Prof. Nilesh J. Vasa

March 17, 2019

Organizing Chairman, GATE 2019
(on behalf of NCB - GATE, for MHRD)

The GATE 2019 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in

the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2019 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Name: SIRVISETTI VENKAT SRI SAI RAM

Application No. : 17308480

Call Letter for Aptitude Test/Interview for M Tech/M Des programmes - Admissions 2017

With reference to your application for admission to Course Programme (M Tech/M Des) at the Institute, you are shortlisted for aptitude test/design aptitude test (as applicable) to the departments at the Central Lecture Hall Complex. Those who are shortlisted for Computational and Data Science are required to report at the Department of Computational and Data Sciences for the aptitude test and interview and those who are shortlisted for Electrical Engineering report at the Department of Electrical Engineering.

The candidates shortlisted on the basis of their performance in the aptitude/design aptitude tests will be interviewed in the respective departments on 18-19.4.2017 for M Tech and on 21.4.2017 for M Des.

Dept/Venue	Date and Time	Mode Of Entry
COMPUTATIONAL AND DATA SCIENCE	17/04/2017 9:00AM IST	GATE

Date : 01/04/2017

Assistant Registrar (Academic)

Instructions to Candidates

1. Candidates shortlisted for Admission to M Tech programme in Nanoscience and Engineering may note that there is no aptitude test but only interview in the Centre for Nanoscience and Engineering.. on the date and time indicated in the table above.
2. You have to come prepared to stay up to 3/4 days and make your own arrangements for stay.
3. Aptitude/design aptitude test results will be announced by the respective departments in the evening of the same day of the tests.
4. Please bring photostat copies of mark statements from SSLC onwards for verification with reference to the entries in Application including valid GATE/CEED score card(s).
5. You are required to bring with you 2B pencil and eraser for the Test.
6. No TA/DA will be paid to the Candidates for attending Interview except for SC/ST candidates.
7. For any clarification about the aptitude/design aptitude test or Interview/Interview schedule, contact the respective departments through email provided in the department's website.
8. For your information on arrival at Bangalore - Indian Institute of Science is popularly called 'TATA INSTITUTE' in Bangalore. It is situated at a distance of approximately 6 Kms. from the Bangalore City Railway Station/City Bus Station/Cantonment Railway Station and within 2 Kms. of the Yeshwanthpur Railway Station. Bus numbers from Bangalore City Bus Station are 273, 276, 99A, 99B, 272, 252.

Prof. G. Pugazhenthil

March 17, 2018

Organizing Chairman, GATE 2018
(on behalf of NCB - GATE, for MHRD)

The GATE 2018 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2018 scorecard

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2018 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

March 17, 2018

Organizing Chairman, GATE 2018
(on behalf of NCB - GATE, for MHRD)

The GATE 2018 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2018 scorecard

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2018 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

* Normalized marks for Civil Engineering and Mechanical Engineering Papers

** A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this scorecard

Prof. B. R. Chahar

Organizing Chairman, GATE 2020
(on behalf of NCB - GATE, for MHRD)

47c14f40ea615a0451b0c46d9bb87ca4

Qualifying in GATE 2020 does not guarantee either an admission to a post-graduate programme or a scholarship/assistantship. Admitting institutes may conduct further tests or interviews for final selection.

In the GATE 2020, the qualifying marks for a general category candidate in each paper is $\mu + \sigma$ or 25 marks (out of 100), whichever is greater, where μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper. The qualifying marks for OBC(NCL) and SC/ST/PwD candidates are 90% and two-third of a general category candidate in the paper respectively.

The GATE 2020 score was calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where

M is marks (out of 100) obtained by the candidate in the paper

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is greater) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In multi-session (Civil Engineering and Mechanical Engineering) papers, the normalized mark of j^{th} candidate in the i^{th} session \bar{M}_{ij} was computed using the formula

$$\bar{M}_{ij} = \frac{\bar{M}_t^g - M_q^g}{\bar{M}_{it} - M_{iq}} (M_{ij} - M_{iq}) + M_q^g$$

where

M_{ij} is the actual marks obtained by the j^{th} candidate in i^{th} session

\bar{M}_t^g is the average marks of the top 0.1% of the candidates considering all sessions

M_q^g is the sum of mean and standard deviation marks of the candidates in the paper considering all sessions

\bar{M}_{it} is the average marks of the top 0.1% of the candidates in the i^{th} session

M_{iq} is the sum of the mean marks and standard deviation of the i^{th} session

Graduate Aptitude Test in Engineering (GATE) 2020 was organised by Indian Institute of Technology Delhi on behalf of the National Coordination Board (NCB) - GATE for the Department of Higher Education, Ministry of Human Resources Development (MHRD), Government of India.

