Overseas Student Confirmation-of-Enrolment (CoE)

A. INFORMATION FOR OVERSEAS STUDENTS

THIS IS NOT A VISA AND DOES NOT ACT AS AN EXTENSION OF YOUR VISA.

You may check your visa status through Visa Entitlement Verification Online (VEVO) at: http://www.homeaffairs.gov.au/Busi/visas-and-migration/visa-entitlement-verification-online-(vevo)

To apply for your student visa to study in Australia go to http://www.homeaffairs.gov.au/Trav/Stud. Follow the information on the website to lodge your application online. Please note you are able to attach supporting documentation when lodging your application.

B. COURSE DETAILS

Provider: Carnegie Mellon University [02696B] (trading as: Carnegie Mellon University Australia)

Telephone: 0881109901, Fax: 0882119444

Email: info@cmu.edu.au

Course: Master of Science in Information Technology [072573M]

Course Level: Masters Degree (Coursework)

Course Start Date: 20/08/2018

Course End Date: 31/05/2020

Initial Pre-Paid Tuition Fee: $AU 5,000, From: 20/08/2018, To: 31/05/2020

Other Pre-Paid Non-Tuition Fee: $AU 1,206

Total Tuition Fee: $AU 93,360

C. STUDENT DETAILS

Courtesy Title: Mr

Family Name: GUPTA

Given Names: Roopansh

Gender: Male

Date of Birth: 26/09/1993

Country of Birth: India

Nationality: India

Provider arranged Overseas Student Health Cover (OSHC): Yes **Start Date:** 13/08/2018 **End Date:** 12/07/2020

OSHC Provider Name: OSHC by Allianz Global Assistance

English Test Type: Test of English as a Foreign Language (TOEFL)

English Test Score: 97

Comments: Recipient of Carnegie Mellon Universitys MSIT Scholarship Program covering 20% for tuition fees only. Student is required to pay 74,688.00 for tuition fees. Student is also required to pay living expenses.

D. NOTES

The information provided on this form is required by the Australian Government Department of Education and Training, and the Australian Government Department of Home Affairs as evidence of enrolment in a course registered on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) - http://cricos.education.gov.au

1. The offer of a place and enrolment of the student must be made in accordance with the provisions of the Education Services for Overseas Students (ESOS) Act 2000; the ESOS Regulations 2001 and the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students (The National Code 2007).
2. This information will be made available to other Australian Commonwealth, State or Territory government agencies.

IMPORTANT
- Keep this CoE and your Written Agreement while you are in Australia
- Find out more about living and studying in Australia (including quality assurance) at www.studyinaustralia.gov.au

COMMON ADMISSION TEST 2017 (CAT 2017)
INDIAN INSTITUTES OF MANAGEMENT

CAT 2017 SCORE CARD

Name of the Candidate : DUBBAKA VINEETH

Address :

2-9-48/5/A, VIKAS NAGAR

NGOs COLONY ROAD

Town/City : HANAMKONDA

District : Warangal

State : TELANGANA

Email : dvineeth18@gmail.com

| Test Day Photo | Uploaded Photo |

CAT Registration Number / User Id	7129181	Category	NC-OBC
Gender	Male	PwD Status	No
Date of Birth	02/Oct/1996	Date and Time of Test	26-Nov-2017 09:00 AM - 12:00 PM

Section		Section		Section		Total	
Verbal Ability & Reading Comprehension		Data Interpretation & Logical Reasoning		Quantitative Ability			
Scaled Score	Percentile	Scaled Score	Percentile	Scaled Score	Percentile	Overall Scaled Score	Overall Percentile
56.67	90.76	15.67	69.60	61.61	96.90	133.95	94.13

Instructions:

1. Only candidates who have taken the Common Admission Test (CAT 2017) are entitled to receive the score card. Keep a print-out of this score card for your information pertaining to CAT 2017. You will not receive score card by email or by post.
2. The Overall Scaled Score is the sum of the scaled scores of the candidate in the three sections.
3. Percentile refers to percentage of candidates who receive score less than or equal to the score obtained by the candidate.
4. IIMs and Non-IIM member institutions independently decide how to use CAT 2017 scores on the basis of their own selection process. The scores are to be used only for selecting the candidates to their Post Graduate / Fellow Programme(s) in Management
5. Detection of instances of incorrect information and process violation by a candidate at any stage will lead to disqualification of the candidate. Candidate's score will become null and void and he/she will not be allowed to appear for CAT in future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification will take place with retrospective effect.
6. All queries regarding post-CAT 2017 selection process must be directed to respective IIMs. CAT Centre will not answer post-CAT related queries.
7. CAT 2017 score is valid only until 31st December 2018 and subject to meeting the minimum eligibility marks in the qualifying examination.
8. Toll free number 1-800-266-3549 will be available till 20th January, 2018 and webmail support cathelpdesk@iimcat.ac.in will be available till 31st March, 2018 respectively.

Number of Candidates appeared in this paper	83418

GATE Score	827

Valid from March 18, 2020 to March 17, 2023

Qualified

March 18, 2020

* Normalized marks for Civil Engineering and Mechanical Engineering Papers
** A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this scorecard

Prof. B. R. Chahar
Organizing Chairman, GATE 2020
(on behalf of NCB – GATE, for MHRD)

47c14f40ea615a0451b0c46d9bb87ca4

Qualifying in GATE 2020 does not guarantee either an admission to a post-graduate programme or a scholarship/assistantship. Admitting institutes may conduct further tests or interviews for final selection.

In the GATE 2020, the qualifying marks for a general category candidate in each paper is $\mu + \sigma$ or 25 marks (out of 100), whichever is greater, where μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper. The qualifying marks for OBC(NCL) and SC/ST/PwD candidates are 90% and two-third of a general category candidate in the paper respectively.

