## Report on the Student Induction Program 2022-23

Chaitanya Bharathi Institute of Technology successfully organized the Student Induction Program as per the norms of AICTE to provide an orientation to the first-year Engineering students who joined the institute for their four years BE/B. Tech program. The Orientation Program was conducted on 04-11-2022 followed by the Student Induction Program continued upto 12-11-2022.

The purpose of the SIP has been to prepare the newly admitted undergraduate students for the new stage in their life by facilitating a smooth transition to college life.

The goal of the SIP has been to help the students to:

- Become familiar with the ethos and culture of the institution
- Set a healthy daily routine, create bonding in batch as well as between faculty members and students
- Get exposure to a holistic vision of life, develop awareness, sensitivity, and understanding
- Facilitate them in creating new bonds with peers and seniors
- Overcome weaknesses in some essential professional skills

As a part of the Induction program, the institute conducted all the sessions which have been made mandatory by the AICTE. The students were welcomed by the CBIT family and have been adequately inducted into the engineering course they will pursue. The program has oriented the students towards the different aspects of the various courses, curriculum, assessment and evaluation patterns, the recent changes which have been brought into them, the various exploring avenues in terms of employment and career, clubs, and other activities to nurture their diverse talents through, in addition to the comprehensive information and guidance about the different aspects of the Institute.

Student Induction Program flagged off with an Orientation program on 04<sup>th</sup> November, 2022, framed as Deeksharambh, graced by Sri. Navin Mittal, IAS, Commissioner, Collegiate Education & Technical Education at Government of Telangana as our Chief Guest. After a traditional opening of the session followed by Invocation, the Principal of the CBIT, Prof. P. Ravindra Reddy, congratulated and welcomed the students introducing the institute: its proud milestones achieved in several areas like placements, innovative research, patents, and encouraged students to be a part of the research teams to make their dream of innovation and entrepreneurship come true.

*Chief Guest Sri. Navin Mittal gracing the orientation program, invocation of lamp and release of college magazine.*

Prof. Suresh Pabboju introduced the Chief Guest, listing the prestigious accolades, won in his career, which sourced huge motivation for students and teachers as well. Our Chief Guest, Sri. Navin Mittal, IAS released the newsletter of the Institute- “Transcendent” and addressed the students and parents. He encouraged the students not to forget the hard work and efforts put forth to reach this big day and encouraged them to take motivation from the seniors who bagged handsome pays in campus placements, utilize the proud facilities of college and keep themselves physically and mentally fit. Estimating the globalized economic stature of India for the next decade, he stated that this batch of 2022-26 students are fortunate enough as Indian citizens.

All the Advisors, Directors, Joint Directors, Heads of Departments were introduced to the students and parents and addressed the gathering. The Director, AEC, Prof. Suresh Pabboju introduced the exam patterns, Regulations of the curriculum, evaluation procedures of CIE and SEE, rules to be followed by the students. The Director of Academics, Prof. Krishnaveni addressed the students encouraging them to know and understand the curriculum and Exam patterns, how to prepare themselves major and minor courses, targeting carefully their credit scores. The Advisor, CDC, Dr. N.L.N. Reddy, encouraged the students to know the importance of a systematic planning for the placements. Prof. Umakanta Chaudhury, Director, Innovation & Incubation introduced the R& D hub, its activities and stressed that the need to develop formation of innovative ideas, share them and train themselves to entrepreneur their ideas through a prototype. The Director, IQAC, Prof. N. V. Koteswara Rao, addressed the students regarding the understanding of curriculum, course outcomes to be targeted for their future after the completion of the course. The orientation program was closed successfully with vote of thanks by the first year In-Charge Prof. B. Sreenivasa Reddy after a few students of higher semesters shared their experiences to motivate their juniors, and to assure their best future and safety in the Institute.

Department level meeting for the respective programs were conducted where students were provided an orientation towards the vision and mission of their departments, curriculum, internship, minor degree, honors degree, objectives, deliverables, activity points, R22 rules and regulations, Code of conduct etc. The faculty also introduced themselves and talked about their subjects and areas of specializations.

