INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

**INDIAN INSTITUTE OF TECHNOLOGY KANPUR
DEPARTMENT OF ELECTRICAL ENGINEERING**

No.A(P)/Admiss/2023/IITK/

Date: 2 July, 2023

Dear Candidate,

Subject: *Admission to M.Tech Programme in the First Semester 2023-2024*

Congratulations!

I am glad to inform you that you have been selected for admission/provisional admission to the

M.Tech Programme in the Department of Electrical Engineering, IIT Kanpur.

The EE department is one of the oldest departments at IIT Kanpur. It was one of the first five departments with which IIT Kanpur started in 1960. Subsequently, the Advanced Centre for Electronics Systems (ACES) came into existence in early 1970 by a grant from the Ministry of Defence to undertake manpower training and to carry out research and development related to defense. Subsequently, several sponsored projects in many subject areas with large interdisciplinary content were handled through ACES. ACES is now an integral part of the EE department and houses majority of EE laboratories and facilities. The department is currently the largest multidisciplinary department at IIT Kanpur. It covers practically all sub-disciplines in Electrical and Communication Engineering including Power Systems, Power Electronics, Microwaves, RF techniques, Microelectronics, VLSI, Photonics, Control Systems, Robotics, Speech, and Audio Processing, Computer Vision, Artificial Intelligence, Machine Learning, Wireless Communication, Computer Networks, Future wireless networks like 5G/6G, Wireless sensor networks, and IoT networks.

EE department aims to create talented and socially responsible engineers to make a better India and, in turn, a better world. It strives to be a hub of research excellence in cutting edge, state of the art, and contemporary areas of national and international relevance. The department also envisions itself as a center of excellence in teaching to create a well-educated, technically competent, and socially responsible workforce for meaningful, inclusive, and overall societal development of nation and world.

The date of commencement of the semester is **July 27, 2023.**

You are required to upload the following documents at the document submission portal during **July 15-25, 2023.** The link to the portal will be notified in due course at the official website of the Dean, Academic Affairs (www.iitk.ac.in/doaa).

- (i) Offer Letter

Dear Hadeel,

It is my pleasure to inform you that your application for admission into the Master of Science program in Information Technology has been approved. This offer of admission is accompanied by an award offer letter for a Graduate Incentive Award (GIA). In order to accept or decline admission and the financial support offer, you will need to sign and return both (2) letters.

Please note that the total worth of the award offer is **\$12,483**. Your GIA offer letter further details the percentage of tuition and fees covered or not covered by the Scholarship award.

International students must document financial support for all years of study to be issued a "Certificate of Eligibility" (Form I-20 or DS-2019) for a student visa. The amount of support you must document annually is \$53,577. The total worth of your Graduate Incentive Award (GIA) *can be counted* as a source of financial support in the Financial Certification Document as funds from the University of Cincinnati.

There are some important orientation/tests that are a requirement of your admission. They include:

- A. **Verification of your completed bachelor's degree by a NACES member document-by-document evaluation sent directly from the organization by electronic delivery to grad.admissions@uc.edu or mail to: Graduate Admissions, University of Cincinnati, P.O. Box 210091, Cincinnati, OH 45221-0091**

Please indicate your acceptance of this admission offer within 15 days. Per a resolution by the Council of Graduate Schools, you are not required to respond to the attached offer of financial support until April 15th (https://cgsnet.org/wpcontent/uploads/2022/04/CGS_April15_Resolution_Apr22.pdf <https://cgsnet.org/resources/for-current-prospective-graduate-students/april-15-resolution/>). However, please consider that it is *imperative* to return the documents in time in order to ensure that all documents required to process your visa application are present. Note that the visa application process can often take 90 days or more to complete. Please direct any questions or concerns about your program of study to my attention. Any questions or concerns about the "Financial Certification Form" should be directed to UC International Services. I am looking forward to your reply.

Sincerely,

Dr. Jess Kropczynski, Director

Dear Hadeel,

We are pleased to offer you a Graduate Incentive Award (GIA) to support your studies in pursuit of the Master of Science degree in the School of Information Technology.

The Graduate Incentive Award (GIA) will cover 50% of the instructional fee for the 2023-2024 academic year (Fall and Spring). This award does not cover the Instructional Technology Information Equipment Fee (\$368), General Fee (\$796), Campus Life Fee (\$514), and International Fee (\$250). The total worth of your award (tuition and fees) is \$12,483.

As noted in your offer of admission this award can be used a source of financial support in the Financial Certification Document. Any questions or concerns about the "Financial Certification Form" should be directed to UC International Services.

Note that in order to maintain this award, you must maintain a satisfactory level of academic performance (3.0 GPA or better), and be enrolled for 10 credit hours until you have completed all required coursework and are working on a thesis/dissertation. Then your registration requirement is 1 graduate credit hour.

First semester students are required to be enrolled in a maximum of 12 credit hours. Students who do not adhere to these requirements as set forth by the School of Information Technology Graduate Office are at risk of losing their scholarship funding.

Please indicate your acceptance of this offer of support as soon as possible. Per a resolution by the Council of Graduate Schools, you are not required to respond to offers of financial support until April 15th (https://cgsnet.org/wp-content/uploads/2022/04/CGS_April15_Resolution_Apr22.pdf). However, please consider that it is imperative to return this document in time in order to ensure all documents required to process your visa are present. Dear Shashank,

Congratulations! We are pleased to inform you that you have been accepted to the Master of Science in Electrical Engineering at **New Jersey Institute of Technology** for the Spring 2024 semester. Welcome to the NJIT family!

In order to request an I-20 Form from NJIT, you MUST submit the **\$500 non-refundable tuition deposit as soon as possible.**

Here are some helpful tips:

- The deposit deadline is December 1, 2023; however, it is in your best interest to submit your deposit as soon as possible in order to proceed with requesting your I-20 Form. You will NOT move on to the next step of the admission process until you submit your deposit.
- Information about requesting your I-20 Form and submitting financial documents will be shared with you AFTER you submit your deposit.
- You will be able to access our [Scholarship Universe](#) resource AFTER you submit your deposit.

If you have any questions, feel free to contact your admissions counselor Somil Mehta at somil.r.mehta@njit.edu or at +1 973-596-6349.

We look forward to finalizing your admission to NJIT!

Sincerely,