The GATE 2020 score was calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q)\frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where

M is marks (out of 100) obtained by the candidate in the paper

M_q is the qualifying marks for general category candidate in the paper

$\bar{M}_t$ is the mean of marks of top 0.1% or top 10 (whichever is greater) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to $\bar{M}_t$

In multi-session (Civil Engineering and Mechanical Engineering) papers, the normalized mark of jth candidate in the ith session $\hat{M}_{ij}$ was computed using the formula

$$\hat{M}_{ij} = \frac{\bar{M}_t^g - M_q^g}{\bar{M}_{ti} - M_{iq}}(M_{ij} - M_{iq}) + M_q^g$$

where

M_{ij} is the actual marks obtained by the jth candidate in i^{th} session

$\bar{M}_t^g$ is the average marks of the top 0.1% of the candidates considering all sessions

M_q^g is the sum of mean and standard deviation marks of the candidates in the paper considering all sessions

$\bar{M}_{ti}$ is the average marks of the top 0.1% of the candidates in the ith session

M_{iq} is the sum of the mean marks and standard deviation of the ith session

Graduate Aptitude Test in Engineering (GATE) 2020 was organised by Indian Institute of Technology Delhi on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Human Resources Development (MHRD), Government of India.

(on behalf of NCB – GATE, for MHRD)

March 17, 2019

The GATE 2019 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q)\frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard

M_q is the qualifying marks for general category candidate in the paper

$\bar{M}_t$ is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to $\bar{M}_t$

In the GATE 2019 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

$S_q = 350$, is the score assigned to M_q
$S_t = 900$, is the score assigned to $\bar{M}_t$

In the GATE 2018 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Qualified

March 18, 2020

* Normalized marks for Civil Engineering and Mechanical Engineering Papers
** A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this scorecard

Prof. B. R. Chahar
Organizing Chairman, GATE 2020
(on behalf of NCB – GATE, for MHRD)

91c3d1158b556e0c9948437b99d54ff4

Qualifying in GATE 2020 does not guarantee either an admission to a post-graduate programme or a scholarship/assistantship. Admitting institutes may conduct further tests or interviews for final selection.

In the GATE 2020, the qualifying marks for a general category candidate in each paper is $\mu + \sigma$ or 25 marks (out of 100), whichever is greater, where μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper. The qualifying marks for OBC(NCL) and SC/ST/PwD candidates are 90% and two-third of a general category candidate in the paper respectively.

The GATE 2020 score was calculated using the formula

$$GATE\ Score = S_q + \left(S_t - S_q\right)\frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where

M is marks (out of 100) obtained by the candidate in the paper

M_q is the qualifying marks for general category candidate in the paper

$\bar{M}_t$ is the mean of marks of top 0.1% or top 10 (whichever is greater) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to $\bar{M}_t$

In multi-session (Civil Engineering and Mechanical Engineering) papers, the normalized mark of jth candidate in the ith session $\hat{M}_{ij}$ was computed using the formula

$$\hat{M}_{ij} = \frac{\bar{M}_t^g - M_q^g}{\bar{M}_{ti} - M_{iq}}\left(M_{ij} - M_{iq}\right) + M_q^g$$

where

M_{ij} is the actual marks obtained by the jth candidate in i^{th} session

$\bar{M}_t^g$ is the average marks of the top 0.1% of the candidates considering all sessions

M_q^g is the sum of mean and standard deviation marks of the candidates in the paper considering all sessions

$\bar{M}_{ti}$ is the average marks of the top 0.1% of the candidates in the ith session

M_{iq} is the sum of the mean marks and standard deviation of the ith session

Graduate Aptitude Test in Engineering (GATE) 2020 was organised by Indian Institute of Technology Delhi on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Human Resources Development (MHRD), Government of India.

Reading Skills	Level	Your Performance
Reading	High	Test takers who receive a score at the **HIGH** level, as you did, typically understand academic texts in English that require a wide range of reading abilities regardless of the difficulty of the texts. Test takers who score at the **HIGH** level, typically • have a very good command of academic vocabulary and grammatical structure; • can understand and connect information, make appropriate inferences, and synthesize ideas, even when the text is conceptually dense and the language is complex; • can recognize the expository organization of a text and the role that specific information serves within the larger text, even when the text is conceptually dense; and • can abstract major ideas from a text, even when the text is conceptually dense and contains complex language.

Listening Skills	Level	Your Performance
Listening	High	Test takers who receive a score at the **HIGH level**, as you did, typically understand conversations and lectures in English that present a wide range of listening demands. These demands can include difficult vocabulary (uncommon terms, or colloquial or figurative language), complex grammatical structures, abstract or complex ideas, and/or making sense of unexpected or seemingly contradictory information. When listening to lectures and conversations like these, test takers at the **HIGH** level typically can • understand main ideas and important details, whether they are stated or implied; • distinguish more important ideas from less important ones; • understand how information is being used (for example, to provide evidence for a claim or describe a step in a complex process); • recognize how pieces of information are connected (for example, in a cause-and-effect relationship); • understand many different ways that speakers use language for purposes other than to give information (for example, to emphasize a point, express agreement or disagreement, or convey intentions indirectly); and • synthesize information, even when it is not presented in sequence, and make correct inferences on the basis of that information.

About Your *GRE®* Score Report

Score Reporting Policies

With the *ScoreSelect®* option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

TEST TAKER SCORE REPORT

Note: This report is not valid for transmission of scores to an institution.

Saketh Merugu

Most Recent Test Date: September 6, 2018

Date of Birth: January 4, 1998

Registration Number: 3914096
Print Date: January 16, 2019

Retaking a GRE Test

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at **www.ets.org/gre/understand.**

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

GATE Score **552**

Valid from March 17, 2018 to March 16, 2021

All India Rank in this paper **2606**

Number of Candidates
Appeared in this paper **107893**

* Normalized marks for multi-session papers
** A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this scorecard

Digital Fingerprint: be4e586fb486921a790d2ab6b5a3ed8c

G. Pugzl

Prof. G. Pugazhenthi   March 17, 2018
Organizing Chairman, GATE 2018
(on behalf of NCB – GATE, for MHRD)

The GATE 2018 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q)\frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,
M is the marks obtained by the candidate in the paper, mentioned on this GATE 2018 scorecard
M_q is the qualifying marks for general category candidate in the paper
$\bar{M}_t$ is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
$S_q = 350$, is the score assigned to M_q
$S_t = 900$, is the score assigned to $\bar{M}_t$

In the GATE 2018 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Codes for XE and XL Paper Sections (compulsory section and any other two sections)

XE: Engineering Sciences
A – Engineering Mathematics (compulsory)
B – Fluid Mechanics
C – Materials Science
D – Solid Mechanics
E – Thermodynamics
F – Polymer Science and Engineering
G – Food Technology
H – Atmospheric and Oceanic Sciences

XL: Life Sciences
P – Chemistry (compulsory)
Q – Biochemistry
R – Botany
S – Microbiology
T – Zoology
U – Food Technology

Graduate Aptitude Test in Engineering (GATE) 2018 was organized by Indian Institute of Technology Guwahati on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Human Resource Development (MHRD), Government of India.

