-- Through proper channel --

Respected Sir,

Sub: Requesting for permission to conducted an awareness program at Govt. School, Khanapur on the occasion of NGO day.

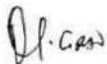

Sir, we the members of CBIT NSS have been striving to serve the society with all your guidance and support. To mark the NGO day, as a part of our awareness program to school kids, we are willing to conduct an awareness session on the topic "Role of School Children in India's future" on 25th February 2023 (Saturday) without detrimental to our classwork at Govt. School, Khanapur.

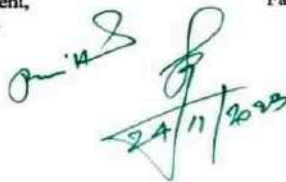

We are also extremely happy to inform you that we have got a huge response to the Book Donation drive we conducted last month. Sir, with your permission we wish to donate few books relevant to school students and arrange a mini library at their school. And we also request you to provide transportation for volunteers to carry the books.

Hence, we request you to grant us the permission for our event. We assure you that the event will be conducted as per the institute's guidelines for the welfare of everyone involved.

Thanking you.

A. Nikhil,
Student President,

EVENT DETAILS:

Event: School visit organized by **CBIT NSS** to celebrate world **NGO day**.

Date: 25th February 2023

Time: College Working Hours

Venue: Government School, Khanapur, Hyderabad

About the Event:

Subject : **School visit** organized by **CBIT NSS** to celebrate world **NGO day**.

Khanapur , **Govt School** : On account of world NGO day , CBIT NSS visited a Govt school in Khanapur on 25th of February. The main aim of **CBIT NSS** is to provide information about the functioning and importance of NGOs to the school children.

The school visit is done with most of the NSS members . **CBIT NSS** has donated books such as story books, textbooks, notebooks etc....which were collected from the Faculty and Students of CBIT. The Book Donation Drive was held from 28th December onwards upto 1 week. The main aim of this Book Donation Drive was to deliver the books to those in need, which are delivered to the Govt. students of Khanapur.

CBIT NSS honoured the NGOs that are working tirelessly to address the most pressing social and Environmental issues of our time. CBIT NSS explained that NGOs often step in and contribute to poverty alleviation. They try to provide access to quality education, clean drinking water, housing, sanitation and healthcare.

CIRCULAR

We are not new to the saying, "Sarvendriyanam Nayanam Pradhanam" which means of all sense organs eyes are vital. Eye check-up camps can help in detecting eye problems early, which can improve the chances of successful treatment and prevent the progression of the condition. These camps can also help in increasing awareness about the importance of eye care and encourage people to take care of their eyes. People who attend these camps can learn about the importance of maintaining good eye health and preventing eye problems.

In view of this, CBIT NSS in association with Smart Vision Eye Hospital is organizing an "Eye Check-up Camp". Students, Staff, and Faculty members who wish to attend the eye check-up camp are advised to fill out the Google form provided below.

EVENT: Anti Ragging Squad

VENUE: CBIT CAMPUS, HYDERABAD

DESCRIPTION:

Ragging is a serious problem that has been prevalent in educational institutions for many years. It is a form of abuse that can take many different forms, including physical, mental, and emotional abuse. To address this issue, CBIT has collaborated with the NSS (National Service Scheme) unit of CBIT (Chaitanya Bharathi Institute of Technology) organized an anti-ragging campaign on the college campus.

