The HOD of School of Management Studies, Dr. E. Jalaja addressing the Gathering on the day of the Event.

Think Club has officially taken feedback from the students using a google form. It shall be produced to the authorities on demand.

Here are pictures of guest speaking Mr. Goutam Jawahar addressing students and the Think Club team with the guest speaker.

Report on "Decode Human Resources and Interviews"

On 26th November Think Club organized a talk on Human Resources and Interviews. The event formally began at 10 AM. Mr. Goutam Jawahar, an alumnus from the batch 2019-20 batch attended the event as the Guest Speaker. His expertise in the Human Resources domain is highly appreciable. Think Club is glad to host him as the guest speaker.

The program was conducted in Placement Cell Seminar Hall which is on 2nd floor above the canteen. Students from 1st year and 2nd year have attended the talk. The total participants were recorded as 168 as per the Think Club's signed attendance sheets.

The Club's Vice President Ms. Surekha hosted the talk for the day. She initiated the program with her humble greetings to the faculty and students. Later, guest speaker Goutam Jawahar has taken over the session. His talk with students was very casual and interactive.

He started his talk with basic interactive questions. Later shared his experience working with MRF (previous employer) and TCS (present employer). Goutam explained the ongoing trends and jargons in corporate HR domain like pink slips, recession, great resignation, recruitment, retention rate etc.

Goutam has emphasised the importance of upskilling, constant learning to evolve to a new version for further professional developments.

Goutam has taught students the importance of knowing elements like proper dressing and email etiquettes. Especially how to undo the email sent by mistake. Interpersonal skills like how to communicate and manage things with superiors. Also explained the corporate style of motivating employees like cash benefits, trainings, promotions and other rewards.

Goutam has shared his daily routine as Talent Acquisition Specialist in TCS which has helped the students realize the tasks that HRs generally do in corporates.

Most importantly, Goutam has shared some useful tips for campus interviews. How to introduce oneself and how to respond to the basic interview questions. Goutam has asked those basic interview questions to students and corrected their mistakes.

He has also shared how to find reach out to companies for jobs in dream companies. Also, he mentioned that TCS might soon come to CBIT-SMS for campus hirings.

Lastly, Goutam talked to students about their views on HR and cleared the myths related to HR work environment. After a quite interactive Q&A session, Goutam has ended his talk thanking Think Club for arranging the session. He has also shared his college memories and his efforts to form a club which actually took form by this batch of SMS as Think Club.

The club's Vice President – HR Divija has presented the vote of thanks and gifted a sapling to Mr. Goutam. The club's General Secretary Sathwik has presented a memento to Mr. Goutam and thanked for his time and efforts. The event concluded later and students returned to their regular schedule.

Dear HoDs,

as per the instructions of Principal, I am directed to inform you all to consider permitting Mr. Stanley Chetan, Regional Manager, Career Labs, to have "informative sessions" with the 5th Semester students of your respective departments, at your convenience. These sessions are expected to inculcate "Profile building amongst the students", with specifics related to your respective departments.

Respected Sir,

Greetings from CareerLabs!

CareerLabs Founded by the **ex-leadership team of BYJU'S**, is on a mission to create a larger impact in the college space led by serial entrepreneur **PN Santosh, alumni of ISB, and the team from IIM Bangalore, the University of Michigan** amongst others. Since our beginning, we have been making waves in the last 3 years. With a 400-member team, we can reach out to 2 lakh+ students; 60000+ active users.

Careerlabs is the Future of Workforce Category Winner of the Future of Education APAC Competition in 2020.

Also as an **official partner of AICTE for the NEAT 2.0 Initiative under the Education Ministry**, we are already on our path to enabling 1 million students to learn and earn better by providing everyone a chance to achieve a successful career thereby creating a motivated workforce.

We are backed **by** strategic investors like Founder Chairman of QnessCorp, Rocket Internet's VC fund- Global Founders Capital, and McKinsey Partners amongst others for the vision and problem we are solving.

