

DEPARTMENT OF ARTIFICIAL INTELLIGENCE & DATA SCIENCE

The Department of BE(AI&DS) gathered feedback on components such as Vision, Mission, PEOs, POs/PSOs, Quality of Curriculum, and Infrastructure from stakeholders through various surveys to enhance the department's quality. The analysis of feedback obtained and suggestions given by the stakeholders are given below:

1. Students Program Exit Survey and action taken report (Enclosed in Excel Sheet)

2. Course Exit Survey

At the end of the semester, each faculty gathers the course exit survey to evaluate the organization of course content, emphasis on fundamentals, usefulness of class tests and assignments, coverage of topics beyond the syllabus, and the rating of course outcomes. They all enhance the course syllabus and the student's comprehension of the material.

3. Parents' feedback and action taken report: (Enclosed in Excel sheet)

We appreciated the parents' recommendations and their constructive criticism guided us in making essential adjustments in various areas. Below is the feedback provided and the action taken: Ensure a practical application of concepts, curriculum adaptable to evolving industry requirements, chances for industry collaboration and internships, and Maintain a balanced core-elective mix.

4. Alumni feedback and action taken report

Alumni make vital contributions to the institute through their social and professional networks. Upon entering the workforce, individuals demonstrate the capacity to make sound judgments regarding the course they completed, including its substance, relevance, and applicability to real-life situations. We gathered information from the alumni and consider their suggestions when necessary. The suggestions given are as below:

1. The subjects should be curated to focus more on practical knowledge.
2. Though proper attention should be laid on the buzzwords, it is equally important to focus and strengthen the basics in the Mathematics involved behind, the basics of AI & ML.

HEAD OF THE DEPARTMENT
Department of AI&DS,

INSTITUTE OF TECHNOLOGY,
Hyderabad-500075, Telangana, India.

The suggestions given by the alumni were discussed in the BoS meeting and their suggestions were followed in the curriculum of upcoming regulations.

5. Employer feedback and action taken report analysis

The recruiters were pleased with the institute's efforts to improve the students' skills and traits. They provided comments and a report on the actions taken.

CONCLUSION:

Thus, the feedback given by the stakeholders was analyzed and suitable action was taken to satisfy the expectations of students, parents, and employers. This further helped us to improvise our curriculum as per the expectations of the stakeholders