Date of Birth	26/Aug/1997	Date and Time of Test	26-Nov-2017 02:30 PM - 05:30 PM

Section		Section		Section		Total	
Verbal Ability & Reading Comprehension		Data Interpretation & Logical Reasoning		Quantitative Ability			
Scaled Score	Percentile	Scaled Score	Percentile	Scaled Score	Percentile	Overall Scaled Score	Overall Percentile
25.02	49.02	23.27	84.99	35.88	84.05	84.17	75.24

Instructions:

1. Only candidates who have taken the Common Admission Test (CAT 2017) are entitled to receive the score card. Keep a print-out of this score card for your information pertaining to CAT 2017. You will not receive score card by email or by post.
2. The Overall Scaled Score is the sum of the scaled scores of the candidate in the three sections.
3. Percentile refers to percentage of candidates who receive score less than or equal to the score obtained by the candidate.
4. IIMs and Non-IIM member institutions independently decide how to use CAT 2017 scores on the basis of their own selection process. The scores are to be used only for selecting the candidates to their Post Graduate / Fellow Programme(s) in Management
5. Detection of instances of incorrect information and process violation by a candidate at any stage will lead to disqualification of the candidate. Candidate's score will become null and void and he/she will not be allowed to appear for CAT in future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification will take place with retrospective effect.
6. All queries regarding post-CAT 2017 selection process must be directed to respective IIMs. CAT Centre will not answer post-CAT related queries.
7. CAT 2017 score is valid only until 31st December 2018 and subject to meeting the minimum eligibility marks in the qualifying examination.
8. Toll free number 1-800-266-3549 will be available till 20th January, 2018 and webmail support cathelpdesk@iimcat.ac.in will be available till 31st March, 2018 respectively.

Reading Skills	Level	Your Performance
Reading	High	Test takers who receive a score at the **HIGH** level, as you did, typically understand academic texts in English that require a wide range of reading abilities regardless of the difficulty of the texts. Test takers who score at the **HIGH** level, typically - have a very good command of academic vocabulary and grammatical structure; - can understand and connect information, make appropriate inferences, and synthesize ideas, even when the text is conceptually dense and the language is complex; - can recognize the expository organization of a text and the role that specific information serves within the larger text, even when the text is conceptually dense; and - can abstract major ideas from a text, even when the text is conceptually dense and contains complex language.

Listening Skills	Level	Your Performance
Listening	High	Test takers who receive a score at the **HIGH** level, as you did, typically understand conversations and lectures in English that present a wide range of listening demands. These demands can include difficult vocabulary (uncommon terms, or colloquial or figurative language), complex grammatical structures, abstract or complex ideas, and/or making sense of unexpected or seemingly contradictory information. When listening to lectures and conversations like these, test takers at the **HIGH** level typically can - understand main ideas and important details, whether they are stated or implied; - distinguish more important ideas from less important ones; - understand how information is being used (for example, to provide evidence for a claim or describe a step in a complex process); - recognize how pieces of information are connected (for example, in a cause-and-effect relationship); - understand many different ways that speakers use language for purposes other than to give information (for example, to emphasize a point, express agreement or disagreement, or convey intentions indirectly); and - synthesize information, even when it is not presented in sequence, and make correct inferences on the basis of that information.

Organizing Chairman, GATE 2017 on behalf of NCB-GATE, for MHRD

The GATE 2017 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q)\frac{(M - M_q)}{(\overline{M}_t - M_q)}$$

where,
M is the marks obtained by the candidate in the paper, mentioned on this score card in GATE 2017
M_q is the qualifying marks for general category candidate in the paper
$\overline{M}_t$ is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
$S_q = 350$, is the score assigned to M_q
$S_t = 900$, is the score assigned to $\overline{M}_t$

In the GATE 2017 score formula, M_q is usually 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.
Qualifying in GATE 2017 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Graduate Aptitude Test in Engineering (GATE) 2017 was organised by Indian Institute of Technology Roorkee on behalf of the National Coordination Board (NCB) for the Department of Higher Education, Ministry of Human Resource Development (MHRD), Government of India.

Name: SIRVISETTI VENKAT SRI SAI RAM

Application No. : 17308480

Call Letter for Aptitude Test/Interview for M Tech/M Des programmes - Admissions 2017

With reference to your application for admission to Course Programme (M Tech/M Des) at the Institute, you are shortlisted for aptitude test/design aptitude test (as applicable) to the departments at the Central Lecture Hall Complex. Those who are shortlisted for Computational and Data Science are required to report at the Department of Computational and Data Sciences for the aptitude test and interview and those who are shortlisted for Electrical Engineering report at the Department of Electrical Engineering.

The candidates shortlisted on the basis of their performance in the aptitude/design aptitude tests will be interviewed in the respective departments on 18-19.4.2017 for M Tech and on 21.4.2017 for M Des.

Dept/Venue	Date and Time	Mode Of Entry
COMPUTATIONAL AND DATA SCIENCE	17/04/2017 9:00AM IST	GATE

Date : 01/04/2017

Assistant Registrar (Academic)

Instructions to Candidates

1. Candidates shortlisted for Admission to M Tech programme in Nanoscience and Engineering may note that there is no aptitude test but only interview in the Centre for Nanoscience and Engineering,. on the date and time indicated in the table above.
2. You have to come prepared to stay up to 3/4 days and make your own arrangements for stay.
3. Aptitude/design aptitude test results will be announced by the respective departments in the evening of the same day of the tests.
4. Please bring photostat copies of mark statements from SSLC onwards for verification with reference to the entries in Application including valid GATE/CEED score card(s).
5. You are required to bring with you 2B pencil and eraser for the Test.
6. No TA/DA will be paid to the Candidates for attending Interview except for SC/ST candidates.
7. For any clarification about the aptitude/design aptitude test or interview/interview schedule, contact the respective departments through email provided in the department's website.
8. For your information on arrival at Bangalore - Indian Institute of Science is popularly called 'TATA INSTITUTE' in Bangalore. It is situated at a distance of approximately 6 Kms. from the Bangalore City Railway Station/City Bus Station/Cantonment Railway Station and within 2 Kms. of the Yeshwanthpur Railway Station. Bus numbers from Bangalore City Bus Station are 273, 276, 99A, 99B, 272, 252.