*Departmental visit: Academic rules, Code of conduct etc. explaining by the HoDs*

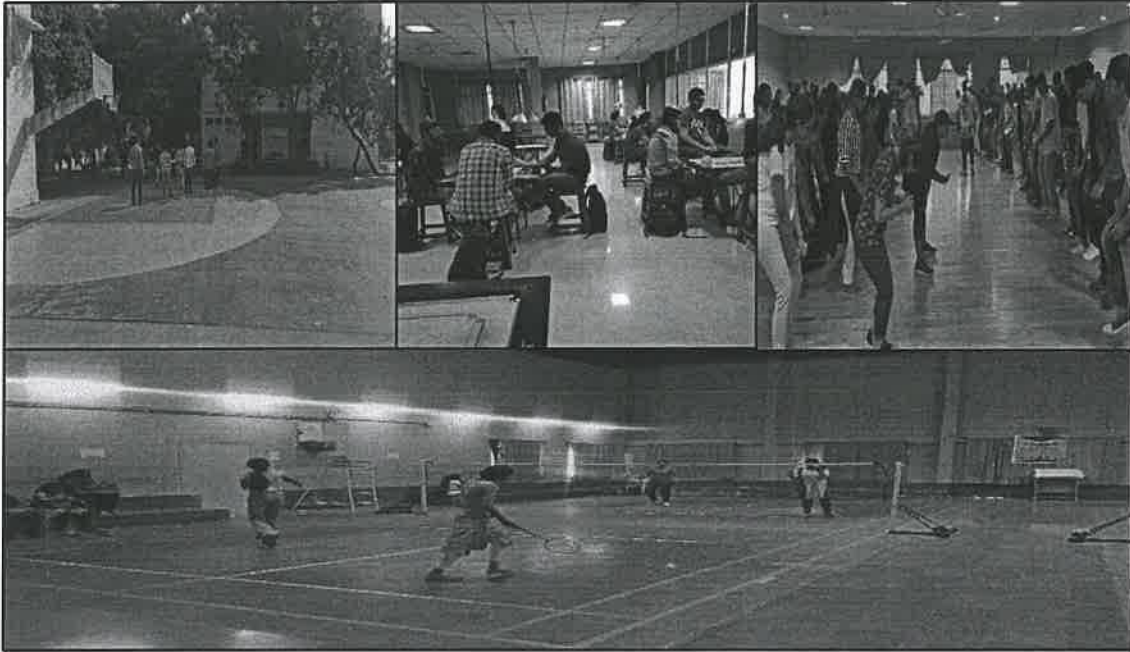

The Student Induction Program was framed carefully from 05<sup>th</sup> Nov, 2022 in various dimensions to give an overall exposure to the college atmosphere, and motivate them to lead a successful joyous stay during their in-take of the courses, and keep themselves sound-mind and body to be a successful, responsible and goal-oriented personality.

The students are divided into six houses, with each house having 12 batches. Every batch had UHV sessions to motivate the students to lead moral and ethical value-filled life, a campus walk session to get familiarized with the college campus, an introduction to different clubs in college, and physical activity sessions comprising sports, aerobics, and yoga.

