HLA Typing Drive

Event Date: 18th and 19th of April, 2023

Event Number: 13

Event Name: *HLA Typing Drive*

Event Location: *Chaitanya Bharathi Institute of Technology*

Impact: 977 students

EVENT SUMMARY:

We, Chaitanya Spandana, have teamed with BBCC (CBIT's biotechnology club) to hold an HLA Typing Drive on our campus in partnership with DKMS-BMST Foundation India. HLA typing is the process of determining your HLA type, which can aid in the distribution of stem cells to cancer patients in need by matching your HLA type. This event was held on April 18th and 19th for students of CBIT. It began with an Awareness Drive, during which students were educated on the significance of HLA typing. This was followed by the Registration Drive, during which interested students filled out a registration form and took the first step towards becoming a potential donor. We explained the procedure to the students and collected their HLA samples. We received an astounding response of 977 registrations and a Certificate of Appreciation from the DKMS-BMST Foundation India.

DKMS-BMST Foundation India

DKMS BMST Foundation India is a joint venture of two reputed organizations: DKMS, which is one of the largest international stem cell donor centers in the world, and BMST - Bangalore Medical Services Trust. The major part of this initiative is to test the stem cell group of the donors which will be useful for saving the life of blood cancer patients with the same stem cell match. To improve the database the organization is conducting awareness and registration drives at companies, colleges, and associations. In that pattern DKMS BMST has proposed to organize a drive at CBIT in collaboration with Chaitanya Spandana and BBCC.

CAPTION:

In India, someone is diagnosed with blood cancer or a blood disease every 5 minutes. Often, the most effective curative option for these patients is a stem cell transplant from a matching donor. Finding a matching stem cell donor is incredibly difficult, particularly in India, where only 0.04% of the total population is registered as a potential donor. DKMS-BMST is an international stem cell registry that seeks to achieve its mission of offering every blood cancer patient a second chance at life by increasing the number of potential donors in India by creating awareness about the value of stem cell contributions.

Event Name : Cool Roof painting

Department : Social Responsibility

Place : 1. Srimatha Old Age Home, Kukatpally

2. Humankind Welfare Foundation, Bandlaguda

Event Summary : We the department of Social Responsibility have taken up the event Cool roof painting, an operational event, looking at the heat waves of the summer. As the heat waves were drastically increasing and many people were affected by it and mostly the elderly or aged people, we came up with the solution by painting the roof or the terrace to avoid the heat waves from passing into the house. We have painted the terrace of two old age homes which are Srimatha Old Age Home and Humankind Welfare Foundation located in Kukatpally and Bandlaguda respectively. We have also interacted with the people living there and learned many things from them. The interaction left all of us with a huge smile and satisfaction with our work .

Amount Spent : 1280

Number of people impacted : 50

Event Attendees : Ajith , Santosh Shinde, Himaja, Sriya , Phani Teja, Neeraja, Dashmeet Kour, Keerthi, Aashritha, Yashwanth, Ashwin, Srishti, Koushalya

Event Date: 1st June, 2023

Event Name: Oasis

Event Location: Chaitanya Bharathi Institute of Technology

EVENT SUMMARY:

Oasis proved to be a successful summer event that not only provided essential resources for animals and birds but also educated and inspired the community to take an active role in wildlife conservation. By creating awareness and fostering a deeper appreciation for the natural world, Oasis served as a catalyst for positive change and reinforced the importance of preserving and protecting our local ecosystems.

UGC Directive - “nasha mukt bharat pakhwada” & World Drug Day on 26-06-2023

As per UGC directive, Chaitanya Svaasthya club has contributed to “nasha mukt bharat pakhwada” celebrations, by promoting awareness on social media pages and by conducting a rally in CBIT campus with slogan “Say Yes to Life and No to Weed”, as per United Nations theme The theme for International day against drug abuse and illicit trafficking 2023 is "People first: stop stigma and discrimination, strengthen prevention.", on World Drug Day-2023. All the staff and students of the institute have contributed for the same by taking the “e-pledge” against drug abuse on 26-06-2023. The objective of the event was to create awareness in students in achieving a world free of drug abuse and to promote compassion and empathy while providing the right rehabilitation and awareness against drug abuse as a key outcome of this awareness rally.

