One Week Faculty Development Programme on UNIVERSAL HUMAN VALUES

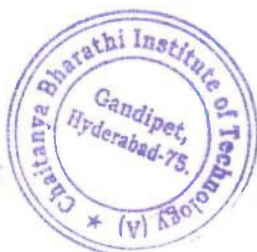

July 2 – 6th, 2018

REPORT

A one-week faculty development programme on “UNIVERSAL HUMAN VALUES” organized by the Department of Physics, Chaitanya Bharati Institute of Technology, Gandipet, Hyderabad within the campus from July 2nd to 6th, 2018, flagged off with a grand Inaugural session on 2nd July, 2018. The Principal of the Institute Dr. P. Ravinder Reddy graced the occasion and followed by the traditional lighting of the lamp, delivered a motivating speech, reminding the need & benefits of Faculty Development Programs for the faculty and recalled how the management and the various departments makes efforts in motivating the faculty to enhance in their career with the skills attained while getting trained in the FDPs. He insisted the importance of Universal Human values to be invoke in our daily and professional lives, and the need to train the students too. He appreciated and encouraged the Head of Department and Faculty of Department of Physics, to conduct many more such sessions. After the convener outlined how the FDP is planned outlining the efforts put into it, he outlined the number and the different places from which the participants registered and participated. A Keynote Address, was delivered by the Keynote Speaker Prof. Sreenivas Sarma, who elaborated the importance of Universal Human Values in the society and how teaching acts as a bridge. He stressed the role of faculty in building a values and ethics-based society. Prof. K. Krishnaveni delivered a session on “The role of UHV in technical education”, where she gave the definition of value education and how it helps one to understand ‘what is valuable’ for human happiness. The participants were made to understand the gaps in the present educational system where

complete emphasis is on science and technology and how 'Value education' when missed to be imparted will lead to counterproductive and serious crises at the individual, societal and environmental level inspite of faculty's tiresome effort.

On 3rd July, 2018, the resource person Prof. P. Sreenivas Sarma, delivered a thought provoking and interactive session on "Need for value education Program". He introduced how value education nurtures an individual to know himself and judge himself to take decisions, overcoming curiosity. He reminded how it develops in understanding one's own interests, attitudes, values and capacities. He said that this would help a person to first rejuvenate his own personality and become a resource person to many more in the society. The need to enhance the effort by a teacher to help the student develop positive and ethical competencies in addition to supporting and framing their academic achievement by careful crafting pedagogy for each individual student according the need is high lightened in this session by the resource person. In the noon session, Dr. G. Suresh Babu spoke on "Mulya Pravah", list of guidelines and its objectives framed to inculcate ethics and values in educational system identifying the need to create high quality practices and environment backed with human values and professional ethics in Higher Educational Institutions (HEIs). He also outlined Human Values and Professional Ethics, Values and Ethics for Stakeholders, stakeholder-Wise Implementation of Human Value and Professional Ethics in Higher Educational Institutions. He suggested to encourage students to practice moral values and ethics by explaining to them examples like the cherishing values followed by our freedom fighters for independence.

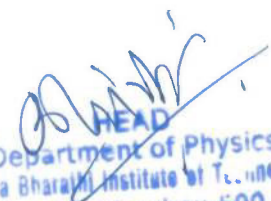

On the third day of the FDP, a session on "Happiness and Basic Human Aspirations" was delivered by Prof. P. Sreenivas Sarma. He started off the session, interacting with the faculty, the definition of "Happiness" collecting their opinions, and instructed how it's related with harmony and peace. He also insisted the importance and lead of the role of one's healthy and peaceful relationship with others and society. He reminded how humans are lacking happiness by wrongly connecting it to "prosperity". He aligned the participants to come up with their understanding and examples of "prosperity", and made them understand how happiness and prosperity are the bases of all our desires and the efforts. He insisted the need to assess one need of physical facilities, else how it lead to disharmony. He also

reminded the need to learn and utilize our intelligence effectively create a physical facility and lead a happy life. He trained the teachers how to promote these in our classroom teaching and pedagogy practices. Dr. A.V.N. Rao in the noon session resourced the participants by providing his thought-provoking ideas and opinions on “Harmony”. He raised the importance for a student to understand values in human relationship, so that he can recognize the connectedness with every individual correctly and it becomes easy live in harmony with every human being-thus laying the foundation for an undivided society- from family to world family.

