

Name of Faculty	Dr. Anireddy Srilakshmi		
Designation	Assistant Professor		
Nature of Job/Appointment	Contract		
Date of Joining	20-05-2026		
E-mail	srilakshmia_aids@cbit.ac.in		
Education Qualifications	Name of the Degree	Class	
Ph. D	Doctor of Philosophy (CSE) Chitkara University, Punjab.	Awarded	
PG	M.Tech. (CSE)	First with Distinction	
UG	B.Tech (IT)	First with Distinction	
Work Experience			
Teaching	12 Years		
Research	--		
Industry	--		
Others	--		
Area of Specialization	Augmented Reality, Artificial Intelligence, and Coding.		
Professional Memberships	LMISTE IAENG		
Responsibilities held at the Institution Level			
Responsibilities held at the Department Level	1. Coding Club Coordinator -UG		
Research Guidance			
Awards Received	1. Mentored the student's project, which was selected as one of the top 10 in the Smart India Hackathon in 2016 in Pune. 2. Received appreciation from the Task Director at the success meet organized at Sphoorthy Engineering College for mentoring the project that won 2nd prize in the ACM Women Hackathon at Chitkara University in 2017. 3. Best Coordinator from Sphoorthy Engineering College.		
Courses Handled at Under Graduate / Post Graduate Level.	UG Level: Linux Programming, Java Programming, Web Technologies, Mobile Application Development, Data Structures and Algorithms, Design Analysis and Algorithms, Full Stack Development.		
No. of Papers Published	National Journals – 00	International Journals – 05	
	National Conference – 00	International Conference – 04	
Certifications	1. Certified IUCEE International Engineering Educator Certification Program (IIEECP).		

	2. Certified as ORACLE ACADEMY CERTIFIED INSTRUCTOR for Java Fundamentals and Java Programming. 3. Certified as a Full Stack Developer from Virtusa
Technology Transfer	1. Delivered Training and made students Certified in ORACLE ACADEMY: JAVA FUNDAMENTALS AND JAVA PROGRAMMING 2. Delivered Training in Android Fundamentals.
Invited Speaker	--
Details of Short-Term Training Programs/Faculty Development Programs/Seminars/Workshops. Other Training (Attended and/or Organized).	Attended one week FDP on "Microsoft .Net" from 20th to 25th June 2016 at Sphoorthy Engineering College. Attended one week FDP on "Realism in the Classroom" from 20th to 26th October 2016 at Sphoorthy Engineering College in association with TASK. Attended one week FDP on "Faculty Development Program by Learning Curve" from 22nd to 27th May 2017 at Sphoorthy Engineering College. Attended Oracle Certification Program in the year 2017 at TASK. Attended 4 day workshop on c Programming in the year 2017 at TASK. Attended one week FDP on "Android Fundamentals" from 20th to 25th December 2017 at MGIT in association with TASK. Attended 2-day conference SCIPY 2016 at IIT Bombay in association with FOSSEE. Attended 3-day conference E-summit 2017 at IIT Bombay. Attended Unity Conference in the year 2017, 2018 and 2019 at Hyderabad. Attended IUCEE Conference in the year 2017, 2018, 2019 and 2020 at Hyderabad and Madurai. Presented a Research Paper in IEEE conference on "Innovations in Tourism Industry & Development Using Augmented Reality (AR), Virtual Reality (VR)" in Tencon 2019 at Hotel Hyatt, Kerala. Attended one week FDP on "Basics of statistics in Engineering Education Research" at Sphoorthy Engineering College in 2018. Completed one month course in "Introduction to Game Development" in Coursera. Completed one month course in "Introduction to AI" in Coursera. Completed one month course in "Handled with AR" in Coursera. Completed C Programming and JAVA Programming Courses in Code Tantra. Coordinated with IOT Maker Space team for conduction of Central Hackathon in the year 2017 associated with Task. Central Hackathon is organized to the students twice in the year 2018 and 2019 respectively at Sphoorthy Engineering College in association with JHUB. Organizes a 24-hour offline hackathon (Hact IT 22) in CBIT from 2nd December 2022 to 3rd December 2022