D.O.No.2-39/2023(CPP-II)

23rd June, 2023/ 02 आषाढ 1945

Subject: “नशा मुक्त भारत पखवाड़ा/nasha mukt bharat pakhwada”

Respected Madam/Sir,

As you are aware, the United Nations General Assembly in a resolution passed in December, 1987, proclaimed 26th June of each year as the “International Day against Drug Abuse & Illicit Trafficking” and thus, every year on 26th June, steps taken by the Government against drug abuse and illicit trafficking are highlighted, apart from spreading awareness on the subject. The very aim of this observance is to create awareness amongst the public regarding ill effects of Drug Menace.

The Government of India has also adopted a vision for a “DRUG FREE INDIA”, which reiterates India’s resolve to fight against the menace of drugs. In compliance of this, Narcotics Control Bureau (NCB), Government of India proposes to observe “**नशा मुक्त भारत पखवाड़ा**” from **12th to 26th June, 2023**, on a Pan-India basis. NCB proposes to encourage more and more citizens to take the ‘e-pledge’ against drug abuse on this occasion. The link for e-pledge and step-wise instructions to access the website/link are given at Annexure-‘A’ (copy enclosed). Further, the NCB has suggested organizing of various programs such as rallies, seminars, workshops, e-pledge campaigns etc. during “nasha mukt bharat pakhwada” from 12th to 26th June 2023” and give wide publicity through media, including social media platforms, in order to realize the dream of “DRUG FREE INDIA”

The Higher Education Institutions are requested to take active part in the campaign and organize the suggested activities to make it a success.

With kind regards,

Yours sincerely,

EVENT REPORT

Event Name : NAAC campus video production film

Organizer: Chaitanya Chaaya

Date Conducted : 08 august 2022

Mode of Conduction: Offline

Description :

A team of 10 members from our club have shot and edited all of CBIT facilities and made the campus video for the purpose of NAAC submissions.

We, Chaitanya Chaaya carried out the shoots and production part in three phases, firstly during the Shruthi-22 and edited a rough version and screened it on 27-04-2022. Secondly in the month of May, 2022 we shot patch work and improvisations and added few more shots based on the suggestions and notes taken from the screening, finally re-edited and submitted the final output on 08-08-2022. Thus we successfully fulfilled the NAAC requirement in low cost & with high quality.

We packaged this film in Rs.40,000.00 in a minimalistic manner but with good output.

The Principal
Chaitanya Bharathi Institute of Technology (A)
Gandipet, Hyderabad - 75

Dear Sir,

Sub: Submitting the NAAC required campus video production film and request for the closure of accounts, a report, Reg.

This is to write to your good office in continuation to the letters dated 24-02-2022 & 19-03-2022, that CBIT's prestigious film club, Chaitanya Chaaya had successfully completed pre & post-productions of the film on CBIT's facilities, shot for the purpose of NAAC submissions.

A short report: Chaaya carried out the shoots and production part in three phases, firstly during the Shruthi-22 and edited a rough version and screened it on 27-04-2022. Secondly in the month of May, 2022 we shot patch work and improvisations and added few more shots based on the suggestions and notes taken from the screening, finally re-edited and submitted the final output on 08-08-2022. Thus we successfully fulfilled the NAAC requirement in low cost & with high quality.

We now request for the closure of accounts and concluding payments to be made to the technicians and the studio. We proposed to package this film in Rs.40,000=00 in a minimalistic manner but with good output, got advances of Rs. 20,000=00 paid to various technicians. The post-production costed us Rs. 25000=00 excluding studio expenses and logistics (which are borne by Sreenivas Andoju) Therefore, a closing amount of Rs. 25000=00 may be paid to the attached vendor by transfer. Kindly do the needful sir.