Dear Mr. Tumu:

It is my pleasure to inform you that you have been admitted to the 2018 class of the Master of Software Engineering (MSE) Professional Program in the School of Computer Science at Carnegie Mellon University. Your academic profile confirms your commitment to personal and educational growth. We are confident that you will be a valuable contributor not only to the program, but to the extended university community.
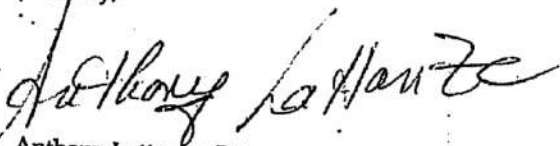

Our program is a small and highly-selective one. Each year we receive a large number of applications from well-qualified candidates who are clearly capable of performing well academically and making significant contributions. You are one such candidate. We look forward to you joining us for the 2018-19 academic year.

We hope that you will accept our offer of admission and pursue graduate study at Carnegie Mellon. Be advised that unless you have already sent your official transcript(s), GRE and/or TOEFL scores at the time of application, you are required to provide these now prior to your enrollment at CMU. If you have questions specifically related to this matter or to your admission, we ask that you contact the program's administrator, Lauren Martinko (laurenma@cs.cmu.edu). Lauren's mailing address is:

Lauren Martinko
Carnegie Mellon University
300 S. Craig Street, Rm 276
Pittsburgh, PA 15213

On behalf of the faculty, staff, current students and alumni of Carnegie Mellon's Master of Software Engineering Professional Programs, I extend to you our sincere congratulations and a warm welcome. We share your enthusiasm about your future, and look forward to your arrival in mid-August as a Fall 2018 graduate student.

Sincerely,

Anthony Lattanze, Director
Master of Software Engineering Professional Programs

(ETS). GRE.

CAT Registration Number	8026195	PWD Status	No
Gender	Female	Category	General
Date of Birth	29/Aug/1996	Date and Time of Test	25th Nov 2018 (2:30 PM - 5:30 PM)

Section		Section		Section		Total	
Verbal Ability & Reading Comprehension		Data Interpretation & Logical Reasoning		Quantitative Ability			
Scaled Score	Percentile	Scaled Score	Percentile	Scaled Score	Percentile	Overall Scaled Score	Overall Percentile
69.18	97.75	37.16	96.48	23.32	84.96	129.66	96.5

Instructions:

1. Only those candidates who have taken the Common Admission Test (CAT 2018) are entitled to receive the score card. Keep a print-out of this score card for your information pertaining to CAT 2018. You will not receive the score card by email or by post.
2. The Overall Scaled Score is the sum of the scaled scores of the candidate in the three sections.
3. Percentile refers to the percentage of candidates who receive score less than or equal to the score obtained by the candidate.
4. IIMs and Non-IIM member institutions independently decide how to use CAT 2018 scores in line with their own selection process. The scores are to be used only for selecting the candidates to their respective Post Graduate / Fellow Programme in Management.
5. Detection of instances of incorrect information and process violation by a candidate at any stage will lead to disqualification of the candidate. Candidate's score will become null and void and he/she will not be allowed to appear for CAT in future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification and the associated penalties will take place with retrospective effect.
6. All queries regarding post-CAT 2018 selection process must be directed to respective IIMs. CAT Centre will not answer post-CAT related queries.
7. CAT 2018 score is valid only until 31st December 2019 and is subject to the candidate meeting the minimum eligibility marks in the qualifying examination. The score card will be available on www.iimcat.ac.in till 31 st December 2019 to download.
8. Toll free number 1-800-209-0830 will be available till 20th January, 2019 and webmail support cathelpdesk@iimcat.ac.in will be available till 31st March, 2019 respectively.

Reading Skills	Level	Your Performance
Reading	High	Test takers who receive a score at the **HIGH** level, as you did, typically understand academic texts in English that require a wide range of reading abilities regardless of the difficulty of the texts. Test takers who score at the **HIGH** level, typically • have a very good command of academic vocabulary and grammatical structure; • can understand and connect information, make appropriate inferences, and synthesize ideas, even when the text is conceptually dense and the language is complex; • can recognize the expository organization of a text and the role that specific information serves within the larger text, even when the text is conceptually dense; and • can abstract major ideas from a text, even when the text is conceptually dense and contains complex language.

Listening Skills	Level	Your Performance
Listening	High	Test takers who receive a score at the **HIGH** level, as you did, typically understand conversations and lectures in English that present a wide range of listening demands. These demands can include difficult vocabulary (uncommon terms, or colloquial or figurative language), complex grammatical structures, abstract or complex ideas, and/or making sense of unexpected or seemingly contradictory information. When listening to lectures and conversations like these, test takers at the **HIGH** level typically can • understand main ideas and important details, whether they are stated or implied; • distinguish more important ideas from less important ones; • understand how information is being used (for example, to provide evidence for a claim or describe a step in a complex process); • recognize how pieces of information are connected (for example, in a cause-and-effect relationship); • understand many different ways that speakers use language for purposes other than to give information (for example, to emphasize a point, express agreement or disagreement, or convey intentions indirectly); and • synthesize information, even when it is not presented in sequence, and make correct inferences on the basis of that information.

Instructions:

1. Only candidates who have taken the Common Admission Test (CAT 2017) are entitled to receive the score card. Keep a print-out of this score card for your information pertaining to CAT 2017. You will not receive score card by email or by post.
2. The Overall Scaled Score is the sum of the scaled scores of the candidate in the three sections.
3. Percentile refers to percentage of candidates who receive score less than or equal to the score obtained by the candidate.
4. IIMs and Non-IIM member institutions independently decide how to use CAT 2017 scores on the basis of their own selection process. The scores are to be used only for selecting the candidates to their Post Graduate / Fellow Programme(s) in Management
5. Detection of instances of incorrect information and process violation by a candidate at any stage will lead to disqualification of the candidate. Candidate's score will become null and void and he/she will not be allowed to appear for CAT in future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification will take place with retrospective effect.
6. All queries regarding post-CAT 2017 selection process must be directed to respective IIMs. CAT Centre will not answer post-CAT related queries.
7. CAT 2017 is valid only until 31st December 2018 and subject to meeting the minimum eligibility marks in the qualifying examination.
8. Toll free number 1-800-266-3549 will be available till 20th January, 2018 and webmail support cathelpdesk@iimcat.ac.in will be available till 31st March, 2018 respectively.

