OFFICE AUTOMATION AWARENESS

Department of IT in association with NSS CBIT has organized “**Office automation awareness**” on **07-12-2018**. There were around 42 students who participated in the Office automation awareness.

Office automation (OA) is the collective term for the hardware, software, and operational procedures that allow for the automation of information processing and communication functions within an organization.

The Office Automation Awareness program's goal was to give participants a basic understanding of computers and the most utilized office software. Students were able to master office automation with the aid of this training.

LENDING A HAND TO THE NEEDY

Event date : 21-08-2021

place : Hyderabad

Hello everyone!!!

We, The team EWB-CBIT are so happy to start our new event "LENDING A HAND TO THE NEEDY".

We come across many people who are in need of blankets in our locality and their number increase rapidly due to this rainy and winter season.

So, Our Team thought of donating BLANKETS to the needy i.e, people who do not have shelter and we donated FRUITS to the people who were starving .To bring an awareness in them regarding covid-19,Our team donated MASKS too..in the places of Hyderabad (koti, Abids, chaderghat, malakpet, Dilsukhnagar, saidabad, santoshnagar, sagar ring road, Lb nagar, Alkapuri)for nearly 20 people!

" WE CAN'T HELP EVERYONE BUT EVERYONE CAN HELP SOMEONE "

Through the Perplexity

TIME - 11:00 AM

DATE - 04/09/2021

We had an interactive session with the students who completed their 12th class regarding Eamcet, Jee mains, Jee Advanced and Bitsat

We have covered the topics like Josaa counseling, Branch vs college, Bitsat, Eamcet A-category, B-category, Spot admission, Internal sliding and Fee Reimbursement. We have cleared the doubts and motivated each and every student

CAREER GUIDANCE FOR STUDENTS

Date:10-10-2020

Mode: Online (ZOOM Call)

Number of students Attended: 60

Speaker: Dr. Veeresh Babu V

Engineering students must often take the tough decision of what to be done ahead in the career after completing their B.Tech. In these situations, a mentor who can guide them can do wonders to the career of the students. A simple suggestion can potentially give a much-needed boost to student's ability to take a wise and informed decision.

Keeping all these in mind we at EWB-CBIT decided to organize a career guidance event for students. This event was free to attend not only students of CBIT but for every engineering student to get their doubts cleared by the speaker.

By attending this session, students will be able to explore the different opportunities ahead of them. As offline event was not a possibility, due to covid-19 we went ahead and conducted this event online on Zoom.

The speaker of the event was Dr. Veeresh Babu V. He is working at AMS semiconductor India Pvt Ltd as a manager. He has vast experience in the field of semiconductor technology. He completed his B.Tech from Sant Longowal Institute of Technology, Punjab. M.Tech from IIT Bombay in Micro Electronics, P.hd from BITS Pilani, Hyd. Coming from a technical background the speaker was well aware of the ground reality of the students in Engineering.

The speaker went ahead and presented the various streams the students can explore for further opportunities in career. He explained how a student can take a informed decision after considering their strengths and interests. He emphasised how lack of knowledge of various available opportunities sometimes hurts the student in their career.

The speaker also emphasised that the students get the certification like Microsoft Certified Solutions Expert, Ethical Hacker certification etc as they prove to be very helpful. Speaker also suggested the students the niche research fields like VLSI, Blockchain etc.

The participants got their doubts cleared by the speaker. Participants enquired about the internship opportunities for core branches. The participants also wanted to know how the speaker felt about his professional achievements.

They also enquired how the speaker decided to focus on one thing when there were so many tempting offers and opportunities around him.

The host of the event further asked questions that the students will most likely want to know the answers of to the speaker. Finally after answering all the queries the summary of the presentation was given and the event was successfully wrapped up.

Sub: CBIT - Students visit to National Institute of Rural Development and Panchayati Raj (NIRDPR) - Permission - Request - Reg.

Dear Sir/Madam

As a part of Curriculum, the Course "Community Engagement" was introduced by the UGC in Higher Educational Institutions, wherein students need exposure to the practices that the industry follows.

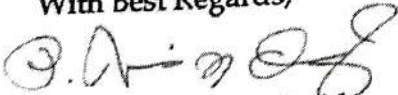

We are planning to engage I Year students of B.E. - Computer Science and Engineering, of our Institute to visit your Institute, as it is a National Level Rural Institute.

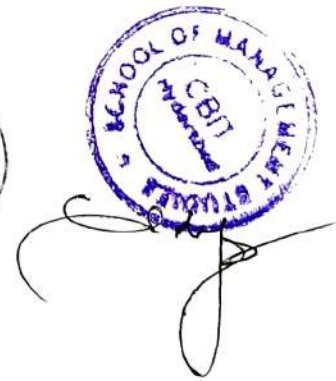

Hence, permission may kindly be granted to visit your Institute, on any one day (i.e., 3rd March 2022 or 4th March 2022) depending on the slots convenient to you without disturbing normal functioning of the Institute. Approximate number of students including faculty for the said visit would be around 70-75.

It would be a privilege if you could kindly consider our request in this regard.

Thanking you,

With Best Regards,

Prof. P. Ravinder Reddy,
PRINCIPAL

Report on Rural Immersion and Extension Activity

Date: 10.03.2022

As a part of Community Engagement Course (20MBC02) a **Rural Immersion and Extension Activity** has been planned for CSE I Year, I Semester (2021-2022) on 10.03.2022 in collaboration with National Institute of Rural Development and Panchayati Raj (NIRDPR).

The NIRD officials Mr. Khan and Mr. Mani welcomed the students and gave them an orientation of rural enterprises, their lifestyle and other elements of Rural importance. Mr. Mani has introduced the students to the rural and traditional way of constructing houses and encouraged the students to promote eco-friendly construction of houses.

After the orientation with NIRD officials, the students had an interaction with the rural entrepreneurs, the technology used in the production of certain products etc.

The students had a good exposure to rural enterprises, technology used by rural entrepreneurs.

Below mentioned are few images captured from the visit.
