# University of New Haven

January 23, 2023

Jhansi Sreya Jagarapu  
H No 25-111/1, Ram Nagar, Srungavarapukota  
Vizianagaram, Andhra Pradesh 535145  
India

Congratulations, Jhansi Sreya!

On behalf of President Steven H. Kaplan and our family of nearly 60,000 alumni, I am delighted to inform you that you have been accepted into our **Computer Science, MS** program for the **Fall 2023** term.

At the University of New Haven, we are confident you will have an exceptional graduate experience and will build a strong network necessary for success in today's highly competitive world. Our rigorous academic programs and dedicated faculty will assist you in fulfilling your career goals and will set you on the path to professional growth.

We are guided by the following core values as they are the foundational elements of our culture and how we approach issues and make decisions essential to advancing the University of New Haven Mission.

- **Student Centered:** We place their success at the center of our decisions and activities to cultivate their full potential academically and personally.
- **Engaged and Inclusive Community:** We foster and celebrate diversity, inclusion, equity and access and strive for continuous improvement of these.
- **Impactful Education:** We intentionally engage our students in experiential education to prepare them for purposeful and fulfilling lives in a global society.

To begin the process of enrolling at the University of New Haven, please complete your offer reply form within your Accepted Student Portal by February 07, 2023. Once you have received your F-1 visa (passport stamped by the US Embassy), you will need to pay an enrollment deposit of \$300 to ensure your seat is confirmed for your program. The enrollment deposit is \$300 for students living off campus or \$500 for students looking for on-campus residential housing. An enrollment deposit is required for all graduate students who decide to attend the University of New Haven. Your acceptance is contingent upon the receipt of all final official documents and official test scores, if applicable.

We look forward to you joining our community and wish you every success in the future.

Sincerely,

A handwritten signature in black ink, appearing to read "Abigail Burkhardt".

Abigail Burkhardt  
Director of International Admissions

University of New Haven

Dear Mahima:

It gives me great pleasure to inform you that you have been accepted into the following program:

Intended Program: **Computer Science (MS)**  
Intended Term of Entry: **Fall 2023**

Your application was evaluated based on unofficial academic transcripts and test scores. You will be required to submit official copies of these items by the twelfth (12th) class day of the term to which you are admitted, and you will receive a separate communication which contains more information about what to submit and how it should be submitted.

Please review the Graduate Catalog to familiarize yourself with Graduate School regulations and requirements. Information for newly admitted students is available on our website at <http://go.grad.ttu.edu/newstudents>. Pre-arrival information for new incoming international students will be available online at <http://go.grad.ttu.edu/prearrival>.

Access to graduate education is reserved for students who have demonstrated uncommon scholastic ability at the undergraduate level. Moreover, we believe that these students show great promise for further academic achievement. Accordingly, your admission to the Graduate School is a pivotal event in your professional development, and we welcome you to our community of scholars. Please accept our congratulations.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mark A. Sheridan'.

Your Student ID Number: 700758271

Dear Sai Manvi,

Congratulations! We are pleased to admit you to the M.S. degree program in Computer Science at the University of Central Missouri for the fall 2023 semester. You have been granted regular admission which means you have satisfied the University of Central Missouri's minimum English proficiency requirement. This program will be located at the Missouri Innovation Campus: KAN214F00100001.

Classes begin on August 14, 2023. **A mandatory orientation will be held beginning on August 7, 2023 that you must attend in order to enroll.** You will receive additional emails about orientation, arrival expectations, and other useful information to help you as you plan for your arrival to UCM.

Reminder – Prior to the start of the semester, all final official transcripts (evaluations) that meet GPA requirements, from all college/post-secondary institutions attended must be submitted. Additional testing may be required upon arrival.

Please include your student ID number in all future contact with this office. If you have any questions after reading through the material, please contact us at [iss@ucmo.edu](mailto:iss@ucmo.edu) or by phone at (660) 543-4092. We wish you well as you begin your journey to the University of Central Missouri.

