Sub: Declaration of Results – Autonomous Colleges – Reg.

Sir/ Madam,

It is to inform you that some of the autonomous colleges are declaring their results for different courses beyond the stipulated period of 45 days from the last date of examination. Further, the final year/ final semester student's result should be declared as early as possible in view of the students those who are going for higher education / jobs.

In this regard, it is stating that as per the U.G.C. guidelines the results of the concerned examination must declare within the stipulated period i.e. 45 days from the last day of the examination.

It is noticed to me that the results of the re-valuation is declaring at the end of semester, which causes a lot of inconvenience and academic loss to the students those who are promoting to the next semester. Therefore, the re-valuation results are to be declared within a month of period from commencement of the next semester.

In this connection, you are hereby requested to declare the results of the examination particularly for final year/ semester within the stipulated period only. Otherwise, you should forward with proper reasons for delay to the undersigned immediately. **Kindly treat this matter is very serious and important.**

Thanking you,

Yours sincerely,