The role of “Trust & Respect” in building a value-based society was discussed in a session delivered on the fourth day of FDP by Dr. A.V.N. Rao. He outlined how knowing and understanding one’s self, and the importance of building sound relationship with people around him and the society. And lead the discussion into the definition of Trust and Respect and their importance in peaceful relationship with the society. He said that the student needs to be trained to desire to see the others happy and earn trust from them. To maintain integrity and consistency in relationships, he insisted the self-examination of any lack of competence that leads others to hurt or loss and the need of right understanding of the intention of all the human beings around us. He gave hints and strategic plan of teaching the students to make them understand how this would improve his competence in others and in himself. He also lead the group to define “respect” as ‘individuality’ by gathering their opinions towards its definition and to understand how the sense of individuality is prime object towards respect. “Society and Nature” and its relationship with Universal human values were discussed in the noon session by Dr. G. Suresh Babu, wherein nhe introduced different levels of society and how an individual should be matured enough to accept everyone to bring harmony and happiness for himself.

On the final day of the FDP, “Professional Ethics” were discussed by the Resource Person-Prof P. Sreenivas Sarma, CBIT, Hyderabad. He insisted that developing ethical competence in the individual (profession) is the only effective way to ensure professional ethics and said that value education acts as a resource to achieve it. He guided the participants to understand that the competence in profession will only be the manifestation of one's right understanding, with illustrations. Need of clarity about comprehensive human

UNIVERSAL HUMAN VALUES
02-06th July, 2018

About College: CHAITANYA BHARATHI INSTITUTE OF TECHNOLOGY, established in the Year 1979, esteemed as the Premier Engineering Institute in the States of Telangana and Andhra Pradesh, has been promoted by a Group of Visionaries with an objective to facilitate the Engineering and Management Education and contribute towards meeting the needs of Skilled and Technically conversant Engineers and Management Professionals across Industries. The Institute, committed to Education and Innovation, about the 40 Years, has emerged as a Dream Destination for; Students seeking to excel in Engineering and Management Education, Teaching Community to progress with a rewarding Career and Corporates to source well-rounded Engineers. With the Students being the singular Objective, the Institute has established excellent Academic Infrastructure such as State-of - the - Art Laboratories, Library, Sports, Hostel, and other Infrastructure for Extra and Co-Curricular Engagements, in the serene Ambience of 50 Acres to inspire, encourage and pursue Academics.

About FDP: As per the guidelines of AICTE, it is mandatory to complete Universal Human Values course by every undergraduate student of Engineering. It is also a component during the Student Induction Program for the newly joined students. Main Purpose behind this initiative is to set a healthy daily routine, create bonding in the batch as well as between faculty and students, family and in turn society. It is of utmost importance that the faculty members/teachers are well equipped and prepared to teach UHV and The FDPs like this will help in training the faculty members.

Registration: Teachers engaging or interested to engage UHV classes in AICTE approved institutions are eligible for participation. As the programme is of more interactive nature, number of participants is limited to 30. The participants are selected on first come first serve basis. The selected participants will be intimated by 20th June, 2018. There is no registration fee.

Guidelines for participation: The programme is scheduled daily from 10:00AM to 4:00PM. Attendance to all sessions is mandatory. Certificates will be awarded to all the participants who submit assignments/project report.

CHAITANYA BHARATHI INSTITUTE OF TECHNOLOGY

Report on the Student Induction Program 2018-19

Chaitanya Bharathi Institute of Technology successfully organized the Student Induction Program as per the norms of AICTE to provide an orientation to the first-year engineering students who joined the institute for the four years BE/B.Tech program. The Two-week Orientation Program followed by Student Induction Program was conducted from 28-07-2018 to 11.08.2018.

The purpose of the SIP has been to prepare the newly admitted undergraduate students for the new stage in their life by facilitating a smooth transition to the college life.