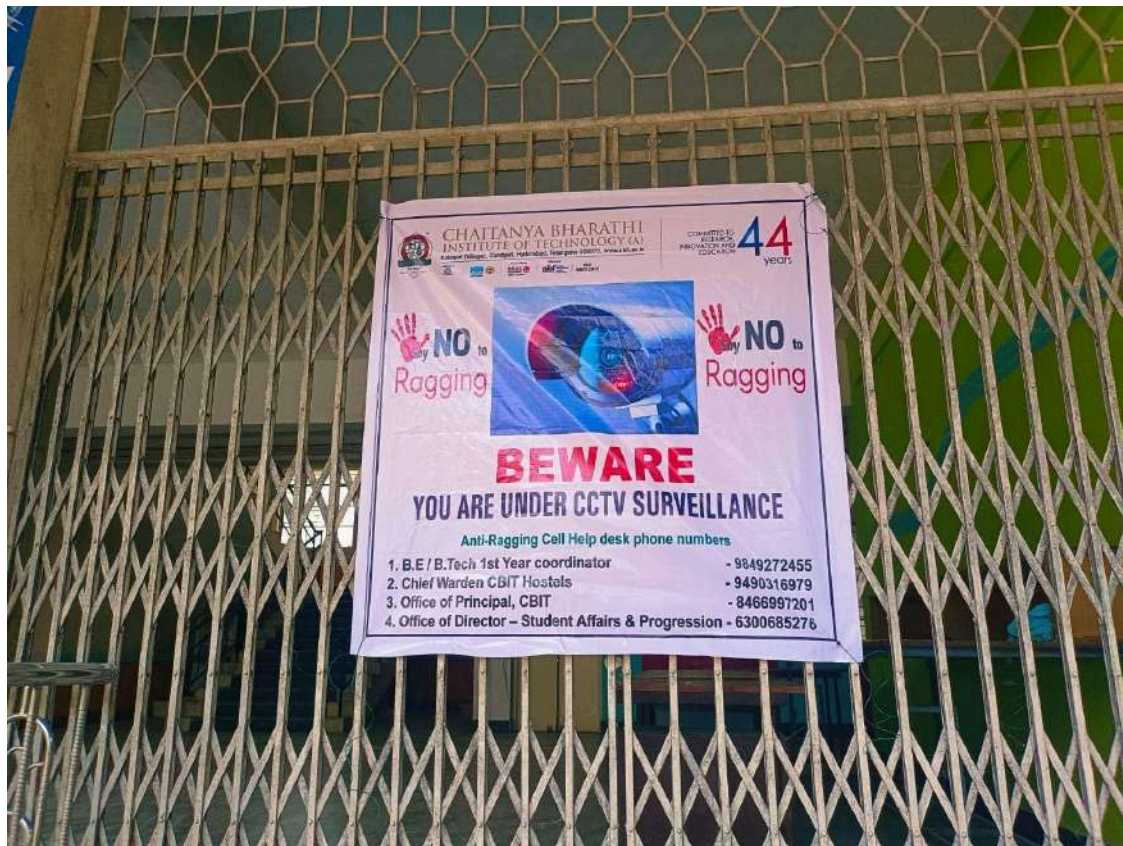

The objective of this campaign was to create awareness among the students about the harmful effects of ragging and to encourage them to take a stand against it. The campaign aimed to provide a platform for students to voice their concerns about ragging and to offer solutions to prevent it from happening.

It was organized by the NSS unit of CBIT and was attended by a large number of students, faculty members, and staff. The campaign included a variety of activities, such as posters, banners.

The anti-ragging campaign organized by the NSS unit of CBIT was a great success. It provided an opportunity for students to learn about the harmful effects of ragging and to take a stand against it. The campaign created awareness among the students, faculty, and staff, and encouraged them to work together to prevent ragging on the college campus. Such initiatives play a crucial role in creating a safe and inclusive learning environment for all students.

The main initiatives which were taken by CBIT NSS were circulating the ANTI RAGGING AWARENESS BROCHURE cards among all the juniors and there was also a junior zone setup where only juniors were allowed and no entry to seniors.

In India, menstruation is surrounded by myths and misconceptions with a long list of “do’s” and “don’ts” for women. Menstruation and menstrual practices are still clouded by taboos and socio – cultural restrictions resulting in adolescent girls lacking knowledge which sometimes results in adverse health outcomes. Education on menstrual health and hygiene is important not only to women, but to everyone. Young girls, women and everyone in this generation need to be aware of the basics in menstruation in order to break the taboo and normalize the term.

In light of the above, Chaitanya Suraksha, the Women Safety Club of CBIT in association with CBIT-NSS and Women Development Cell (WDC) is organizing a seminar on ‘MENSTRUAL HEALTH AND HYGIENE’. The details of the event are as follows.

Speaker	:	Dr. Manasa Reddy, MBBS, MS, FMAS (OBGY), Consultant at Yellow Clinics and Diagnostics, Ankura Hospital, Hyderabad.

**THE EVENT:
ABOUT**

Chaitanya Suraksha, CBIT NSS, and WDC-CBIT collaborated to organize a seminar on menstrual education, health and hygiene. The event took place on April 12th, 2023, in the CBIT campus. The seminar was taken by Dr. M.Manasa Reddy, a renowned consultant at Yello Clinics and Ankura Hospitals.

The objective of the seminar was to educate young women about menstrual health and hygiene and break the taboo surrounding menstruation. The primary objective of the seminar was to educate and raise awareness among young women about menstrual health and hygiene. The seminar aimed to break the taboo surrounding menstruation and encourage open discussions on the topic. The seminar started with a brief introduction by the organizers, highlighting the importance of menstrual health and hygiene. Dr.P.Ravinder Reddy, Principal-CBIT have presented a memento to Dr. Manasa Reddy.

