## One day Workshop

Under the banner of Civil Engineering Association (CEA)

On

**Basic Principles of Project Management  
and  
Applications of Primavera**

**1<sup>st</sup> February 2023**

**Organized by**

**DEPARTMENT OF CIVIL ENGINEERING**  
**Chaitanya Bharathi Institute of Technology**  
**(Autonomous)**

Affiliated to Osmania University  
Accredited by NAAC-UGC and NBA-AICTE  
ISO 9001:2015 Certified Institution  
Gandipet, Hyderabad-75 (TS), India

## **ABOUT COLLEGE**

Chaitanya Bharathi Institute of Technology, established in the Year 1979, esteemed as the premier engineering institute in the states of Telangana and Andhra Pradesh. It is located in idyllic surroundings of Gandipet Lake, Hyderabad. The Institute, committed to education and innovation and over the 43 years, has emerged as a dream destination for students with a rewarding career and corporates to source well-rounded engineers. Best academic practices with quality education enabled the Institute to establish its Identity in the Technical Education in both the Telugu Speaking States. The great learning experiences in the institute have enriched the lives of students and helped them to develop into a multi-skilled and multi-tasking personalities that ensured success in their careers and occupations. With the students being the singular objective, the institute has established excellent infrastructure such as state-of-the-art laboratories, spacious library with printed and digital collection of books and journals, sports, hostel, and other infrastructure for extra and co-curricular engagements with a total built-up area of about 57,714 m<sup>2</sup> in the serene ambience of 50 acres to inspire, encourage and pursue academics. In its relentless strive for Academic excellence, CBIT has scaled great heights both nationally and internationally in industry and global universities.

## **ABOUT THE DEPARTMENT**

Civil Engineering Department of the institute started functioning right from the inception of the institute, in the year 1979. It has well qualified, experienced and dedicated faculty and committed supporting staff. Apart from giving their best in academics, the students of the department are highly enthusiastic & actively participate in various co-curricular & extra-curricular activities. The laboratories of the department are well equipped with advanced and sophisticated instruments, to fully satisfy the training needs of the students and research and consultancy needs of the department as well. The department offers one UG programme (Two Sections) and one PG Programme (Structural Engineering). Conducting seminars, workshops and conferences on the latest developments in civil engineering, arranging expert lectures and industrial visits for the benefit of staff & students, is a regular feature in the department. The department also offers Consultancy Services for various Government and Private Agencies and has completed a good number of prestigious projects. It is a matter of great pride that this Department has submitted the draft for 'Water Policy' for the newly formed Telangana State.

This academic year, CED has organised one 6-Day AICTE sponsored training program on "Crying need of Bridges" and an International Conference "ICACE2022" in collaboration with Universities abroad and India. An interdisciplinary (with Mechanical Engg Dept.) project worth Rs. 9.89 lakhs sanctioned by DRDO is under progress. In the current academic year, CED has published 21 research papers in reputed peer reviewed Journals/ conferences Also, one patent has been granted and one is published. Students of the department are equally good in extracurricular & Co-curricular activities and received some awards as well.

## **TOPICS TO BE COVERED IN THE WORKSHOP**

1. Basics Principles of Projects Management
2. Industrial Applications of Primavera
3. Primavera-Hands-on Experience

## **OBJECTIVES OF THE WORKSHOP**

This training programme is intended to enable the participants

1. To understand and appreciate advance application used in construction industry.
2. To get used to with the basics of Primavera application.
3. To gain exposure to construction management and its versatile application in different industries.

## **ABOUT THE SPEAKER**

**Mr. Srinivas Prasad**

**Project Manager, Dhrumataru Consultants Pvt. Ltd, Hyderabad**

He completed his B.E. in Civil Engineering in 2007 and M.E. in Construction Engineering and Management in 2009 from Osmania University. After completion of M.E. he worked in several companies in different roles having different responsibilities. Starting a career as an Engineer, he worked also as a CAD Engineer, Project Engineer, Project Lead and currently working as a Project Manager. Through his career he focus on learning different tools and become an expert on Project Management Tools, Plant design tool, CAE Tools along with 3D and 2D CAD Tools. He has an excellent grip on demonstrating the tools in a classroom environment. He is highly focused on impart the basic concepts to fellow participants through a unique way of presentation.