Thank you.

Yours Truly,

Sreenivas Andoju

Subject: Permission and Budget Proposal for the event "Crescentia"

Respected Sir,

We Communicando, the literary club of our college intend to organise **Crescentia** on **23rd December 2022** in the college premises. The aforementioned event will include 3 subevents, the details of which are as follows:

Event 1: "Enchante" - A guest-talk session on "Dreams & Aspirations" by the following speakers

1. Mr. Sekhar Kammula (Film Director)
2. Smt. Sandhya Raju (Classical dancer)
3. Smt. Budda Aruna Reddy (National level Gymnast)

Event 2: "Seal the Deal" - A literary competition which tests the public speaking skills, debating skills, creativity and spontaneity of the participants.

Event 3: "Point-Blank" - A fun-filled competition which tests wit, humour and thinking ability of the participants.

We propose a budget of **INR 11300** for the said event, the details of which have been attached below. We request permission to organise the above mentioned event and we assure that all the activities will be carried out in accordance with the institution's norms and guidelines.

Thanking you,

A BRIEF REPORT ON WHODUNNIT

Name of the Event	The Great Cosmic Debate Whodunnit
Date and Time	03.02.2023, 10 AM onwards
Link/ Venue	Assembly Hall, CBIT, Hyderabad
Overview of the Event:	<p>Team communicando was back live with its most iconic event - Whodunnit? as part of the XIII edition of literati to once again bring out the innate detectives in CBITians by putting them in the midst of a mind-boggling crime thriller. The publicity for the event was done through two main channels, one being an aggressive campaign on various social media platforms and the other being an offline word of mouth campaign. The game was a classic Murder mystery where the objective of the participants was to determine the killer from a list of suspects. This was executed by showing the participants an enactment of the crime on the stage and giving the participants a bunch of related riddles and puzzles to solve at various intervals to really get their deductive gears turning for the finale. To evaluate and eliminate, the game was divided into two rounds based on the difficulty of the riddles presented to the participants. The first round consisted of some fun and relatively easy riddles and trivia. Depending on their scores in the first round, the 220 participants then trickled down to a 30 for the second round. Now along with solving an intense set of riddles, the participants also had to define a motive for the prime suspect they named for the crime.</p>
Outcome of the event	<p>A total of over 220 participants took part in the event. The two best of the participants were chosen as winners. They got to show their spontaneity, analytical thinking and creativity skills.</p>

A BRIEF REPORT ON THE GREAT COSMIC DEBATE

Name of the Event	The Great Cosmic Debate
Date and Time	02.02.2023, 12 PM onwards
Link/ Venue	Assembly Hall, CBIT, Hyderabad
Overview of the Event:	<p>The Great Cosmic Debate was a thrilling event that took place on the 2nd and 3rd of February 2023. The event was conducted as a part of the literary fest 'Literati' organized by Communicando. The assembly hall was bustling with excitement as 150 participants registered for the event.</p> <p>In the first round, the participants were given a scenario where they had to debate who should take the only remaining space pod. The tension was palpable as they argued passionately over the matter.</p> <p>The second round was even more exciting, with participants paired up in a 1v1 format. Each pair was given a theme, and certain words were forbidden. The participants had to debate while avoiding these words and actions, with a penalty awaiting those who slipped up. The rounds also included a switch of stances at intervals, making it even more challenging.</p> <p>The event was a huge success, with participants from all over participating and putting forth their arguments in unique and creative ways. The cash prize pool of 3500 also added to the excitement. Overall, The Great Cosmic Debate was a fun and engaging event that showcased the participants' wit and debating skills.</p>
Outcome of the event	A total of over 80 participants took part in the event. The two best of the participants were chosen as winners. They got to show their spontaneity, fluency and creativity skills.
