No. 1039/CBIT/AEC/IC/2023

Dt. 12.09.2023

CIRCULAR

As part of the **Smart India Hackathon (SIH) 2023, HackItOn** in collaboration with **CBIT Open Source Community (COSC)**, is organizing an **Internal Hackathon** on **23-09-2023** from **10 AM to 4 PM** at **CSE labs**.

This internal round of SIH is an exclusive event held within participating colleges. During this phase, students form teams and present their ideas to the college to secure a spot in the **national-level SIH competition**. It's a vital step where students can refine their concepts before moving on to the grand finale.

Date: 23rd September, 2023

Time: 10 am to 4 pm

Venue: CSE labs

All interested students should form a team of 6 members (every team must have **AT LEAST ONE FEMALE TEAM MEMBER**), select a problem statement from the website of SIH, and partially implement your solution. On the day of the Internal Hackathon, each team will have the opportunity to present their idea and progress to the college. The **best 35 teams** will be chosen to represent CBIT at the national level.
