DECLARATION

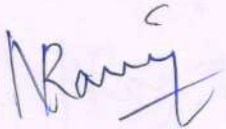

We B.BINDU, A.AMANI YADAV, B.ANIL KUMAR students of Bachelor Engineering, final year of Engineering department. **Chaitanya Bharathi Institute of Technology (A)** declare that the project entitled "**MECHANICAL RESPONSE OF PRECAST ELEMENTS USING TEXTILE REINFORCEMENT**" has been independently carried out under the esteemed guidance of **Dr.N.R. Dakshina Murthy** Department of Civil Engineering, CBIT(A), Hyderabad. This work has been submitted for partial fulfillment of the requirements for the award of the degree of bachelor of engineering Civil Engineering by Osmania University during the academic year 2017-2018

Signature of candidates

1. B. BINDU (160114732316)

2. A.AMANI YADAV (160114732320)

3. B.ANIL KUMAR (160114732323)

ACKNOWLEDGEMENT

We would like to express our sincere gratitude and indebtedness to our project guide **Dr.N.R.Dakshina Murthy**, for his valuable suggestions and interest throughout the course of this project.

We are also thankful to Head of the department, **Prof.Dr.M.Koti Reddy** for providing excellent opportunity.

Our sincere thanks to **Sri Simhadri Raju**, Managing Director of SMART BUILT PREFAB PVT.LTD for his constant support.

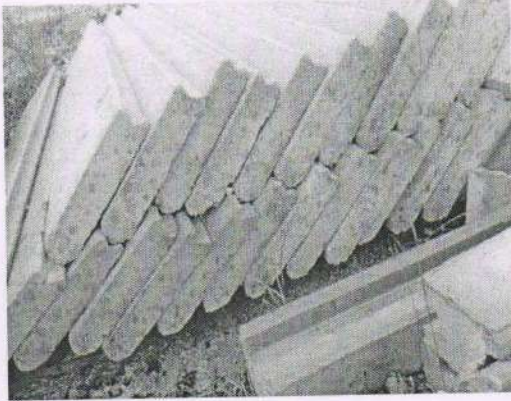

We are grateful to **Dr.P. Ravinder Reddy, Principal**, Chaintanya Bharathi Institute of Technology for permitting us to use the equipments of the college laboratory.

We wish to thank our project coordinator **Sri S. S.V. Chalam Professor** , faculty members and non-teaching staff of civil engineering department, Chaitanya Bharathi Institute Of Technology, for their direct and indirect help during the project work.

Finally, I would like to take this opportunity to thank my family and my classmates for their support throughout the work. I sincerely acknowledge and thank all those who contributed directly or indirectly their support in completion of this work.

NERELLA Prakash V R

Sep 19 (1 day ago)

Respected Sir,

Attached is the quotation for GTStrudl training of Civil dept. faculty by one of our dealers. We would like for five people from CBIT to be trained by our dealer. Training for other products would be handled internally by our office.

Please choose a convenient date for commencement of GTStrudl training at CBIT premises. It is a 4 days (Basic: 3 days and Advanced : 1 day) program. Since the dealer requires at least 3 week advance notice and so as to not clash with the lab inauguration time, please look at dates after 23-Oct-2017.

As discussed, please raise a PO on the dealer mentioning your convenient date and then send the soft copy to us so that we can in turn make the payment to you, possibly in advance. Appreciate if you can also send the PO raised for h/w procurement, so that I will work with our Finance team to expedite both payments together as far as possible.

I am cc'ing Amit who is our Sales person who interacts with the dealer. So if any further clarity is required, then he can take it with dealer/you.

Thanks & Regards,
Prakash

NATIONAL INSTITUTE OF NUTRITION

(Indian Council of Medical Research)
Jamai-Osmania (P.O), Hyderabad-500 007, Telangana, INDIA

Dr. Vijayalakshmi Venkatesan
Scientist 'F' & HoD
Stem Cell Research
Dept. of Biochemistry

Off : +91-40-27197301
Fax : +91-40-27019074
E mail : v.venkateshan@gmail.com
v.venkatesan@ninindia.org

Dated : 31 Jan,2018.

To whomsoever it may concern,

It is my pleasure to state that I know Rishi Viswanathan as a summer trainee/ May 2017 to July 2017, who had joined my lab to learn basic concepts of 'Stem Cell Research' at the Department of Biochemistry and Stem Cell Research at National Institute of Nutrition, Ministry of Health, Govt. of India. During his tenure, Rishi showed keen interest in learning the fundamentals related to Tissue culture work, trypsinization of the cells, viability using TBE exclusion and MTT assay, followed by cell cycle analysis, carried out with post- doctorate fellows and Ph.D. scholars in my laboratory . What impressed me about Rishi is his sincerity and simplicity to attend his day to day work with lot of commitments. He is abreast with new scientific updates in the stem cell field and has followed up keenly the lab work pertaining to stem cells including mice derived embryonic and adult stem cells .

Rishi is strong in fundamentals and in allied human biology and disease.He is a charismatic individual and is very amiable by nature. Rishi's interpersonal relationship was noteworthy in the lab and was liked by all staff . He was among the few students to participate in the hands-on experience workshop on 'Basics and Therapeutic Applications of Pluripotent Stem Cells' organized by at the University of Hyderabad, and had gained experience towards preparation of feeder cells and mESC's, and an overview about its differentiation.