The goal of the SIP has been to help the students to:

- i. Become familiar with the ethos and culture of the institution
- ii. Set a healthy daily routine, create bonding in batch as well as between faculty members and students
- iii. Get an exposure to a holistic vision of life, develop awareness, sensitivity and understanding
- iv. Facilitate them in creating new bonds with peers and seniors
- v. Overcome weaknesses in some essential professional skills

As a part of the Induction program, the institute conducted all the sessions which have been made mandatory by the AICTE. The students were welcomed into the CBIT family and have been adequately inducted into the engineering course which they are going to pursue. The program has oriented the students towards the various aspects of the offered courses, curriculum, assessment and evaluation patterns, the recent changes which have been brought into them, the various avenues for exploration in terms of employment and career, the nurturing of their diverse talents through clubs and other activities, in addition to the comprehensive information and guidance about the different aspects of the institute.

The Inaugural session of the Student Induction Program was conducted on 28th July 2018 at 10:00 AM for all the first year CBIT students by lighting the lamp. Dr.P.Ravinder Reddy, Principal, CBIT gave the Welcome Address. He welcomed all the freshers and explained the vision and mission of the institute and the institute's emphasis on advanced research to generate knowledge and direct it into transformation of society.

The Directors and Joint Directors were introduced and they briefed the gathering about their respective domains. Dr.B.Linga Reddy, HoD Physics and Coordinator SIP briefed the Students about the Induction program.

Department level meetings for the respective programs were conducted in the afternoon session where students were provided an orientation towards the vision and mission of their departments, curriculum, rules and regulations etc. The faculty also introduced themselves and talked about their subjects and areas of specializations.

From 30th July 2018 to 11th August 2018 the SIP was conducted, every day from 9:40 AM -to 4:20 PM. All the first-year students were divided into 5 Houses with 30 Batches overall. Every batch was assigned a mentor to guide the students. House coordinators were also allotted to coordinate and oversee the things.

The induction program included the following events – Campus Walk, Yoga, Sports, Sports medicine, CBIT-Clubs, Fine Arts, Sports, Career Guidance, Road safety, She Teams, Library, Literary Activity, Gender sensitization, Outdoor Visit, Nature View, Haritha Haram , Universal Human Values, Code of Conduct, Professional Ethics etc.

Campus Walk was done to familiarize all the students with the campus of the institute. The students were taken on a tour around the campus by the mentor and shown all the places and provided details about each one.

The Yoga and Sports medicine session were intended to help the students understand the basic principles to remain healthy and fit and practice them through a healthy routine. Harmony of the self and the body, mental and physical health were emphasized and the students were made to do yoga during the scheduled sessions engaged by the team of PED lead by Dr. Shyam Mohan Reddy and Dr. Bakthiyar Choudhary, Expert of Sports Medicine.

Students participation in Sports and games

During the Sports session the students were introduced to all the sports at CBIT that included many outdoor games like cricket, football, basketball, and indoor games such as carroms, table tennis and chess.

During the CBIT CLUBS session, Director, Student Affairs & Progression, Professor P.Sreenivasa Sarma, gave a brief introduction about different clubs such as Chaitanya Sudhee, Chaitanya Saahithi, Chaitanya Kreedha, Chaitanya Samskruthi, Chaitanya Chaaaya, Chaitanya Seva, Chaitanya Smriti. The student coordinators of different clubs interacted with the freshers and gave them a detailed information of different clubs and also explained the procedure for becoming a member of the club.

The Fine Arts session helped the students realize the importance of Fine Arts in every one's life. The session explained the various avenues available to the students for nurturing their skill in Fine Arts as they are promptly existing in the institute.

During the Code of Conduct session, Director Student Affairs & Progression, Professor P.Sreenivasa Sarma explained about code of conduct in the campus.

Career Guidance gave insight about the various opportunities that were available by Dr.N.L.N. Reddy. Students were also made familiar with some of the important aspects that can enable the students to get excellent placement.

During the Library session the students were made to visit the library and were given details about the textbooks, reference books, journals, etc. that are available in the library and also of the entire the procedure of taking books from the library by Dr. C. Srikanth Reddy.

Dr. B. Sreenivasa Reddy coordinated the session on road safety with the help of Traffic Training Institute, Gachibowli with a team. The students were exposed to various traffic symbols and rules, causes for road accidents, punishments for traffic violations etc.