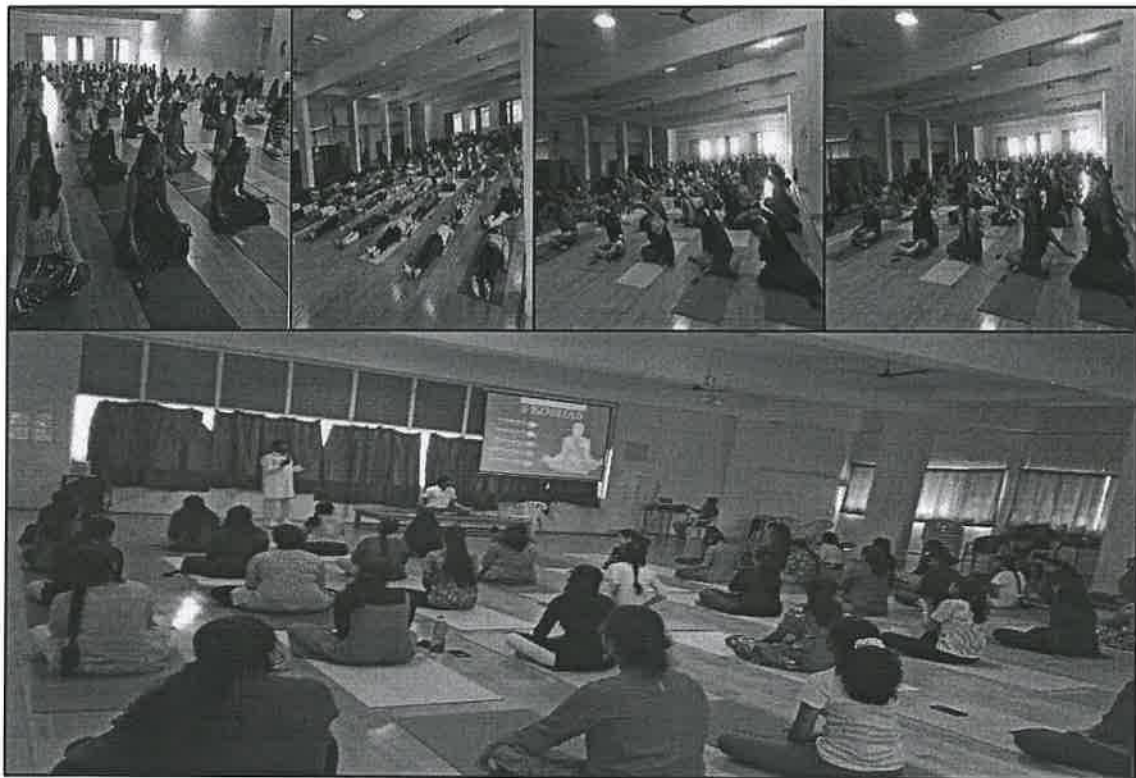

*Campus visit of different houses*

*Introduction to sports amenities in the campus*

The **Yoga and Aerobics** session were intended to help the students understand the basic principles to remain healthy and fit and practice them through a healthy routine. Harmony of the self and the body, mental and physical health were emphasized and the students were made to do yoga and aerobics during the scheduled sessions.

*Yoga session for students creating awareness on connecting body and mind*

Experts from Brahma Kumari's officially known as 'Prajapita Brahma Kumaris Ishwariya Vishwa Vidyalaya' dedicated to personal transformation and world renewal delivered thought-provoking and motivating sessions on Emotional Intelligence. BK. Dr. Srilatha, a homeopathic physician and associated with Brahma Kumaris since childhood and now rendering her services at Nallakunta branch in the last 17 years, awarded with "Woman in Leadership Award" from TDPTS in 2021 and 'Naari Samman Puraskar' from SIFA in 2022 introduced to students the difference between weak, strong, and intelligent personalities and how they react to humiliating situations. She also introduced that we find two types of people: Type-A who aim for perfection and work hard but are short-tempered because of self-confidence and pride and Type-B people who are easy-going and open-minded. She motivated the students to remember 4 A's in Life: Awareness, Acceptance, Attitude, and Appreciation. She reminded the students that lack of awareness may lead to negative emotions. She also encouraged the students to have faith in themselves quoting "Self-ruler becomes world-ruler". She advised them to stay connected to God to be more positive, not hurt others as it hurts their souls, and to never blame others for their failures.

BK. Dr. Kavitha who surrendered her life in the service of Mankind from 1998 after her graduation and a National Awardee from Yog confederation of India and Awardee of Nari Samman Award 2020, delivered a motivational session on "Emotional Intelligence". Taking inspirational examples like Thomas Lava Edison, the way he dealt the situation where his discovered bulb, broke in the hands of a small boy before the day of exhibiting it to the Technical and Scientific society, she drove the students towards the importance of controlling our negative situations through Intelligence and Spiritual Quotient. She illustrated how Emotional Intelligence is related to the brain and heart and how it helps students to evolve as successful leaders in different organizations and how it fosters good health and in being a valuable social being. She insisted on the importance of self-awareness and motivated them to recognize others' feelings and use it in decision-making. Exercises to train the brain to function both creatively and logical using the left and right parts of it were also performed by the students under her able examination and lead.

*BK. Srilatha and BK. Kavitha delivering UHV sessions*

BK. Dr. Anjali, Facilitator of “Education in Values, Meditation & Yoga” under the Government Program of “Sarva Siksha Abhiyan”, popular trainer in National Television, an Executive Member of both the “Scientists & Engineers” and “Education” Wings of the “Rajyoga Education and Research Foundation” and BK Rama Krishna delivered a session on Professional Ethics. Defining “Profession” and “Ethic”, they mentored the students to know how humbleness, and dedication are important in workplaces. They delivered the students to understand how contentness by changing our attitude can help to control odd situations with good illustrations. Habits and manners to inculcate to transform from a good student to successful employee were guided by listing the importance of etiquette, Listening skills and sound body and sound mind.