Sincerely,

Cord Cochran  
International Student Advisor, ISS  
Designated School Official  
University of Central Missouri

**Term:** Fall 2023

**Degree:** Master of Science

**Major:** Computer Science

Dear Sravani Bakkareddygari,

Congratulations and welcome to the Bronco Family! I am excited to share the news that you have been admitted to Cal Poly Pomona for Fall 2023 in the Computer Science program.

Cal Poly Pomona is among the best public universities in the West, ranked for helping students achieve economic success, and is one of only six polytechnic universities nationwide. Cal Poly Pomona's hallmark is its learn-by-doing philosophy, directly stemming from its polytechnic mission. By blending theory and practice in all its disciplines, the university recognizes that the students solving classroom problems today will be the employees solving the real-world problems tomorrow. We present a unique hands-on learning experience with a regional and national reputation of excellence that will make you competitive and advance your career.

As a graduate student, you do not have to accept your offer or pay an enrollment deposit but will be contacted by your department to discuss your next steps. In the meantime, we encourage you to view our [Admitted Graduates](#) webpage as it may help answer any questions you may have.

You may now [request your I-20](#) by logging in with your Bronco username and password. Be prepared to upload a copy of the biographical page (photo page) of your passport and proof of funding for studies in the U.S. Please review the [OnBoarding Checklist](#) for important information about the [International Students & Scholars Office](#) (ISSO) processes and deadlines.

Congratulations again on your academic success! We are pleased that you have chosen our exceptional university and look forward to welcoming you to our campus community.

Sincerely,

H. Brandon Tuck

Director, Office of Admissions

Dear Vaeshnavi,

Congratulations! It is our pleasure to offer you admission to the Master of Professional Studies in Applied Machine Intelligence program in the College of Professional Studies. We are excited for you to begin your studies in the Fall 2023 term at the Boston campus. The Admissions Committee was impressed with your academic and personal achievements and believes you will make an excellent contribution to the program. We have confidence in your future success and look forward to embarking on this journey with you.

To secure your place, please visit your [applicant portal](#) to complete your enrollment form and submit your tuition deposit as indicated by **August 1, 2023**.

#### **ABOUT THE COLLEGE OF PROFESSIONAL STUDIES**

The College of Professional Studies offers innovative, experience-driven programs designed to meet the needs of motivated learners like you. We offer more than 70 graduate programs for in-demand degrees, including certificates, professional master's, and doctoral programs. Our programs are focused on industry-aligned curriculums and career preparedness so you can achieve your professional and personal goals and thrive. If you have questions regarding this admission offer, registration, curriculum, or other aspects of your enrollment, we are here to help. You will find our direct contact information listed on your [applicant portal](#).

We look forward to welcoming you to the Northeastern University community.

Sincerely,

A handwritten signature in black ink, appearing to read 'MAG', with a long horizontal stroke extending to the right.

Joseph Griffin, D.Min., PMP®

## INSTRUCTIONS TO STUDENTS

---

**STUDENT ATTESTATION.** You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**FORM I-20.** The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

**VISA APPLICATION.** You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

**ADMISSION.** When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

**REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA.** Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

**EMPLOYMENT.** Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States

**PERIOD OF STAY.** You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

**EXTENSION OF PROGRAM.** If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

**SCHOOL TRANSFER.** To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

**NOTICE OF ADDRESS.** When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

**REENTRY.** F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO

**AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL.** DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

**PENALTY.** To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

---

## INSTRUCTIONS TO SCHOOLS

---

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

**ISSUANCE OF FORM I-20.** DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

**ENDORSEMENT OF PAGE 2 FOR REENTRY.** If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

**RECORDKEEPING.** DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

**AUTHORITY FOR COLLECTING INFORMATION.** Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**REPORTING BURDEN.** U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

**NJIT ID: 31666731**

Dear Hanoch Surya Rao,  
Congratulations! We are pleased to inform you that you have been accepted to the Master of Science in Computer Science at **New Jersey Institute of Technology** for the Spring 2024 semester. Welcome to the NJIT family!

