Subject: Celebration of Constitution Day of India on 26ᵗʰ November on the theme
"India: The Mother of Democracy"

Respected Madam/Sir,

As you are aware, Constitution Day, also known as Samvidhan Divas is celebrated in India on 26ᵗʰ November every year to commemorate the adoption of the Constitution of India. The Indian democracy marching ahead in its 75ᵗʰ year, on the strengths of inclusiveness and diversity, is not only the world's largest democracy but also the mother of democracy. There are ample pieces of evidence, right from the Vedic period, that emphasizes the democratic traditions of India. It has been, therefore, decided that this year's Constitution Day may be celebrated by organizing lectures on the theme "India: The Mother of Democracy", in addition to the activities given below. A concept note on "Bharat: Loktantra Ki Janani (India: The Mother of Democracy)" is enclosed herewith.

1. Reading out the Preamble to the Constitution during a Morning Assembly. **(The text of the preamble in English and Hindi is attached with the letter).**
2. Reading out the Fundamental Duties **(attached)** in the Constitution during a Morning Assembly.
3. One lecture in every educational institution on the importance of Fundamental Duties.
4. Pasting of Fundamental Duties on the Notice Board of the Institution.

The higher educational institutions and their affiliated colleges/ institutions are requested to kindly ensure that these activities are undertaken to celebrate Constitution Day on 26ᵗʰ **November, 2022** with enthusiasm and fervour.

With kind regards,

Yours sincerely,

(Rajnish Jain)

The event started with the speech of Prof. P. Sreenivasa Sarma, Advisor-SA & SP addressing students on the importance of the Constitution. He said that the main purpose of drafting a constitution is to provide a set of basic rules that allow minimal coordination amongst the members of society. He also added that the constitution is there to set some limits on what a government can impose on the citizens of that particular country. Then he continued his speech by stating that the constitution allows coordination and assurance between the government and the citizens of the country.

Following the speech of Prof. P. Sreenivasa Sarma, the chief guest Prof. P. Ravinder Reddy, Principal, CBIT(A) addressed the students on the importance of the role of students in preserving the constitution of our country. He stated that it is important for every individual, especially students to know the basic rights which are provided by the constitution for the citizens of the country. He added that by knowing this information about the basic rights of the citizens provided by constitution we can question the government in an effective manner when some unlawful event occurs in our surroundings. This makes both the government and the citizens of the country to be accountable towards the society.

The **Electoral literacy club** of CBIT has conducted an "Mock polling" with 4our club members and faculty coordinator. As ELC is a newly formed club we have conducted Mock Polling with the objective of ensuring that, "No Voter should be left behind" over and above other measures and initiatives, undertaken, hundreds of young and future voters were effectively mobilized as Election friends.A model polling station was set up near the college canteen premises with the club members as poll officials and polling agents.We conducted 3 days of Mock Polling where mmore than 1000 students of the college cast their votes at the mock polling exercise.

Venue: Near Canteen, CBIT campus.

Date: On January 23,24,25 - 2023

Timings: 12:00 pm to 1:00 pm.

Duration: 1 hour

Number of Participants: 1100+

MOCK POLLING:

Mock polling exercise is started by collecting the registrations (which consists of the info, whether they have voter ID or not by this we can know the number of eligible voters from our college) from the students who came to cast their vote. After collecting the registration form a Ballot paper (a paper listing the names of the contesting candidates along with the party names and symbols) is provided. Next the voter takes the ballot behind a voting screen and stamps on name of their chosen candidate. Then a indelible ink is applied over the left index fingernail and cuticle. By this their voting process has finished.

Along with this we have organized a fun puzzle game where a puzzle with ELC logo. For the persons who solved the puzzle in the given time we have took their pictures and mentioned them in the ELC official Instagram page. With this the students are fascinated.

These two activities: - Mock polling and Puzzle solving have continued for three days.

Undoubtedly, the meaningful engagement of the Poll Volunteers this time, generated a substantial amount of goodwill amongst the voting community, at large, and particularly amongst the marginalized and peripheral voters, therefore, for whom Poll Volunteer's involvement will be long remembered and cherished.

