, if the performance is found to be satisfactory by AICTE.

Till the grant is released, it will be admitted in the IDEA Lab Network as AICTE - IDEA Lab (provisional) and treated at par with the rest of Labs and given all opportunities. If the performance is not found to be satisfactory, the status will be withdrawn and the project closed without funding.

If this is acceptable to you, we would like to recall among other things, the following towards smooth initiation of project.

- Your institution must provide a built-up furnished space of at least 3000 sq. to house the IDEA Lab (2000 sq ft for Lab & 1000 sq ft for student activities) and procure equipment/ tools/ consumables worth Rs. 80 lakh (as per scheme document).
- Your faculty co-ordinator, faculty coordinators and at least 4 faculties/ technicians must undertake FDPs organized specially for AICTE - IDEA Lab
- Your institution should as an acceptance of the offer, open a separate savings bank account for this project within a week and use it for IDEA Lab transactions; its details be intimated to us through the Mandate Form (enclosed). This is required for issuing Sanction Order from our end. Maintaining a separate account, earns the confidence of industries who contribute financially and expect rightful utilization of their funding.
- Your institution must abide by Terms and Conditions given in the Scheme Document (accessible from our website) and observe Code of Conduct for AICTE - IDEA Lab, also given in the scheme document.
- The logo of AICTE IDEA Lab can be used by the institution as long as it has a valid Extension of Approval (FoA).

We look forward to an Acceptance Letter (giving reference to this Offer letter) within a week, if accepting our offer and hope that the institute will implement the prestigious project with all sincerity and commitment.

Regards