**In order to request an I-20 Form from NJIT, you MUST submit the \$500 non-refundable tuition deposit as soon as possible.**

Here are some helpful tips:

- There is no deposit deadline; however, it is in your best interest to submit your deposit as soon as possible in order to proceed with requesting your I-20 Form. You will NOT move on to the next step of the admission process until you submit your deposit.
- Information about requesting your I-20 Form and submitting financial documents will be shared with you AFTER you submit your deposit.
- You will be able to access our [Scholarship Universe](#) resource AFTER you submit your deposit.

If you have any questions, feel free to contact your admissions counselor Magda Francois at [mf485@njit.edu](mailto:mf485@njit.edu) or at +1 973-596-3308.

We look forward to finalizing your admission to NJIT!

Sincerely,

Office of University Admissions  
New Jersey Institute of Technology

Dear Venkata Swamy Akash:

Congratulations! On behalf of the Admissions Committee at **New Jersey Institute of Technology**, it is my pleasure to offer you admission to the **Master of Science in Computer Science** program for **Fall 2023**.

For over 140 years, NJIT has provided students with a cutting-edge, technology-driven education. Today, we are one of the nation's top universities preparing students, like you, to be future leaders in technology. As a graduate student at NJIT, you'll gain valuable experience through distinguished faculty and the latest innovations. You'll also have the opportunity to build professional relationships and learn alongside your peers in a vibrant and diverse community where everyone is invested in your success.

**To obtain your I-20 Form, please log into your myGlobal international student and scholar portal at [myglobal.njit.edu](http://myglobal.njit.edu) and submit the I-20 Request E-Form.**

The details of your admission are as follows:

NJIT ID: 31659351

Admission

Conditions:

None.

Once again, congratulations on your admission to NJIT! We are thrilled to be sharing these exciting news with you and are confident you have much to contribute to the NJIT community.

Please don't hesitate to contact us if you have any questions.

Sincerely,

Stephen M. Eck  
Executive Director of University Admissions

**Chair (Admissions)**

**Date: 6th July 2023**

Dear Jyothi Swaroopa Jinka,

Sub: Letter of Admission

We are glad to inform that you have been selected for admission into the MS by Research in Computer Science And Engineering at IIIT-Hyderabad for the academic year 2023-24 through our Post Graduate Entrance Examination - 2023. You will receive a Full Fellowship for your study at IIIT, Hyderabad, which includes an annual value of Rs.60,000/- for tuition fees and a monthly stipend. The stipend for Master of Science students is as follows.

1. Rs.8000/- per month from institute for the First semester, First year (regular admission)
2. Rs.9000/- per month from the center for second semester, first year.
3. Rs.10,000/- per month from the center from second year onwards.

The fellowship will continue as long as your academic performance and research progress are satisfactory.

**Reporting Process:**

**Online Reporting (by 17th July 2023):** <http://admportal.iiit.ac.in/admissions.php>

Please login at the above URL with your registered email id and password, to fill the online reporting form, and upload the following scanned documents.

1. 10th class marks sheet
2. Degree certificate/Provisional certificate. If unavailable, then 8th semester mark-sheet
3. Transfer or Migration certificate
4. Undertaking by the student and Parent/Guardian. Please download the form from:  
[http://www.iiit.ac.in/files/iiit/anti\\_ragging\\_affidavit-AICTE-NEW\\_Students.pdf](http://www.iiit.ac.in/files/iiit/anti_ragging_affidavit-AICTE-NEW_Students.pdf)
5. Photo ID

**Hostel Fee, Mess Advance, Caution Deposit** is to be paid through the ONLINE portal by the online reporting deadline of **17th July 2023**.