[AICTE Partnership](#) | [Dr.Reddy Partnership](#) | [Tech Mahindra Partnership](#)

With reference to the discussion with Mr. Sharma Sir and Mr. Obula Reddy Sir, We would like to host a Seminar for 5th-semester **Students**

The Seminar will capture the below-mentioned topics:

Topic: "Profile Building for Higher Education India & Abroad"
Duration-90 minutes

1. Upskilling courses & Certifications Programs for Placements in Reputed Companies
2. Guidelines to choose Projects & Internships.
3. Indian and International education opportunity- GRE/CAT/GMAT/UPSC/GATE possibility of getting the seats, etc
4. English workshop- Tricks & Techniques to Crack Reading Comprehension(RC) Section
5. About Abroad universities, funding options, profile building, part-time jobs, etc.

Inclusive of 30 minutes personalized Counseling Session for the interested students.

As the information differs from Department to Department, we would like to host this session with each of the departments to provide specific information relating to their branch.

Keeping this in mind if you can provide us with a **Convenient Date and Timing** with attendance made mandatory we feel that the students will have maximum benefit.

Kindly consider this request and provide us a slot as earliest.

The Department of Chemical Engineering of the institute has organized 'An Interactive session with faculty and students by Dr Srinivas Palanki. On 26th October, the event "Interactive session with Faculty members on collaborative research" was conducted in HOD Chamber, K-Block, from 9.45 am to 10:45 am. During the interactive session, our esteemed dignitary discussed and ideated regarding collaborative research possibilities with

the Chemical Engineering Faculty. He has explained the research areas of their faculty, the research grants they receive, and the collaboration possibilities. He has also briefed on the master's and doctoral programs available across various departments in their University. The discussion was very fruitful and we (Faculty of CBIT and HOD) have discussed many queries/questions like possibilities of collaborative research, research projects, etc. The main discussion points are summarized as follows:

1. It was asked that we can do the research based on the research expertise from the CBIT Faculty and WV University faculties.....Mutually given the consent.
2. It was asked that we (CBIT Faculty) can write the project to the different funding agencies where WV University faculty may act as a Co-PI.....Consent was given by Prof. S Planki.
3. Prof. Srinivas Planki given his consent to provide the direct PhD to our students just after the graduation.....No need to do master.
4. He was also agreed for putting his name in the department expert committee and said he will be very happy to provide his valuable guidance to us for the
5. Although this was mutual agreement (initial talk without written documentation)...later we can plan for signing some MOUs on such activities in near future.

The session concluded with vote of thanks by faculty coordinator Dr Raj Kumar Verma, Assistant Prof., Chemical Engg Dept, CBIT.

An Interactive session with final and pre-final year students on opportunities at West Virginia University commenced from 11:00 am to 12:30 pm.

Ms Nishitha, student coordinator, has welcomed all the dignitaries Dr Srinivas Palanki, Speaker, Dr N L N Reddy, Advisor-CDC & Assoc. Prof, Chemical Engg, Dr P.V. Naga Prapurna, I/c-HOD Chemical Engineering, Dr B.V.S. Praveen, Faculty Coordinator, Dr Raj Kumar Verma, faculty coordinator. Ms Laalasa, student, sem-V has introduced the speaker profile. Dr NLN Reddy has addressed the gathering on the emerging trends in technical education and collaborative, integrative learning systems. He along with HoD has felicitated the speaker.

Felicitating of Dr. Srinivas Palanki with a shawl and memento by Dr. NLN Reddy, Advisor, CDC and Dr. P.V. Naga Prapurna, Incharge HOD, Chemical Engineering

Dr Srinivas Palanki has explained to the students about his journey from being a student to till date as an academician and administrator, highlighting on the hurdles and how he has confronted them. Sir explained his overall experience as an undergrad and post-grad student. He explained the different projects he worked on and how he was involved in procuring the required funding. xxxx

Welcome and Introduction by the Students...Placement hall

He in his power point presentation has discussed the various opportunities for undergrad chemical engineers and has guided students regarding the various programs offered by West Virginia University, USA.

Interaction/presentation about the WV University...Placement hall

Students have interacted and submitted their queries about the various funding, research and internship opportunities available at West Virginia University, USA and also at other Universities across USA.

Principal, CBIT Dr P. Ravinder Reddy has interacted with the speaker and discussed the

possibilities of student admissions and also about collaborative research between CBIT and West Virginia University, USA.
