CHAITANYA BHARATHI INSTITUTE OF TECHNOLOGY (A)
DEPARTMENT OF EEE
ALUMNI MEET 20202(VIBHAVAM) ON 25.12.2021

Date: 25.12.2021

Minutes of Meeting of the Department Alumni Meet (Vibhavam-2021)

Mrs. D Sushma, Assistant professor Dept .of EEE, welcomed all the faculty, staff members & beloved alumni to the department alumni meet-2021 Vibhavam) on 25/12/2021.

Dr .G. Suresh Babu , HOD EEE welcomed all to this virtual alumni meet crystallised as ‘Vidyut Bharatham Purva Chaitanyam ‘ (Vibhavam) and addressed about the institute vision , mission , department vision , mission & PEOs.

HOD EEE addressed the alumni , that the Dept. is striving hard to excel not only in the campus but also in the global level with cooperation of alumni in excelling performance and also said that Dept. of EEE CBIT is operating under four quadrant operation i.e., built on four pillars namely Affectionate management & Dynamic principal , Staff & Infrastructure , Students (Alumni & Present students) & Stakeholders.

HOD said that Dept. has opened an avenue called ‘ALTEREGO’ for the interaction of seniors with juniors to exchange their expertise.

HOD EEE addressed alumni about the new additions in the laboratory bought under the MODROBS & RPS scheme for the past two years and informed about faculty & student level achievements.

All the members prayed condolences to departed soul Kousthubh vangapally who died on 12.08.2021

Dr. K.Krishnaveni Madam , Director academics asked alumni to contribute their views and their experiences in improving the curriculum which suits the industry requirements based on your expertise and asked alumni to visit the department and give their valuable suggestions in designing the courses.

Dr. U.K Choudhury informed that Dept. of EEE facilitates large number of students to participate in Ideathon, Problem solving, Group of conceptual development, design thinking, IPR, Incubation of Idea through all 50 plus programs which are added by IIC of CBIT

Dr.U.K Choudhury said that there are many outreach programs conducted through ACIC to have the all-round development for the students and also said that there is warm welcome to any alumni who want to have a start up to be incubated at C.B.I.T

Dr.U.K Choudhury said that we encourage the students to file IPR to protect their idea so that they can have IPR assets in addition to their degree.

Sri. M Thirupathaiah thanked the alumni who are part of PAQIC & DAB for giving their valuable inputs and attending the meeting held in the month of November 2021 and said that 30 alumni visited the department from the December 2020 to November 2021.

On the behalf of Dept. of EEE, C.B.I.T (A) & HOD EEE Thirupathaiah invited all the alumni who are expertise in their areas to come forward to the department & help your juniors by giving their valuable inputs.

Samhitha the alumna of CBIT (2014-18) said that the subjects which she studied for four years equipped her with capabilities to do well in the first two years of course work at IIM Calcutta because of the rigor of the program and thanked the department for receiving the outstanding alumni award 2021.

Zoheb Shahzan the alumnus of CBIT (2015-2019) said that we have lot of opportunities in the field of Battery Management, Renewables & Electric Vehicles and we should spend some time in exploring them and also said that the opportunities are not only for CSE & IT but also for every one after the digital transformation.

Charan Sai the alumnus of CBIT (2014-2018) said that he is looking forward to associate with faculty members & the institute in providing his experience & guidance in improving the curriculum. Apart from the core skills gained, the students should equipped with skills that can market themselves in the society.

Prathyusha the alumnus of CBIT (2016-2020) said that the college experiences are memorable and remarkable for the four years which she has spent here and the main reason she quoted was because of faculty, placements, clubs & friends. She thanked each and every faculty member of the Dept . Of EEE, who helped her to understand the concepts in the better and easy way and grateful to the dept. of EEE C.B.I.T for giving all opportunities & great experiences that she got here. I would be much honored to contribute to my juniors and college in any which way possible in my capacity.

Meeting has been concluded and the vote of thanks being proposed by Mr. D.Harsha, Assistant Professor , EEE Dept . & Alumni coordinator of the Dept.

Total number of Alumni attended the meeting -----37