Marks out of 100*	45.33

Valid from March 17, 2018 to March 16, 2021

Qualifying Marks**	25.0	22.5	16.6
	General	OBC (NCL)	SC/ST/PwD

All India Rank in this paper	1824

GATE Score	592

Number of Candidates Appeared in this paper	107893

* Normalized marks for multi-session papers
** A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this scorecard

Digital Fingerprint: 5b713b96f2f2b0331afd3a09a689477e

G. Pugzl.

Prof. G. Pugazhenthi   March 17, 2018
Organizing Chairman, GATE 2018
(on behalf of NCB – GATE, for MHRD)

The GATE 2018 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q)\frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,
M is the marks obtained by the candidate in the paper, mentioned on this GATE 2018 scorecard
M_q is the qualifying marks for general category candidate in the paper
$\bar{M}_t$ is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
S_q = 350, is the score assigned to M_q
S_t = 900, is the score assigned to $\bar{M}_t$

In the GATE 2018 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Codes for XE and XL Paper Sections (compulsory section and any other two sections)

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2018 scorecard
M_q is the qualifying marks for general category candidate in the paper
$\overline{M}_t$ is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
$S_q = 350$, is the score assigned to M_q
$S_t = 900$, is the score assigned to $\overline{M}_t$

In the GATE 2018 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Codes for XE and XL Paper Sections (compulsory section and any other two sections)

XE: Engineering Sciences
A – Engineering Mathematics (compulsory)
B – Fluid Mechanics
C – Materials Science
D – Solid Mechanics
E – Thermodynamics
F – Polymer Science and Engineering
G – Food Technology
H – Atmospheric and Oceanic Sciences

XL: Life Sciences
P – Chemistry (compulsory)
Q – Biochemistry
R – Botany
S – Microbiology
T – Zoology
U – Food Technology

Prof. G. Pugazhenthi   March 17, 2018
Organizing Chairman, GATE 2018
(on behalf of NCB – GATE, for MHRD)

The GATE 2018 score is calculated using the formula

$$GATE\ Score = S_q + \left(S_t - S_q\right)\frac{\left(M - M_q\right)}{\left(\overline{M}_t - M_q\right)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2018 scorecard
M_q is the qualifying marks for general category candidate in the paper
$\overline{M}_t$ is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
$S_q = 350$, is the score assigned to M_q
$S_t = 900$, is the score assigned to $\overline{M}_t$

In the GATE 2018 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Codes for XE and XL Paper Sections (compulsory section and any other two sections)

Reading Skills	Level	Your Performance
Reading	Intermediate	Test takers who receive a score at the **INTERMEDIATE** level, as you did, typically understand academic texts in English that require a wide range of reading abilities, although their understanding of certain parts of the texts is limited. Test takers who receive a score at the **INTERMEDIATE** level typically • have a good command of common academic vocabulary but still have some difficulty with high-level vocabulary; • have a very good understanding of grammatical structure; • can understand and connect information, make appropriate inferences, and synthesize information in a range of texts but have more difficulty when the vocabulary is high level and the text is conceptually dense; • can recognize the expository organization of a text and the role that specific information serves within a larger text but have some difficulty when these are not explicit or easy to infer from the text; and • can abstract major ideas from a text but have more difficulty doing so when the text is conceptually dense.

Listening Skills	Level	Your Performance
Listening	Intermediate	Test takers who receive a score at the **INTERMEDIATE** level, as you did, typically understand conversations and lectures in English that present a wide range of listening demands. These demands can include difficult vocabulary (uncommon terms or colloquial or figurative language), complex grammatical structures, and/or abstract or complex ideas. However, lectures and conversations that require the listener to make sense of unexpected or seemingly contradictory information may present some difficulty. When listening to conversations and lectures like these, test takers at the **INTERMEDIATE** level typically can • understand explicitly stated main ideas and important details, especially if they are reinforced, but may have difficulty understanding main ideas that must be inferred or important details that are not reinforced; • understand how information is being used (for example, to provide support or describe a step in a complex process); • recognize how pieces of information are connected (for example, in a cause-and-effect relationship); • understand, though perhaps not consistently, ways that speakers use language for purposes other than to give information (for example, to emphasize a point, express agreement or disagreement, or convey intentions indirectly); and • synthesize information from adjacent parts of a lecture or conversation and make correct inferences on the basis of that information, but may have difficulty synthesizing information from separate parts of a lecture or conversation.

Total Score	81

43

Reading Skills	Level	Your Performance
Reading	Intermediate	Test takers who receive a score at the **INTERMEDIATE** level, as you did, typically understand academic texts in English that require a wide range of reading abilities, although their understanding of certain parts of the texts is limited. Test takers who receive a score at the **INTERMEDIATE** level typically • have a good command of common academic vocabulary but still have some difficulty with high-level vocabulary; • have a very good understanding of grammatical structure; • can understand and connect information, make appropriate inferences, and synthesize information in a range of texts but have more difficulty when the vocabulary is high level and the text is conceptually dense; • can recognize the expository organization of a text and the role that specific information serves within a larger text but have some difficulty when these are not explicit or easy to infer from the text; and • can abstract major ideas from a text but have more difficulty doing so when the text is conceptually dense.