*BK. Dr. Anjali and BK. Ramakrishna, on “Professional Ethics”*

Our beloved faculties also acted as active mentors, rendering their knowledge and experience motivating the students. Dr. Hari Krishan Yadav, Faculty in Mechanical Engineering Department delivered a session on “Understanding the Human Being as co-existence of the Self and the Body”, helping the students to know the need and basic guidelines of “Value Education” and how it helps to identify one’s basic aspiration and foster in developing appropriate technology to utilize for human welfare. Helping the students to understand the purpose and value of “human life”, he guided them to understand the priorities, needs of body and self, and the importance of knowing “the recognition & fulfilment in the self”.

Dr. Jyothirmai, an Assistant Professor in the Mechanical department, mentored the students helping them to discover what they consider valuable, and to discriminate between valuable and superficial in real situations in life. She helped them to come up with their weakness, strengths, goals, and to know what value education and technical education is, and ways to explore happiness, and prosperity. She empowered the students to know how desire and effort should be compatible, and how a human being can be transformed into a holistic being.

During the **CBIT CLUBS** session, Joint Director Student Affairs & Progression, Professor Jagannadha Rao, provided a brief introduction about the different clubs Chaitanya Sudhee, Chaitanya Saahithi, Chaitanya Kreedha, Chaitanya Samskruthi, Chaitanya Chaaaya, Chaitanya Seva, Chaitanya Smriti. The student coordinators of different clubs interacted with the freshers and gave them a detailed information of the different clubs and also explained the procedure for becoming a member of the club.

**Fine Arts** session helped the students realize the importance of Fine Arts in every one's life. The session explained the various avenues available to the students for nurturing their skill in Fine Arts as they are available in the institute.

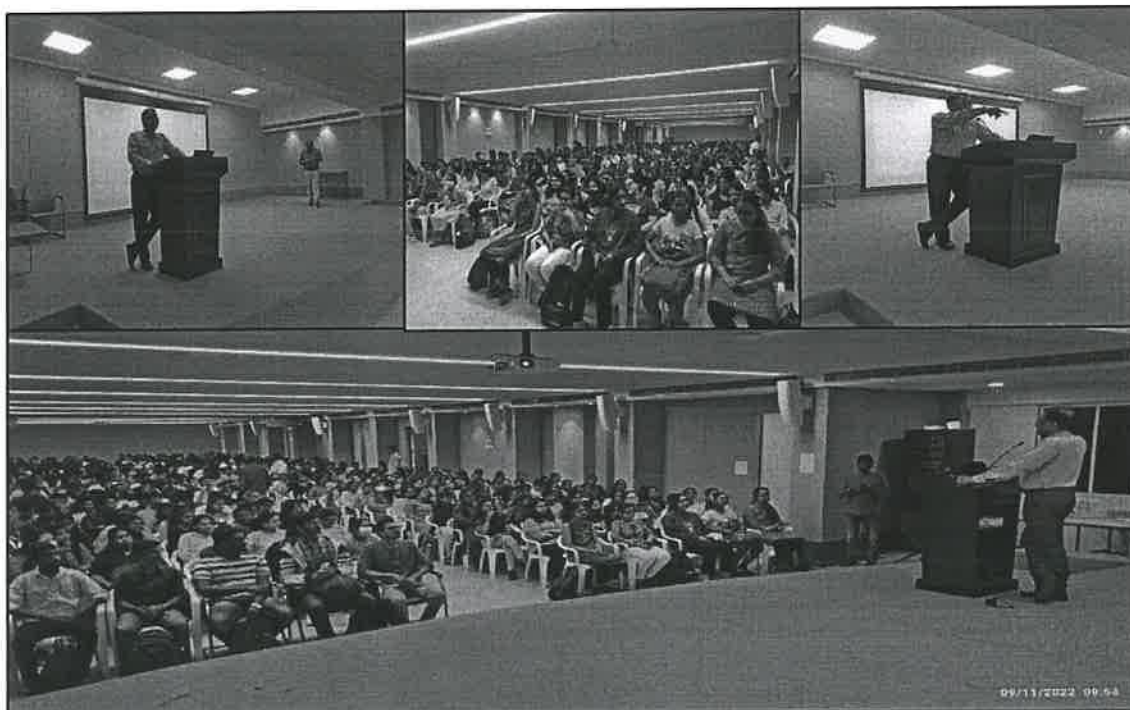

*Awareness session on importance of arts and extracurricular activities by Literary and Arts Club-CBIT*

During the **Library session** the students were made to visit the library and were given details about the textbooks, reference books, journals, etc. available in the library and also of the entire the procedure of taking books from the library.