Dr. Manasa Reddy then took over and began her presentation, which covered various topics related to menstruation. She started by explaining the biology of menstruation, including the menstrual cycle and the various hormones involved in the process. She then talked about common menstrual problems faced by women, such as irregular periods, painful periods, and heavy bleeding. Dr. Reddy also discussed the importance of maintaining menstrual hygiene to prevent infections and other health issues. She explained the proper way to use sanitary products and emphasized the need to change them regularly. The seminar also addressed the myths and misconceptions surrounding menstruation, such as the belief that menstruating women should not touch pickles or enter a temple. Dr. Reddy debunked these myths and encouraged the audience to break the taboo surrounding menstruation. The seminar concluded with an interactive Q&A session, where the audience asked Dr. Reddy various questions related to menstruation. The session was very interactive with all the

participants posing various questions to the speaker thereby educating and empowering everyone.

The collaborative event by Chaitanya Suraksha, CBIT NSS, and WDC -CBIT was a success, with over 200 young women attending the seminar. The seminar succeeded in educating and raising awareness among young women about menstrual health and hygiene. The event also encouraged open discussions on the topic and helped break the taboo surrounding menstruation. Dr. Manasa Reddy's presentation was informative and addressed various issues related to menstruation, including common problems faced by women, maintaining menstrual hygiene, and debunking myths and misconceptions. The Q&A session also provided an opportunity for the audience to clarify any doubts they had. Overall, the seminar was a step towards empowering women to take charge of their menstrual health and hygiene. The collaborative effort by Chaitanya Suraksha, CBIT NSS, and WDC-CBIT was commendable, and it is hoped that such initiatives will continue to educate and empower young women.

Subject: Request for permission to conduct "Fist Full of Rice"- a rice collection drive.

Respected sir,

We, the members of CBIT NSS are requesting your permission to conduct "Fist Full of Rice"- a rice collection drive in the college from 23rd June 2023 onwards. All the rice bags which are collected during the drive will be donated to orphanages and old-age homes.

Hence, we kindly request you to grant us the required permissions to complete the drive successfully. We assure you that it will be conducted as per Institute guidelines.

Thank You.

Event Details:

Event: Rice donation campaign at CBIT by CBIT NSS

Date: 28th July 2023

Venue: CBIT campus, Hyderabad

About The Event:

The CBIT NSS club has conducted "FIST FULL OF RICE" donation campaign from June 28th, 2023 spanning approximately for 10 days. This initiative has seen active participation from both students and faculty members, resulting in the collection of an impressive 450 kilograms of rice. A collection box was placed near the canteen to facilitate contributions.

The collected rice was used for a noble purpose and distributed among the flood victims in Moranchapalli as the people lost every thing in the floods. This thoughtful gesture underscores the spirit of compassion and community engagement within the campus, emphasising the importance of helping those in need. Such endeavors not only alleviate the suffering of the affected but also instill a sense of responsibility and unity among the campus community.

As a part of the Amrit Mahotsav, B.E. Civil Engineering Students participated in the campaign for segregation of waste at source on 21-10-2022 at CBIT, Hyderabad in collaboration with Narsingi Municipality, Kokapet, Hyderabad.

Taking a step towards cleanliness, the Chaitanya Parivrita Club conducted a drive on the glorious occasion of Amrit Mahotsav (Swachh Survekshan). The programme included awareness campaign among the students regarding maintaining cleanliness and encouraging waste source segregation, to give their segregated waste to municipality door-to-door waste collectors, and not to throw garbage on roads, drains, and vacant plots, etc. The volunteers along with the club members and students assembled in the institute campus on 21th October 2022. After a brief discussion, the students dispersed around the campus in groups. “They collected the waste and all the waste collected was segregated as plastic, glass, other waste and collected in different sacks. All the groups, merged together at the rear end of the campus pulling off the drive. The collected waste was properly disposed of. Altogether, we believe that the freshness will appeal to the students and encourage them to maintain a clean surrounding in the days to come.

On the occasion of CBIT-SHRUTHI a cultural event, which was conducted for duration of 3 days from Feb. 2nd – Feb. 4th 2023, we the team members of Environmental Club of CBIT-Chaitanya Parivrita Club, representing our club, had conducted few events. One of those events was Scavenger Hunt.

Scavenger Hunt was conducted on 03-02-2023, which basically consisted of 2 rounds. The objective of this was event was to promote the ways how nature plays a specific role in our lives and the way it helps us, which was also mixed with lots of fun and enthusiasm.