Listening Skills	Level	Your Performance
Listening	Intermediate	Test takers who receive a score at the **INTERMEDIATE** level, as you did, typically understand conversations and lectures in English that present a wide range of listening demands. These demands can include difficult vocabulary (uncommon terms or colloquial or figurative language), complex grammatical structures, and/or abstract or complex ideas. However, lectures and conversations that require the listener to make sense of unexpected or seemingly contradictory information may present some difficulty. When listening to conversations and lectures like these, test takers at the **INTERMEDIATE** level typically can • understand explicitly stated main ideas and important details, especially if they are reinforced, but may have difficulty understanding main ideas that must be inferred or important details that are not reinforced; • understand how information is being used (for example, to provide support or describe a step in a complex process); • recognize how pieces of information are connected (for example, in a cause-and-effect relationship); • understand, though perhaps not consistently, ways that speakers use language for purposes other than to give information (for example, to emphasize a point, express agreement or disagreement, or convey intentions indirectly); and • synthesize information from adjacent parts of a lecture or conversation and make correct inferences on the basis of that information, but may have difficulty synthesizing information from separate parts of a lecture or conversation.

Prof. G. Pugazhenthi
Organizing Chairman, GATE 2018
(on behalf of NCB − GATE, for MHRD)

March 17, 2018

The GATE 2018 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q)\frac{(M - M_q)}{(\overline{M}_t - M_q)}$$

where,
M is the marks obtained by the candidate in the paper, mentioned on this GATE 2018 scorecard
M_q is the qualifying marks for general category candidate in the paper
$\overline{M}_t$ is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
S_q = 350, is the score assigned to M_q
S_t = 900, is the score assigned to $\overline{M}_t$

In the GATE 2018 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

CAT Registration Number	8005534	PWD Status	No
Gender	Female	Category	General
Date of Birth	08/Sep/2001	Date and Time of Test	25th Nov 2018 (2:30 PM - 5:30 PM)

Section		Section		Section		Total	
Verbal Ability & Reading Comprehension		Data Interpretation & Logical Reasoning		Quantitative Ability			
Scaled Score	Percentile	Scaled Score	Percentile	Scaled Score	Percentile	Overall Scaled Score	Overall Percentile
56.88	92.54	30.82	92.22	38.66	95.59	126.36	95.95

Instructions:

1. Only those candidates who have taken the Common Admission Test (CAT 2018) are entitled to receive the score card. Keep a print-out of this score card for your information pertaining to CAT 2018. You will not receive the score card by email or by post.

2. The Overall Scaled Score is the sum of the scaled scores of the candidate in the three sections.

3. Percentile refers to the percentage of candidates who receive score less than or equal to the score obtained by the candidate.

4. IIMs and Non-IIM member institutions independently decide how to use CAT 2018 scores in line with their own selection process. The scores are to be used only for selecting the candidates to their respective Post Graduate / Fellow Programme in Management.

5. Detection of instances of incorrect information and process violation by a candidate at any stage will lead to disqualification of the candidate. Candidate's score will become null and void and he/she will not be allowed to appear for CAT in future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification and the associated penalties will take place with retrospective effect.

6. All queries regarding post-CAT 2018 selection process must be directed to respective IIMs. CAT Centre will not answer post-CAT related queries.

7. CAT 2018 score is valid only until 31st December 2019 and is subject to the candidate meeting the minimum eligibility marks in the qualifying examination. The score card will be available on www.iimcat.ac.in till 31 st December 2019 to download.

8. Toll free number 1-800-209-0830 will be available till 20th January, 2019 and webmail support cathelpdesk@iimcat.ac.in will be available till 31st March, 2019 respectively.

Prof. G. Pugazhenthi   March 17, 2018
Organizing Chairman, GATE 2018
(on behalf of NCB – GATE, for MHRD)

The GATE 2018 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q)\frac{(M - M_q)}{(\bar{M_t} - M_q)}$$

where,
M is the marks obtained by the candidate in the paper, mentioned on this GATE 2018 scorecard
M_q is the qualifying marks for general category candidate in the paper
$\bar{M_t}$ is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
$S_q = 350$, is the score assigned to M_q
$S_t = 900$, is the score assigned to $\bar{M_t}$

In the GATE 2018 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2018 scorecard
M_q is the qualifying marks for general category candidate in the paper
$\overline{M}_t$ is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
S_q = 350, is the score assigned to M_q
S_t = 900, is the score assigned to $\overline{M}_t$

In the GATE 2018 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Codes for XE and XL Paper Sections (compulsory section and any other two sections)

XE: Engineering Sciences
A – Engineering Mathematics (compulsory)
B – Fluid Mechanics
C – Materials Science
D – Solid Mechanics
E – Thermodynamics
F – Polymer Science and Engineering
G – Food Technology
H – Atmospheric and Oceanic Sciences

XL: Life Sciences
P – Chemistry (compulsory)
Q – Biochemistry
R – Botany
S – Microbiology
T – Zoology
U – Food Technology

Graduate Aptitude Test in Engineering (GATE) 2018 was organized by Indian Institute of Technology Guwahati on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Human Resource Development (MHRD), Government of India.

Prof. G. Pugazhenthi
Organizing Chairman, GATE 2018
(on behalf of NCB − GATE, for MHRD)

March 17, 2018

The GATE 2018 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q)\frac{(M - M_q)}{(\overline{M}_t - M_q)}$$

where,
M is the marks obtained by the candidate in the paper, mentioned on this GATE 2018 scorecard
M_q is the qualifying marks for general category candidate in the paper
$\overline{M}_t$ is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
S_q = 350, is the score assigned to M_q
S_t = 900, is the score assigned to $\overline{M}_t$

In the GATE 2018 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

...UTHERN POWER DISTRIBUTION COMPANY OF T.S. LTD

Office of the
Superintending Engineer,
Operation Circle :: Sangareddy

Memo.No:SE/OP/SRD/PO/JAO/Adm/C1/D.No:460/18, Dt :01-06-2018.

Sub:- Estt – TSSPDCL – E.S. – Appointment of Sub-Engineers by direct recruitment – Orders – Issued.

Ref:- Memo No:CGM (HRD)/GM(Per)/AS(Per&Ser)/PO-A/33-A1/2013, Dt:30-05-2018.

-:oOo:-

Under Regulation 14(a)(i) of (APSEB) Service Regulations, Part-II as adopted by TSTRANSCO/TSSPDCL, **Sri/Smt./Kum. N. SRILEKHA D/o. N. SRINIVASULU (Hall Ticket No.206527)** is hereby selected provisionally for appointment as Sub-Engineer/Elecl., on temporary basis in the time scale of **Rs.20535-865-23130-1160-28930-1425-36055-1700-41155** with usual allowances as admissible from time to time. He/She shall be placed on training-cum-probation for a period of (2) years. During the training-cum-probation period, he/she shall be paid the Pay along with admissible allowances.

