Written by Mr Srinivas Andoju, Assistant Professor, Dept. of English, Coordinator of the event.

An awareness session on “The Importance of Emotional Intelligence” has been organised by Soft Skills Training & Development Committee – CDC as an inchoing attempt to boost students’ overall academic performance and confidence levels. **Ms. Karanam Anuradha Nithisha, Technical Lead - HCL Technologies, Hyderabad** addressed the students on 16-06-2023 from 10.15 AM to 12.15 PM in the Assembly Hall above the canteen. The 2nd semester students who have Student Counseling sessions scheduled during the slots attended both the slots. All the class teachers of remaining sections of 2nd semester and 4th semester were advised to identify low performers in their respective classes and encourage them to attend the session. Attendance was taken at the assembly hall after the session and posted online accordingly. The session benefitted the students very much to realize their academic contexts.

Students were asked many questions as to relate the situations showed in videos by the speaker, thus the session was so lively and interactive. About 300 students have participated actively and had good take-aways from the session. It was successfully concluded after the Q & A. The students and the speaker were expressing their happiness and satisfaction at the end.