Prof. G. Pugazhenth

March 17, 2018

Organizing Chairman, GATE 2018
(on behalf of NCB - GATE, for MHRD)

The GATE 2018 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2018 scorecard

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2018 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

(Signature)
Prof. B. R. Chahar
Organizing Chairman, GATE 2020
(on behalf of NCB - GATE, for MHRD)

Qualifying in GATE 2020 does not guarantee either an admission to a post-graduate programme or a scholarship/assistantship. Admitting institutes may conduct further tests or interviews for final selection.

In the GATE 2020, the qualifying marks for a general category candidate in each paper is $\mu + \sigma$ or 25 marks (out of 100), whichever is greater, where μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper. The qualifying marks for OBC(NCL) and SC/ST/PwD candidates are 90% and two-third of a general category candidate in the paper respectively.

The GATE 2020 score was calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

- where
- M is marks (out of 100) obtained by the candidate in the paper
- M_q is the qualifying marks for general category candidate in the paper
- \bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is greater) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
- $S_q = 350$, is the score assigned to M_q
- $S_t = 900$, is the score assigned to \bar{M}_t

In multi-session (Civil Engineering and Mechanical Engineering) papers, the normalized mark of j^{th} candidate in the l^{th} session \bar{M}_{lj} was computed using the formula

$$\bar{M}_{lj} = \frac{\bar{M}_t^g - M_q^g}{\bar{M}_{tl} - M_{lq}} (M_{lj} - M_{lq}) + M_q^g$$

- where
- M_{lj} is the actual marks obtained by the j^{th} candidate in l^{th} session
- \bar{M}_t^g is the average marks of the top 0.1% of the candidates considering all sessions
- M_q^g is the sum of mean and standard deviation marks of the candidates in the paper considering all sessions
- \bar{M}_{tl} is the average marks of the top 0.1% of the candidates in the l^{th} session
- M_{lq} is the sum of the mean marks and standard deviation of the l^{th} session

About Your GRE® Score Report

Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see “Not Available” in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Saketh Merugu**Most Recent Test Date: September 6, 2018**

Date of Birth: January 4, 1998

Registration Number: 3914096

Print Date: January 16, 2019

Retaking a GRE Test

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at www.ets.org/gre/understand.

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at gre-info@ets.org or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at www.ets.org/gre/understand.

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at gre-info@ets.org or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

N. J. Vasa
Prof. Nilesh J. Vasa

March 17, 2019

Organizing Chairman, GATE 2019
(on behalf of NCB - GATE, for MHRD)

The GATE 2019 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2019 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Codes for XE and XL Paper Sections (compulsory section and any other two sections)

XE: Engineering Sciences

A - Engineering Mathematics (compulsory)

B - Fluid Mechanics

C - Materials Science

D - Solid Mechanics

E - Thermodynamics

F - Polymer Science and Engineering

G - Food Technology

H - Atmospheric and Oceanic Sciences

XL: Life Sciences

P - Chemistry (compulsory)

Q - Biochemistry

R - Botany

S - Microbiology

T - Zoology

U - Food Technology

Graduate Aptitude Test in Engineering (GATE) 2019 was organized by Indian Institute of Technology Madras on behalf of the National Coordination Board (NCB) - GATE for the Department of Higher Education, Ministry of Human Resource Development (MHRD), Government of India.

Test Report Form

ACADEMIC

NOTE Admission to undergraduate and post graduate courses should be based on the ACADEMIC Reading and Writing Modules. GENERAL TRAINING Reading and Writing Modules are **not** designed to test the full range of language skills required for academic purposes. It is recommended that the candidate's language ability as indicated in this Test Report Form be re-assessed **after two years** from the date of the test.

Overseas Student Confirmation-of-Enrolment (CoE)

A. INFORMATION FOR OVERSEAS STUDENTS

THIS IS NOT A VISA AND DOES NOT ACT AS AN EXTENSION OF YOUR VISA.

You may check your visa status through Visa Entitlement Verification Online (VEVO) at: [http://www.homeaffairs.gov.au/Busi/visas-and-migration/visa-entitlement-verification-online-\(vevo\)](http://www.homeaffairs.gov.au/Busi/visas-and-migration/visa-entitlement-verification-online-(vevo))

To apply for your student visa to study in Australia go to <http://www.homeaffairs.gov.au/Trav/Stud>. Follow the information on the website to lodge your application online. Please note you are able to attach supporting documentation when lodging your application.

B. COURSE DETAILS

Provider: Carnegie Mellon University [02696B] (trading as: Carnegie Mellon University Australia)

Telephone: 0881109901, Fax: 0882119444

Email: info@cmu.edu.au

Course: Master of Science in Information Technology. [072573M]

Course Level: Masters Degree (Coursework)

Course Start Date: 20/08/2018

Course End Date: 31/05/2020

Initial Pre-Paid Tuition Fee: \$AU 5,000, From: 20/08/2018, To: 31/05/2020

Other Pre-Paid Non-Tuition Fee: \$AU 1,206

Total Tuition Fee: \$AU 93,360

C. STUDENT DETAILS

Courtesy Title: Mr

Family Name: GUPTA

Given Names: Roopansh

Gender: Male

Date of Birth: 26/09/1993

Country of Birth: India

Nationality: India

Provider arranged Overseas

Student Health Cover (OSHC): Yes **Start Date:** 13/08/2018 **End Date:** 12/07/2020

OSHC Provider Name: OSHC by Allianz Global Assistance

English Test Type: Test of English as a Foreign Language (TOEFL)

English Test Score: 97

Comments: Recipient of Carnegie Mellon Universitys MSIT Scholarship Program covering 20% for tuition fees only. Student is required to pay 74,688.00 for tuition fees. Student is also required to pay living expenses.