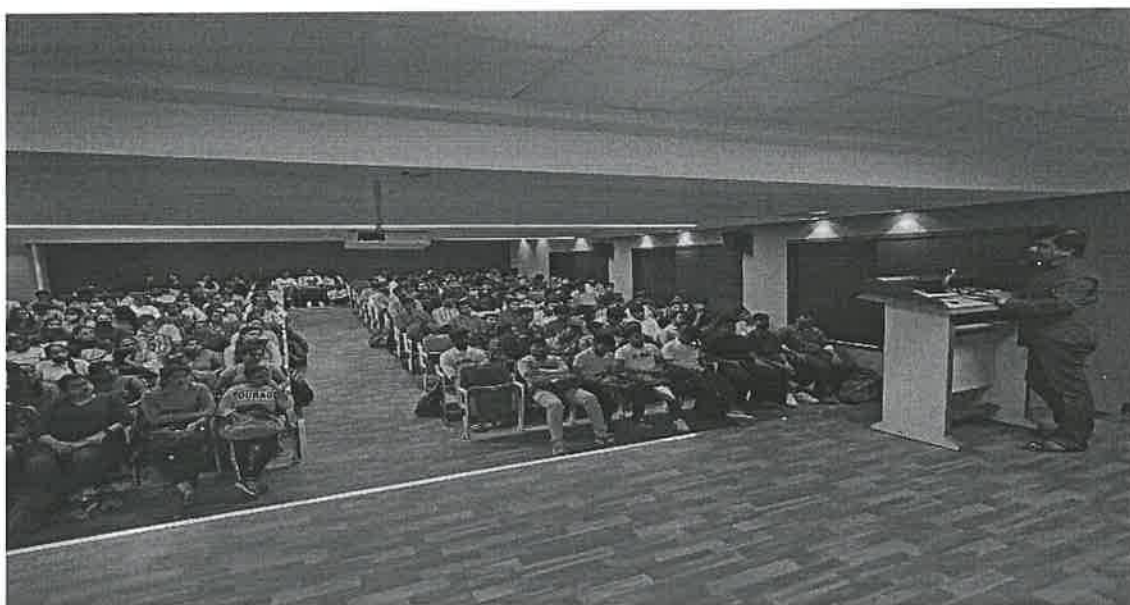

*About the Library and Information Centre by Dr C. Srikanth Reddy*

**Career Guidance** gave insight about the various opportunities that were available. Students are mentored by Dr. N.L.N. Reddy to focus on basic fundamental and strategical concepts of subjects related to latest and future technologies. Students were also made familiar with some of the important aspects that can enable the students to get excellent placement.

*Students interacting with Dr N. L. N. Reddy on Career Guidance*

In addition to these, sessions to get familiarized with the college in aspects of Career guidance, Academic and Examination reforms of the institute, and Library along with Motivation lectures and workshop sessions by Eminent people were also organized.

*Dr. K.Vinay Kumar Reddy introducing the institute's examination reforms*

A visit to a local area is also planned to help non-local students familiarize themselves with the surroundings and enhance their introduction to each other.