Venue: Assembly Hall, CBIT campus.

Timings: 2:00 pm to 4:00 pm.

Duration: 2 hours

Number of Participants: 500

The event started with a rapid Q&A session about voting and electoral process in India. The audience participated and answered the questions asked by the hosts with great enthusiasm.

Following this, to commemorate the spirituality the lamp lighting is done by honourable Chief Guest, Chandrakala Khanapur garu, Dr.P.Ravinder Reddy sir, P.Sreenivasa Sarma sir and Dr.G.N.R.Prasad sir. After the lamp lighting session, an amazing flute performance is given by Rajesh, technical incharge of ELC club.

Then, Dr.P.Ravinder Reddy sir, Principal of CBIT college addressed the students. He shared his insights on how the conventional election process of leaders in different levels of education and other activities is different from electing a leader in the democratic government. He also added that it is very important for every student to take part in the election process and help the society to choose a right leader because the fate of the society is dependent on the leader, we chose for the next 5 years.

Following the words of Principal sir, P.Sreenivasa Sarma sir gave his insights on the election process in our country. Sir also enlightened the chief guest of the event on how the college encourages new clubs to emerge in the college and by doing the same focusing on the all-round development of the student.

After the speech of P.Sreenivasa Sarma sir, the Chief Guest of the event Chandrakala Khanapur garu, Revenue Divisional officer, Rajendra Nagar shared her views and insights on the government of our country and electoral process in our country. She shared her experience of working as Returning Officer for the election process in Telangana State. Mam mainly stressed the point of the voting percentage we get to see in the major cities when compared to the villages which is very less. She also added that this situation is prevailing in our country because of the negligence of the public. To build a better nation this mindset of the citizens of our country should change. She stated that voting is not only choosing a great leader but by doing the same building a better nation by helping the nation in its further development. Mam also said that to make this happen the role of the young leaders and youth is very important. Every individual, mainly the youth should acknowledge the importance of voting and should actively participate in the electoral process.

Finally, the event concluded by felicitating the Chief Guests with mementos and distributing small gifts to the participants who have answered the questions from rapid Q&A session held in the beginning of the event.

ELC TALKS(Ballot Bistro)

The event held on **11th and 12th April, 2023,** was able to raise awareness among students about the importance of electoral literacy, to educate participants on the electoral process, including voter registration, voting procedures, and the role of elected representatives and to encourage active engagement and participation in the democratic process by asking them simple questions .The total number of participants were **40**.

KEY TAKEAWAYS:

1.The importance of voter registration and ensuring that one's voice is counted in the electoral process .Without registration, one's opinions and preferences remain unheard, and their ability to influence the course of their community, region, or nation is limited

2.Understanding the role of elected officials and how they impact our daily lives. Elected officials, such as mayors, governors, and legislators, make decisions that directly influence public policies, education, healthcare, infrastructure, and more. Their choices affect the quality of our schools, the safety of our communities, and the state of our economy. By comprehending their roles and responsibilities, citizens can actively engage in the democratic process, hold officials accountable, and advocate for policies that align with their values and interests. This knowledge empowers individuals to shape the future of their communities and nation through the power of the vote and civic engagement.

3.The significance of informed voting, including research on candidates and their policies related questions were asked to participants to bring awareness about it.

4.The event successfully collaborated among the participants. Students from various backgrounds and disciplines came individually to share there opinions in shaping the future of the country.

Conclusion: The **ELC Talks** was a resounding success in achieving its objectives and sparking a profound impact on the college community. The significance of electoral literacy and informed voting was vividly demonstrated throughout the event. By emphasizing the need for voters to research candidates and their policies, the talk imparted a crucial lesson to attendees: democracy thrives when citizens make decisions based on knowledge, not hearsay.

In conclusion, the event left an indelible mark on the participants, who departed with a newfound commitment to engage responsibly in the electoral process. It underscored the notion that voting is not merely a civic duty but a potent tool for shaping the future. As the students registered to vote and pledged to stay informed, the ELC Talks served as a cornerstone for fostering active, responsible citizenship. The enduring impact of this event resonates beyond the college campus, heralding a future where informed voting stands as a pillar of democracy, fostering political accountability and meaningful societal change. This event stands as a testament to the college's dedication to nurturing responsible, engaged citizens who play a pivotal role in shaping the destiny of their nation.