D. NOTES

The information provided on this form is required by the Australian Government Department of Education and Training, and the Australian Government Department of Home Affairs as evidence of enrolment in a course registered on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) - <http://cricos.education.gov.au>

1. The offer of a place and enrolment of the student must be made in accordance with the provisions of the Education Services for Overseas Students (ESOS) Act 2000, the ESOS Regulations 2001 and the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students (The National Code 2007).
2. This information will be made available to other Australian Commonwealth, State or Territory government agencies.

IMPORTANT

- Keep this CoE and your Written Agreement while you are in Australia
- Find out more about living and studying in Australia (including quality assurance) at www.studyinaustralia.gov.au

Test Date: 17 April 2018
Test Centre Country: India
Test Centre ID: 50496
First-Time Test Taker: Yes
Report Issue Date: 18 April 2018
Scores Valid Until: 17 April 2020

Yalamanchili, Nirali 332585460

Overall Score: 61

The Overall Score for the PTE Academic is based on the test taker's performance on all items in the test. The scores for Communicative Skills and Enabling Skills are based on the test taker's performance on only those items that pertain to these skills specifically. As many items contribute to more than one Communicative or Enabling Skill, the Overall Score cannot be computed directly from the Communicative Skill scores or from the Enabling Skill scores. The graph below indicates this test taker's Communicative Skills and Enabling Skills relative to his or her Overall Score.

When comparing the Overall Score and the scores for Communicative Skills and Enabling Skills, please be aware that there is some imprecision in all measurement, depending on a variety of factors. For more information on interpreting PTE Academic scores, please refer to *Interpreting the PTE Academic Score Report* which is available at www.pearsonpte.com/pteacademic/scores.

Skills Profile

Communicative Skills

Listening 61
Reading 61
Speaking 58
Writing 61

Enabling Skills

Grammar 54
Oral Fluency 66
Pronunciation 36
Spelling 18
Vocabulary 46
Written Discourse 55

NOTE TO INSTITUTIONS: This score report is not valid unless authenticated on the PTE Academic Score Report Website: www.pearsonvue.com/ptescores.

Name: SIRVISETTI VENKAT SRI SAI RAM

Application No. : 17308480

Call Letter for Aptitude Test/Interview for M Tech/M Des programmes - Admissions 2017

With reference to your application for admission to Course Programme (M Tech/M Des) at the Institute, you are shortlisted for aptitude test/design aptitude test (as applicable) to the departments at the Central Lecture Hall Complex. Those who are shortlisted for Computational and Data Science are required to report at the Department of Computational and Data Sciences for the aptitude test and interview and those who are shortlisted for Electrical Engineering report at the Department of Electrical Engineering.

The candidates shortlisted on the basis of their performance in the aptitude/design aptitude tests will be interviewed in the respective departments on 18-19.4.2017 for M Tech and on 21.4.2017 for M Des.

Dept/Venue	Date and Time	Mode Of Entry
COMPUTATIONAL AND DATA SCIENCE	17/04/2017 9:00AM IST	GATE

Date : 01/04/2017

Assistant Registrar (Academic)

Instructions to Candidates

1. Candidates shortlisted for Admission to M Tech programme in Nanoscience and Engineering may note that there is no aptitude test but only interview in the Centre for Nanoscience and Engineering.. on the date and time indicated in the table above.
2. You have to come prepared to stay up to 3/4 days and make your own arrangements for stay.
3. Aptitude/design aptitude test results will be announced by the respective departments in the evening of the same day of the tests.
4. Please bring photostat copies of mark statements from SSLC onwards for verification with reference to the entries in Application including valid GATE/CEED score card(s).
5. You are required to bring with you 2B pencil and eraser for the Test.
6. No TA/DA will be paid to the Candidates for attending Interview except for SC/ST candidates.
7. For any clarification about the aptitude/design aptitude test or Interview/Interview schedule, contact the respective departments through email provided in the department's website.
8. For your information on arrival at Bangalore - Indian Institute of Science is popularly called 'TATA INSTITUTE' in Bangalore. It is situated at a distance of approximately 6 Kms. from the Bangalore City Railway Station/City Bus Station/Cantonment Railway Station and within 2 Kms. of the Yeshwanthpur Railway Station. Bus numbers from Bangalore City Bus Station are 273, 276, 99A, 99B, 272, 252.