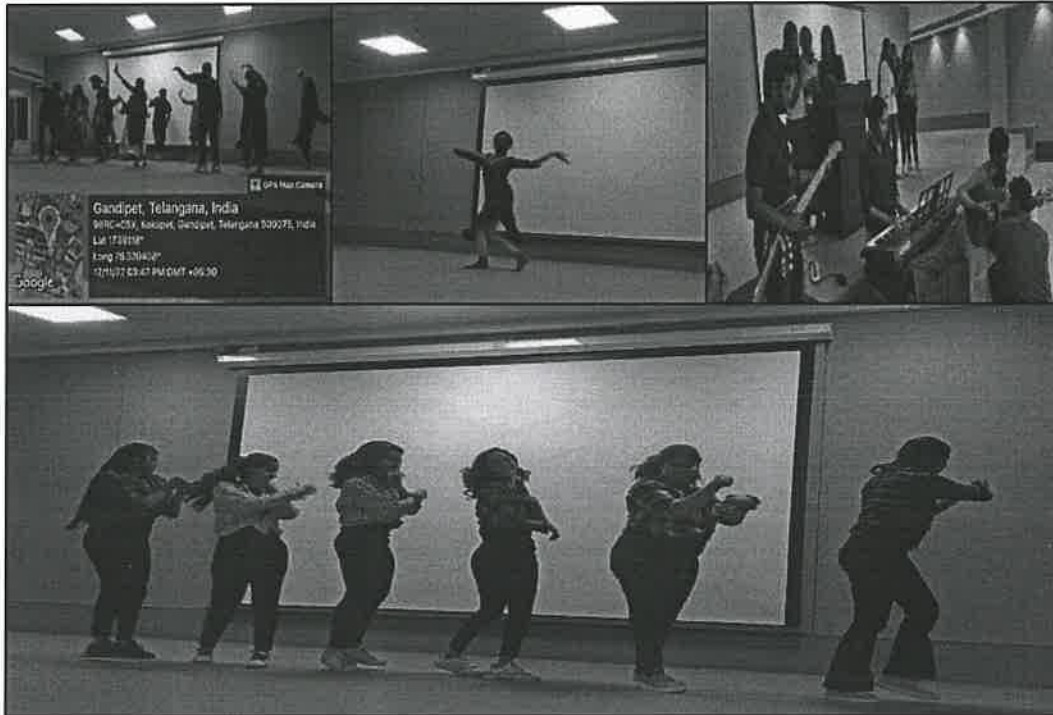

*Visit to Golconda fort*

The SIP-2022 closed with a grand celebration of the Valedictory program, after Harithaharam- a plantation drive, to motivate the students to preserve the greenery in the college ambience and the environment globally. With several cultural performances by students, and an appreciating and motivational speech by Our Honourable Principal Dr. P. Ravinder Reddy, and a closing address by First-year in-charge Prof. B. Sreenivasa Reddy, the SIP closed successfully.

*Awareness on preserving the greenery in campus through Harithaharam*

*Performance by students in valedictory event*

*Honourable Principal-Prof. P. Ravinder Reddy and First year In-charge-Prof. B.Sreenivasa Reddy in Valedictory session*

Sub: Celebration of World Intellectual Property Day on 26<sup>th</sup> April, 2023  
Theme: Women and IP: Accelerating innovation and creativity

World Intellectual Property Day is celebrated on 26<sup>th</sup> April 2023 to raise awareness about Intellectual Properties and how Patents, Copyright, Trademark etc., are protected. This year, the theme of World Intellectual Property is "Women and IP: Accelerating Innovation and Creativity". The motive behind this day is to make people aware of intellectual property and how to protect them. World Intellectual Property Day is an opportunity for young people to find out how IP rights can support their goals, help transform their ideas into reality and how to create IPRs.

CBIT's Institute Innovation Cell and EDC Cell will be arranging the IP sessions on Patent, Design, trademarks, copyright, geographical indications, trade secrets etc., which will help the students and faculty to understand about the role that intellectual property (IP) rights play in encouraging innovation and creativity. The following programs will be arranged off line in the N-Block Seminar Hall.

- 1) Address by the Principal, CBIT
- 2) Presentation on IPR Filed, Published and Granted for CBIT. Patents and copyrights filed by Women Inventors. (by the Advisor-I&I, CBIT)
- 3) Lecture on "Accelerating innovation and creativity & Innovation and IPR-innovating for Better future" by Senior Patent Attorney, Mr.Tapan Brahma, (the speaker will join on line)

As per the guidelines of Ministry of Education Innovation Cell for the CBIT's IIC is organising the session in order to motivate the faculty and students to file more IPRs. For any further information in this regard, contact Dr. Vanita Guda, Asst. Prof., Dept. of CSE, Mobile : 9381281477, and Ms. V. Sandhya Reddy, Asst. Prof., Dept. of Mech. Engg., Mobile: 9701540189.

All the interested Faculty and Students are advised to attend the program from 11:00 AM to 12:30 PM tomorrow without detrimental to class work. Students who can't be accommodated in the Seminar Hall, can join online for the session. Link for joining the Session : <https://cbithyd.webex.com/j.php?MTID=ma60b67ff8a5ae56f520fa5e391da75ce>

  
PRINCIPAL

To  
All the Advisors, Directors, Associate & Joint Directors, Heads of the Departments / Sections, CoE, Librarian, Head-HR, Asst. PD and PRO, for information and advised to arrange for circulation among all the Faculty and Students under their control.