In a vibrant democracy like ours, the strength lies in an informed citizenry and active participation in the electoral process. With this vision in mind, we have initiated a comprehensive Voter Registration drive on **April 27th and 28th** so that everyone's voice is heard. Your vote can make a difference, influencing policies from local matters to national importance.

Event Highlights:

1. Participation: 165 students actively took part in the event, demonstrating their commitment and enthusiasm towards nation-building. Their presence showcased a strong belief in the transformative power of democratic processes.

2. Attractive Poster: The event featured a visually appealing poster that encouraged participants to take pictures after completing their voter registration. This poster was a major attraction and served as a memorable backdrop for photos.

3. Registration Assistance: Knowledgeable volunteers were available to assist and guide participants through the voter registration process. They provided valuable information and ensured that the registration process was quick and seamless.

4. Social Media Engagement: Attendees were encouraged to share their photos with the attractive poster on social media, helping to spread the message and inspire more individuals to register to vote. Hashtags and geotags were promoted to increase the event's visibility.

Conclusion: The participation of 165 members reflects the collective commitment of our community to civic engagement and responsible citizenship. It is heartening to witness the passion and dedication of individuals who understand the importance of their voices in shaping the future of our nation. Each registration we facilitated represents not just a name on a list, but a potential agent of change, someone who can make a difference through their vote.

During these two days, our team worked tirelessly to ensure that every eligible citizen had the opportunity to register to vote. We provided guidance on the registration process, clarified doubts, and helped individuals complete their voter registration forms. The enthusiasm and dedication of our volunteers were truly inspiring, and their hard work has made a significant difference in strengthening our democracy.

As we move forward, let us not forget that our democratic process is only as strong as our active participation. Your efforts during this event have set an example for others to follow, and we hope this spirit of civic responsibility continues to grow within our community.

REPORT ON "DEMOCRACY IMPRINTED"

Event Date: 27th and 28th June, 2023   **Academic Year: 2022-2023**

PERMISSION LETTER:

ELECTORAL LITERACY CLUB

Dt. 26.06.2023

To,

The Principal,

CBIT (A),

Gandipet,

Hyderabad.

-- Through Proper Channel --

Respected Sir,

Subject: Requesting to grant permission to conduct "Democracy Imprinted" in our college and requesting a budget of Rupees Seven Hundred.

We members of ELC CBIT are writing this letter to request permission to conduct an event named "Democracy Imprinted" as a part of awareness programs mentioned in ELC Handbook by Election Commission of India, on 27th and 28th June, 2023. The purpose of this event is to educate and create awareness among the students about the value of single vote.

The event will be conducted near the canteen during lunchtime, which will not disrupt the regular classes or academic activities of the students. And for this we request you to grant us Rs.700/- (Rupees Seven Hundred Only) for the stationary and miscellaneous items required for the event.

ABOUT EWB AIM

EWB All India Meet (also called the EWB India All Chapter Meet) is an annual meet that focuses on the gathering of all EWB India Chapters to discuss different projects they have worked on and present proposals for future projects. It's an opportunity for all chapter members to meet, communicate and come up with collaborations that can help solve different problems observed in our community.

EWB AIM 2023

Due to the pandemic, the previous AIM meets have been canceled or put online. This year marked the revival of the In-Person All India Meets. It focused on the integration of Action and Impact with the 17 Sustainable Development Goals (SDGs). The meet focused primarily on 4 SDGs- Quality Education, Clean Water and Sanitation, Gender Equality, and Industry, Innovation and Infrastructure. All
EWB India chapters were asked to submit papers on the events and projects they have done and submit them for evaluation. The selected papers were made to present the idea in the All India Meet. EWB-CBIT has presented 5 papers at the AIM, all on day 1. The members presented papers on projects and events that were conducted in the one year tenure (2022-2023), which were Book Drive, Mini Library, Earth Day Art Project, Lantern Festival and Village Visit.
