## Fire Accident Management

A.Y:2021-22

NSS CBIT has organized a mock fire drill on 28/04/2022 that was conducted by the Cyberabad Police Department. There were around 120 students participating in the mock drill. Staff and Faculty were also present for the drill.

The Cyberabad Police demonstrated scenarios where one has to be careful and in case a mishap happens, how should one handle it. Using a fire extinguisher was demonstrated and few of the participants were also given a chance to learn how to use it on an actual fire. During an emergency, there will be no time to decide on how to respond and thus all of the participants were educated on the response strategies.

CBIT NSS believes that drills are an extremely important part of preparedness as it sensitizes staff/teachers and students on how to respond to the complications of actual fire and other emergencies.