2. He/She on appointment as **Sub-Engineer/Elecl/Operation Section/MIG** is posted under the control of **Asst. Engineer/Opn/MIG.** He/She is directed to report for duty to the concerned immediately. He/She shall report for duty at the place of posting within 30 days from the date of issue of these orders.

3. The appointment as Sub-Engineer/Elecl., is provisional and liable for termination at any time without notice and without assigning any reasons.

4. He/She will be governed by the rules and regulations applicable as framed by the TSSPDCL and as amended from time to time. The Tripartite Agreements entered into between the APSEB, Govt. of A.P. and the Employees Associations are not applicable to the candidates and they shall at no stage be entitled to claim any right whatsoever, arising out of the said Tripartite Agreement. He/She shall submit undertaking in the prescribed format.
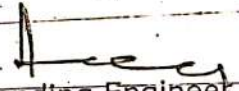

5. He/She has to submit the following documents to the Superintending Engineer/Operation Circle/Sangareddy and the same will be retained with the TSSPDCL till the agreement period is completed along with Original Certificate of SSC, Diploma/Degree, Community, Study Certificates etc., as applicable.

   (i) Physical fitness certificate issued by a Medical Officer of the rank not less than that of Asst. Civil Surgeon in the proforma enclosed.

   (ii) The Attestation forms in (6) sets with (8) latest Photographs, duly filled in by the candidate.

   (ii) Agreement bond executed on a Non-Judicial stamp paper worth Rs.110/- (Rupees One hundred and Ten only) to the effect that they will serve the Company for a minimum period of 5 years after the training-cum-probation period.

   (iv) If the candidate leaves the Company's service during the Training-cum-probation period of 2 years, he/she shall refund to the Company, the emoluments received by him/her during the training-cum-probation period plus Rs.30,000/- (Rupees Thirty Thousand Only) by way of liquidated damages.

   (v) If the candidate leaves the Company during the bond period i.e., without serving a minimum period of 5 years and after completion training cum probation period, shall have to pay to the company an amount of Rs.60,000/- (Rupees Sixty thousand only) by way of liquidated damages.

6. The appointment now ordered is subject to the following conditions :

    (a) The original educational certificates will be retained with the company until the agreement period is over.

    (b) The original certificates shall be returned subject to clearance of all the concerned (in work orders sections) and others, if any.

    (c) If the candidate desire the original certificates, i.e., Diploma/Degree Certificate, Date of Birth Certificate, etc., he/she should address a letter to the Superintending Engineer/Operation Circle/Sangareddy through proper channel along with a DD for an amount of Rs.30,000/- (Rupees Thirty Thousand Only) drawn from any Nationalized Bank.

    (d) On return of the original certificates within a month or the period as be specified by the company, the amount of Rs.30,000/- (Rupees thirty thousand only) shall be returned to the candidate. Otherwise, the amount of Rs.30,000/- shall be forfeited and further action will be taken as per agreement bond.

    (e) This appointment is subject to verification of the character/ antecedents. If any adverse report is received in the said verification, his/her services will be liable for termination without notice.

    (f) The candidates will be governed by the provisions of EPF & MP Act, 1952 and the Employees Provident Fund Scheme in terms of C.O.O(CGM-IR) Ms.No.435, Dt.10-03-2004 and revised from time to time.

    (g) The candidate shall work at the place of posting as Sub-Engineer/Elecl., and no request for change of posting will be entertained.

7. These appointment orders are provisional and are subject to the result of W.P.No.2012 of 2016 and batch filed in the Hon'ble High Court of Judicature at Hyderabad for the State of Telangana and for the State of Andhra Pradesh.

Test Day Photo	Uploaded Photo

Town/City : hyderabad

District : Hyderabad

State : Telangana

Email : deekshit36@gmail.com

CAT Registration Number	20217751	PWD Status	No
Gender	Male	Category	General
Date of Birth	26/Oct/1996	Date of Test	29th Nov 2020

Section Verbal Ability & Reading Comprehension		Section Data Interpretation & Logical Reasoning		Section Quantitative Ability		Total	
Scaled Score	Percentile	Scaled Score	Percentile	Scaled Score	Percentile	Overall Scaled Score	Overall Percentile
36.07	97.25	7.78	53.21	4.46	45.59	48.32	80.03

Instructions:

1. Only those candidates who have taken the Common Admission Test (CAT 2020) are entitled to receive the score card. Keep a print-out of this score card for your information pertaining to CAT 2020. You will not receive the score card by email or by post.

2. The Overall Scaled Score is the sum of the scaled scores of the candidate in the three sections.

3. Percentile refers to the percentage of candidates who receive a scaled score less than or equal to the scaled score obtained by the candidate.

4. IIMs and Non-IIM member institutions independently decide how to use CAT 2020 scores in line with their own selection process. The scores are to be used only for selecting the candidates to their respective Post Graduate/Fellow Programme(s) in Management.

5. Detection of instances of incorrect information and process violation by a candidate at any stage will lead to disqualification of the candidate. CAT scores of such candidates who are disqualified will become null and void. Such disqualified candidates will not be allowed to appear for CAT in future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification and the associated penalties will take place with retrospective effect.

6. All queries regarding post-CAT 2020 selection process must be directed to the respective IIMs. CAT Centre will not answer post-CAT queries.

7. CAT 2020 score is valid only until 31st December 2021 and is subject to the candidate meeting the minimum eligibility marks in the qualifying examination. The score card will be available on www.iimcat.ac.in till 31st December 2021 to download.