A scavenger hunt is a fun and interactive activity in which individuals or teams compete to find and collect a list of items or complete a series of tasks within a given timeframe. The scavenger Hunt was held in our college premises itself. Participants were given a list of clues, riddles, or puzzles that lead them to the location of the items or tasks they need to complete. The items or tasks can range from finding specific objects, solving riddles, etc. The participants are allowed to work together or individually, depending on the rules set by the organizers.

Participants those who were registered individually were informed to pay the registration of 30 rupees and those who registered as a team were said to pay rupees 50 as their registration fee.

The 2 rounds conducted in the event are as follows:

ROUND: 1 - “Snap the riddles” Participants were given few riddles in a paper, in which they needed to identify the answers for those riddles and write the answers for it. After completion of writing the answers they were told to take a snap/photo of the decoded riddles in the campus and travel far with their mind in this indoor puzzle game.

ROUND: 2 - "TREASURE HUNT": Participant who had competed round 1 successfully, were moved to play round 2. Each group or individual was given a set of clues that led them to different locations around the campus area. The clues were tricky and little challenging, and the teams had to work together to solve them. The clues included riddles, puzzles, and questions regarding anything in the campus premises.

Participants were also highly interested in participating, which made us more ecstatic to conduct the event, since it was not only learning about environment but also was a fun game. Participants were also provided with the participation certificate for appreciating their active participation. Participants who had won were, awarded with some exciting prizes. All the teams participated enthusiastically in the event, and they were all able to solve the clues and find the treasure. The team that completes the most items or tasks within the time limit is declared the winner. The winning team was able to solve the clues in the shortest time and found the treasure first. They were very excited and proud of their achievement. Winners were given the cash prize of one thousand rupees, 1st runner up was given five hundred rupees and 2nd runner up was given a plant.

We whole heartedly appreciated the time and effort that participants invested in attending the event and contributing to the discussions. Their valuable insights and feedback were extremely helpful and will be used to improve future events. On the whole, this event had a great accomplishment and we applauded all our team members' efforts for making the event eminent.

ACTIVITY REPORT ON ECO-QUIZ

1. Name of the Activity / Event / Programme : Eco-Quiz
2. Activity / Event Date and Venue : 02-02-2023 to 04-02-2023, CBIT Campus
3. Participants : Students of all branches
4. No. of Participants : 50

6. Chaitanya Parivrita Club Staff Coordinator : E. Maheshwar Reddy, Asst. Prof., CED.

On the occasion of CBIT-SHRUTHI a cultural event, which was conducted for duration of 3 days from Feb 2nd -Feb 4th 2023, where many events from different clubs would be conducted, we the team members of environmental club of CBIT- Chaitanya Parivrita, representing our club, had also conducted few events. One of those events was Eco-Quiz.

Eco-Quiz was conducted on Feb 2nd 2023, which basically consisted of 3 rounds. This event was conducted to show how environment provides all the needs of living things which was also very interesting to play.

An Eco-Quiz is an event that tests participants' knowledge about environmental issues and sustainability. The questions may cover a wide range of topics, such as climate change, biodiversity conservation and also with little fun questions. Participants may compete individually or as part of a team. Participants those were registered individually were informed to pay the registration of 30 rupees and those who registered as a team were said to pay rupees 50 as their registration fee. Eco-Quiz can be a fun and engaging way to learn about important environmental issues and promote sustainable behavior.

As it was said before that event consisted of 3 rounds, rounds descriptions are as follows:

ROUND: 1 - Answer all the questions using your tricky brain. Here, students were asked to answer to tricky questions which were related to nature and if they successfully answer the questions they were moved to round 2.

ROUND: 2 - MATCH THE PRODUCTS-Match the given thing to you to its related name/details. Participants were given few things to them and were told match the given things or to identify name or related details.

ROUND: 3 - RAPID FIRE-Be quick-be rapid! .In this rapid round, the top 10 participants who were qualified to round 3 from round 2,will be given the buzzer and need to answer quickly to the given questions, before the other team answers.

Participants were also enthusiastic in participating, which made us more exciting to conduct the event, since it was not only learning about environment but also was a fun game. Students who have participated in the event were also provided with the participation certificate. Participants who had won were awarded with some exciting prizes.

Winners were given the cash prize of one thousand rupees, 1st runner up was given five hundred rupees and 2nd runner up was given a plant. We, the team members of Chaitanya Parivrita had congratulated all the winners and also the participants for making their time to participate in the event. On the whole, this event was a big success and we thank all our team members for making the event victorious.
