Dear Ms Shreya,

This has reference to your application ENGS2454 for an IASc-INSA-NASI Summer Research Fellowship in 2022. We are happy to offer you a Fellowship to work for two months during this summer subject to verification of your marks as stated by you in the application with the marks sheets. This is only an offer letter and you will be eligible for the certificate only after satisfactory completion of the fellowship. You will be working with Dr Subhadeep Chatterjee, Centre for DNA Fingerprinting & Diagnostics, Hyderabad (e-mail: subhadeep@cdfd.org.in).

We have tried as far as practicable to assign you to a guide who works in your area of interest. Where that has not been possible, you will work with the assigned guide in a related area that will be determined by the guide, and trust that the experience will be fruitful to you. We will not be able to make any change in this regard.

This Fellowship is subject to the following norms:

- The duration of the Fellowship is **eight weeks (56 days – including Sundays and General Holidays)**, and is not to be reduced. If you do not complete this requirement, you will not be paid the fellowship amount and the certificate that is usually issued on completion.
- If you are NOT an INSPIRE/KVPY Fellowship holder, you will be paid a Fellowship of Rs. 12,500/- per month towards your boarding, lodging, local transport expenses*. Those who are in receipt of INSPIRE/KVPY Fellowship will be covered by a separate arrangement, the details of which will be sent later.

Please also go through carefully & comply with **all the instructions** given in the attached sheet.

You are advised to get in touch with Dr Chatterjee immediately to work out the exact period of your visit. In the meantime please communicate with Mr C S Ravi Kumar, Coordinator, Science Education Program, your acceptance of this Fellowship. We would need a joining report from you upon your arrival, and a brief report of your work at the end of four weeks so that your Fellowship for the first month can be paid. After the receipt of the final report, we shall release the remaining amount due to you.

We urge you to convey your acceptance of this fellowship within 7 days by both online (the userid and password given at the bottom of the email) as well as by **returning the Form of Acceptance posted to you**. Even if you are not able to accept the fellowship, this should be communicated to the Academy immediately (both by email: sumfel@ias.ac.in with a cc to your guide; and in the Form of Acceptance) so that the fellowship can be offered to another candidate in the waiting list.

With best wishes,

Yours sincerely,

F. No- 11-35-2010-NBA

Date: 18-04-2022

To,
The Principal
Chaitanya Bharathi Institute of Technology,
Post Office Kokapet, Village Gandipet,
Hyderabad-500075, Telangana

Subject: Accreditation status of programs applied by Chaitanya Bharathi Institute of Technology, Post Office Kokapet, Village Gandipet, Hyderabad-500075, Telangana.

Sir,

This has reference to your application I.D. No's. 5552-06/05/2021 and 5553-06/05/2021 seeking accreditation by National Board of Accreditation to UG Engineering programs (Tier I) offered by Chaitanya Bharathi Institute of Technology, Post Office Kokapet, Village Gandipet, Hyderabad-500075, Telangana.

2. An Expert Team conducted online evaluation of the programs from 10th-12th December, 2021. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Mechanical Engineering	Tier-I January 2016 Document	Accredited	Academic Years 2021-2022 to 2023-2024 i.e. Up to 30-06-2024	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier
2.	Computer Science & Engineering		Accredited		
3.	Civil Engineering		Accredited		
4.	Electronics & Communication Engineering		Accredited		
5.	Information Technology		Accredited		
6.	Electrical & Electronics Engineering		Accredited	Academic Years 2021-2022 to 2026-2027 i.e. Up to 30-06-2027	

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs which have been granted accreditation for 3 years, Chaitanya Bharathi Institute of Technology, Post Office Kokapet, Village Gandipet, Hyderabad-500075, Telangana should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above so as to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status.

 Contd/-

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to Chaitanya Bharathi Institute of Technology, Post Office Kokapet, Village Gandipet, Hyderabad-500075, Telangana as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Reports in respect of the above programs is enclosed.

9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. Anil Kumar Nassa)

NATIONAL BOARD
OF ACCREDITATION

Date: 27-10-2020

File No. 11-35-2010-NBA

To
The Principal
Chaitanya Bharathi Institute of Technology,
Post Office Kokapet, Village Gandipet
Hyderabad-500075,
Telangana

Subject: Grant of accreditation of one year in case of UG Engineering programs in Tier II offered by Chaitanya Bharathi Institute of Technology, Post Office Kokapet, Village Gandipet, Hyderabad-500075, Telangana on the basis of Compliance Report.

Sir,

This is regarding Compliance Reports submitted by Chaitanya Bharathi Institute of Technology, Post Office Kokapet, Village Gandipet, Hyderabad-500075, Telangana for the UG Engineering programs which were accredited by NBA in Tier-II for academic years 2017-18 to 2019-20 whose validity has expired on 30-06-2020.

2. The National Board of Accreditation (NBA) has decided that in all cases of UG Engineering programs which were accredited in Tier I/Tier II for a period of 3 years upto 30-06-2020 and for which the concerned Institutions have submitted Compliance Reports but their visits for data verification of the programs are pending because of the current pandemic situation due to Corona virus, the programs will be considered for accreditation of one year i.e. upto 30-06-2021 after data verification of the programs in NBA on the basis of the submitted Compliance Reports. The data submitted by Chaitanya Bharathi Institute of Technology, Post Office Kokapet, Village Gandipet, Hyderabad-500075, Telangana in the Compliance Reports has been examined and verified in NBA. Based on the same, the Competent Authority in NBA has approved the following accreditation status to the programs as given in the Table below.

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Chemical Engineering	Tier-II	Accredited	Academic Year 2020-2021 i.e. upto 30-06-2021	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier.
2.	Information Technology		Accredited		
3.	Computer Science & Engineering		Accredited		
4.	Civil Engineering		Accredited		
5.	Electronics & Communication Engineering		Accredited		
6.	Electrical & Electronics Engineering		Accredited		
7.	Mechanical Engineering		Accredited		
8.	Production Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

 Contd./...

Principal
Chaitanya Bharathi Institute of Technology
(Autonomous)
Gandipet, Hyderabad-500 075.

4. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to Chaitanya Bharathi Institute of Technology, Post Office Kokapet, Village Gandipet, Hyderabad-500075, Telangana as a whole. As such the Institution should nowhere along with its name including on its letter head etc, write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

5. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

6. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

Yours faithfully,

(Dr. Anil Kumar Nassa)

To,

The Principal
Chaitanya Bharathi Institute of Technology,
Gandipet, Hyderabad- 500075,
Telangana

Subject: Accreditation status of programs applied by Chaitanya Bharathi Institute of Technology, Gandipet, Hyderabad-500075, Telangana.

Sir,

This has reference to your application I.D. No: 3919-02/08/2019 seeking accreditation by National Board of Accreditation to PG Engineering program offered by Chaitanya Bharathi Institute of Technology, Gandipet, Hyderabad-500075, Telangana.

2. An Expert Team conducted on-site evaluation of the programs from 13th-15th December, 2019. The reports submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No	Name of the Program(s) (PG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	CAD/CAM	May, 2017 Document	Accredited	Academic Years 2019-2020 to 2021-2022 i.e. Up to 30-06-2022	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier
2.	Communication Engineering		Accredited		
3.	Embedded System & VLSI		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to Chaitanya Bharathi Institute of Technology, Gandipet, Hyderabad- 500075, Telangana as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. A copy each of the Reports of respective Chairmen of the Visiting Teams and Evaluators' Reports in respect of the above programs is enclosed.