8. Webmail support cat2020@iimidr.ac.in & cathelpdesk@iimcat.co.in will be available till 31st March 2021.

GATE Score   451

Valid from March 17, 2018 to March 16, 2021

All India Rank in this paper   **630**

Number of Candidates
Appeared in this paper   **9304**

* Normalized marks for multi-session papers
** A candidate is considered qualified if the marks secured are greater than or
equal to the qualifying marks mentioned for the category for which valid
category certificate, if applicable, is produced along with this scorecard

Digital Fingerprint: 5fa73b260185d86782bdfa4af7f71c88

G. Pugzl

Prof. G. Pugazhenthi   March 17, 2018
Organizing Chairman, GATE 2018
(on behalf of NCB – GATE, for MHRD)

The GATE 2018 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q)\frac{(M - M_q)}{(\overline{M}_t - M_q)}$$

where,
M is the marks obtained by the candidate in the paper, mentioned on this GATE 2018 scorecard
M_q is the qualifying marks for general category candidate in the paper
$\overline{M}_t$ is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in
the paper (in case of multi-session papers including all sessions)
S_q = 350, is the score assigned to M_q
S_t = 900, is the score assigned to $\overline{M}_t$

In the GATE 2018 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the
mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a
scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Codes for XE and XL Paper Sections (compulsory section and any other two sections)

XE: Engineering Sciences
A – Engineering Mathematics (compulsory)
B – Fluid Mechanics
C – Materials Science
D – Solid Mechanics
E – Thermodynamics
F – Polymer Science and Engineering
G – Food Technology
H – Atmospheric and Oceanic Sciences

XL: Life Sciences
P – Chemistry (compulsory)
Q – Biochemistry
R – Botany
S – Microbiology
T – Zoology
U – Food Technology

Graduate Aptitude Test in Engineering (GATE) 2018 was organized by Indian Institute of Technology
Guwahati on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher
Education, Ministry of Human Resource Development (MHRD), Government of India.

Date of Birth:	01 May 1996
Country of Residence:	India
Country of Citizenship:	India
Gender:	Female
Email Address:	nirali.niru1@gmail.com
Registration ID:	332585460
Test Date:	17 April 2018
Test Centre Country:	India
Test Centre ID:	50496
First-Time Test Taker:	Yes
Report Issue Date:	18 April 2018
Scores Valid Until:	17 April 2020

Overall Score: 61

The Overall Score for the PTE Academic is based on the test taker's performance on all items in the test. The scores for Communicative Skills and Enabling Skills are based on the test taker's performance on only those items that pertain to these skills specifically. As many items contribute to more than one Communicative or Enabling Skill, the Overall Score cannot be computed directly from the Communicative Skill scores or from the Enabling Skill scores. The graph below indicates this test taker's Communicative Skills and Enabling Skills relative to his or her Overall Score.

When comparing the Overall Score and the scores for Communicative Skills and Enabling Skills, please be aware that there is some imprecision in all measurement, depending on a variety of factors. For more information on interpreting PTE Academic scores, please refer to *Interpreting the PTE Academic Score Report* which is available at www.pearsonpte.com/pteacademic/scores.

About Your *GRE®* Score Report

Score Reporting Policies

With the *ScoreSelect®* option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the *GRE®* General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE®* Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at **www.ets.org/gre/understand.**

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

Your Performance

Reading Skills	Level	Your Performance
Reading	High	Test takers who receive a score at the HIGH level, as you did, typically understand academic texts in English that require a wide range of reading abilities regardless of the difficulty of the texts. Test takers who score at the HIGH level, typically • have a very good command of academic vocabulary and grammatical structure; • can understand and connect information, make appropriate inferences, and synthesize ideas, even when the text is conceptually dense and the language is complex; • can recognize the expository organization of a text and the role that specific information serves within the larger text, even when the text is conceptually dense; and • can abstract major ideas from a text, even when the text is conceptually dense and contains complex language.

Your Performance

Listening Skills	Level	Your Performance
Listening	High	Test takers who receive a score at the HIGH level, as you did, typically understand conversations and lectures in English that present a wide range of listening demands. These demands can include difficult vocabulary (uncommon terms, or colloquial or figurative language), complex grammatical structures, abstract or complex ideas, and/or making sense of unexpected or seemingly contradictory information. When listening to lectures and conversations like these, test takers at the HIGH level typically can • understand main ideas and important details, whether they are stated or implied; • distinguish more important ideas from less important ones; • understand how information is being used (for example, to provide evidence for a claim or describe a step in a complex process); • recognize how pieces of information are connected (for example, in a cause-and-effect relationship); • understand many different ways that speakers use language for purposes other than to give information (for example, to emphasize a point, express agreement or disagreement, or convey intentions indirectly); and • synthesize information, even when it is not presented in sequence, and make correct inferences on the basis of that information.

Performance

Marks out of 100*	37.00

Qualifying Marks**	35.9	32.3	23.9
	General	OBC (NCL)	SC/ST/PwD

GATE Score 367

Valid from March 17, 2019 **to** March 16, 2022

All India Rank in this paper 1318

Number of Candidates Appeared in this paper 9348

* Normalized marks for multi-session papers
** A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this scorecard

Digital Fingerprint: 7b14f091911cbb07471ec9c019491aa5

N. J. Vasa
Prof. Nilesh J. Vasa   March 17, 2019
Organizing Chairman, GATE 2019
(on behalf of NCB – GATE, for MHRD)

The GATE 2019 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q)\frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,
M is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard
M_q is the qualifying marks for general category candidate in the paper
$\bar{M}_t$ is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
$S_q = 350$, is the score assigned to M_q
$S_t = 900$, is the score assigned to $\bar{M}_t$

In the GATE 2019 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Codes for XE and XL Paper Sections (compulsory section and any other two sections)

XE: Engineering Sciences
A – Engineering Mathematics (compulsory)
B – Fluid Mechanics
C – Materials Science
D – Solid Mechanics
E – Thermodynamics
F – Polymer Science and Engineering
G – Food Technology
H – Atmospheric and Oceanic Sciences

XL: Life Sciences
P – Chemistry (compulsory)
Q – Biochemistry
R – Botany
S – Microbiology
T – Zoology
U – Food Technology

Graduate Aptitude Test in Engineering (GATE) 2019 was organized by Indian Institute of Technology Madras on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Human Resource Development (MHRD), Government of India.

Reading Skills	Level	Your Performance
Reading	High	Test takers who receive a score at the HIGH level, as you did, typically understand academic texts in English that require a wide range of reading abilities regardless of the difficulty of the texts. Test takers who score at the HIGH level, typically • have a very good command of academic vocabulary and grammatical structure; • can understand and connect information, make appropriate inferences, and synthesize ideas, even when the text is conceptually dense and the language is complex; • can recognize the expository organization of a text and the role that specific information serves within the larger text, even when the text is conceptually dense; and • can abstract major ideas from a text, even when the text is conceptually dense and contains complex language.
