To Whomsoever it May Concern,

Ms. Ayushi Chaturvedi has successfully completed a internship in our organization.

Ayushi was working as a Research Intern on Code & Design Development of our Autopilot Software from 20th Oct 2022 to 19th Nov 2022.

She has been an excellent intern and has shown immense dedication to the tasks assigned.

As a Research intern she has worked on following tasks:

- UI Design development for our commercial project, an autopilot software system, "PilotX v0.2.0".
- Code Development for an in-app vehicle parameter calculation interface and algorithm.
- Reviewing PilotX v0.1.2 and suggesting changes in User Experience related features.
- Assisted company executives to take strategic and branding based decisions where technology plays an important role.
- Creating final release version of the software

We are strongly confident that Ayushi will prove to be a important team player and will help in finishing all tasks with high quality in all her upcoming organizations.

We wish her all the best for her journey ahead.