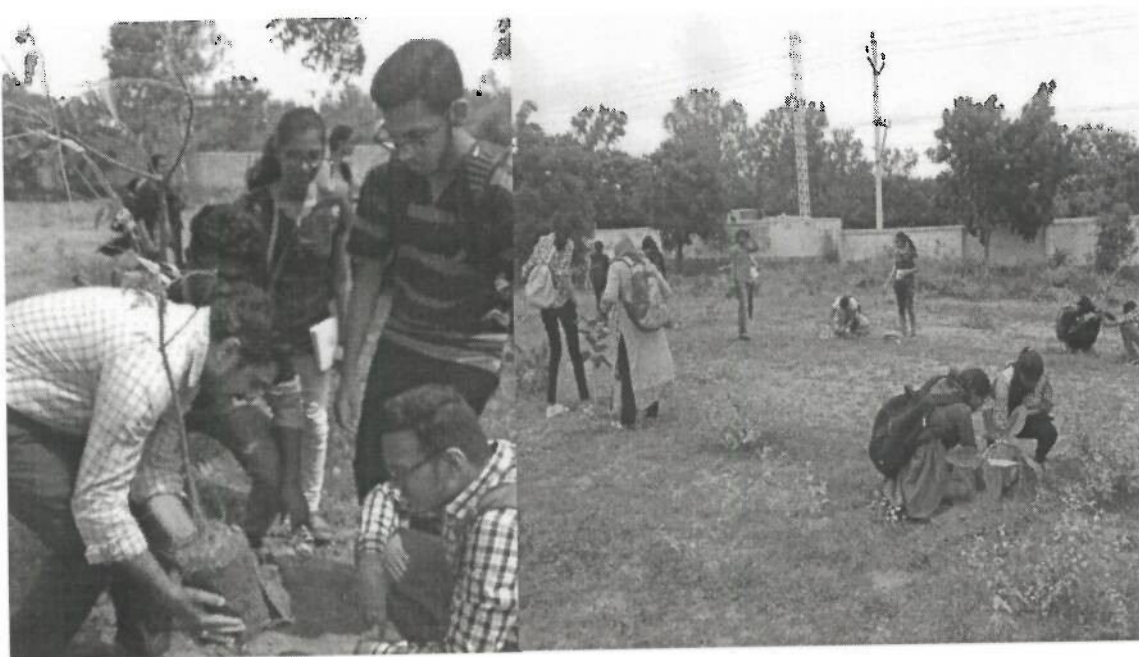

Awareness on Road Safety by TTI, Gachibowli

Universal Human Values Sessions were conducted by Brahma Kumari's Trust. Guest speakers from various reputed institutes & organizations have delivered inspiring talks during which they talked about important aspects of life such as emotional control, human intelligence, self-transformation, integrity, time management, harmony, co-existence etc., to enable the students to develop a holistic perspective of life.

Prof. P. Sreenivasa Sarma tried to inculcate Professional Ethics among the students through his lecture and interaction with the students.

For the better understanding the relationship between the nature and humanity, and its practical implementation, plantation of sapling “Haritha Haram” was conducted and it is coordinated by Dr. Rama Raju and Mrs. Manasa of Parivriitha Club.

Students and staff participating in Haritha Haram

With an intention to explore and familiarize our students to our glorious heritage and historical monuments near the campus, an Outdoor Visit to Golconda Fort and Nature view visit to Botanical Garden were made. The students realized the value of our historical sites, while enjoying the natural scenic beauty of the fort environment.

On the whole, the Orientation program has been a huge success with the help of the Management, the Principal and the coordinated efforts of all the Directors, Joint Directors, the Heads of the departments, the teaching and the non-teaching staff, and witnessed the enthusiastic participation and response from the students of all the branches. The Induction Program has definitely fulfilled its purpose in inducting the first-year students into their programs successfully. The institute has adhered to AICTE guidelines in conducting the event which is concluded with a valedictory session on 11th August, 2018.

Save the environment with the plants

Haritha Haaram"" was conducted in CBIT on 9th August. The principal of the college Prof. P. Ravinder Reddy participated in the event and addressed the gathering where he insisted upon the need for preserving the ecological equilibrium. He stressed upon the importance of planting the saplings for the future generations. He also threw some light on how the forests are getting extinct, how the release of carbon monoxide leads to various dire consequences and so on. He gave a call to the entire campus to take oath to plant saplings at their own places too. And, two plants were distributed to each one in the college. The people have planted Neem, Bunyan, Tamarind, Mango and Big Bronia saplings in the college premises. Pavitra Club representatives Rama Raju, Manasa, PRO GNR Prasad were among the participants.