Male Students: Rs. 46,750/-

Female Students: Rs. 45,750/-

Breakup of fee is given in the Fee Structure table at the end of this letter.

**Physical Reporting (on 27th July 2023 @ 9:00 AM):**

Admitted students have to report at Bodh-105, Himalaya Building, IIIT Hyderabad for Registration formalities.

**Welcome session:** 27th July 2023 @ 3:30 pm

**Programme Orientation:** 28th July 2023 @ 11:00 am

You need to bring **originals** of the above uploaded documents at the time of physical reporting. Accommodation will be provided to you if you report up to one day in advance.

**NOTE:** No accommodation is available at IIIT-H campus for the parents/guardian who may accompany you on the reporting day.

Classes for Monsoon 2023 shall commence from **31st July, 2023**. The institute will provide computing facilities for the scheduled laboratory sessions, and network connectivity in work spaces and hostels. However, you are required to bring your own laptops to work in your free time or for your personal use. The recommended (minimum) configuration is:

Item	Description
------	-------------

Processor	Recent generation ( $\geq 8$ ) Intel® Core™ i5 or AMD Ryzen 3
Memory and HDD	<ol style="list-style-type: none"> <li>1. DDR4 Model : 8GB DDR4 2666MHz and above and expandable up to 16 GB</li> <li>2. HDD: 1 TB SATA, <i>Preferable: SSD (M.2 PCIe NVMe) instead of SATA, e.g. 256GB M.2 PCIe NVMe SSD (for Boot) + 1TB SATA Hard Drive</i></li> <li>3. Built in on-board graphics unit</li> </ol>
Operating System	Ubuntu 22.04 - To be installed.
Ports and Connectivity	<p>Ethernet port, HDMI, Mic In, RJ45, USB Ports (A and C), Wifi</p> <p><i>If laptop doesnt have an Ethernet port, etc. a dock/adapter (USB to Ethernet) can be used</i></p>

On behalf of IIIT, Hyderabad, we welcome you to the institute.

Mr. Nitish Chander Reddy Arjula  
2-8-399 Raghavendra Nagar, Hanamkonda  
Warangal, Telangana 506001  
India

Dear Nitish Chander Reddy,

Congratulations!

On behalf of The Graduate School at the University at Albany, it is my pleasure to inform you that you have been admitted to the Computer Science - MS program beginning in the Fall 2023 semester.

After careful review of your application and academic achievements, it is our belief that you will be a positive asset to this program and our community. A life changing endeavor, I am confident you will thrive both academically and personally.

As you prepare for this step in your graduate studies, I encourage you to reach out to your academic department. Connection with faculty is an incredible asset to your studies and future success. You can reach the Computer Science Department at [csdept@albany.edu](mailto:csdept@albany.edu) to arrange for advisement.

The requirements of your program can be found in the graduate bulletin. In addition, as a condition of your admission you will be required to take a placement exam upon entering the program. The purpose of this exam is to assess your current knowledge and skill level in terms of readiness for advanced graduate-level study. This test allows the Department of Computer Science to place students in classes at the right level to help ensure success. Depending on your exam results, you may have to take preparatory undergraduate course(s) and complete with a letter grade of B or better as part of your first semester course load. The placement exam will take place when you arrive on campus, the week prior to the start of the semester. You may wish to discuss the program's curriculum with your advisor before starting your graduate program.

If you have any questions about your admittance or beginning graduate studies at the University at Albany, I welcome you to reach out to me directly.

Best wishes for a rewarding journey,

Jane Champagne  
Director of Graduate Admissions  
University at Albany

PS: Your admission to the Computer Science - MS includes the following conditions:

All UAlbany students are required to be vaccinated against COVID-19. This mandate is in effect for any UAlbany student coming to any UAlbany campus or facility for any reason during the 2023-2024 academic year. Please visit <https://www.albany.edu/covid-19> for any updates.

Your admission is contingent upon receipt of official, individual mark sheets and provisional certificate.

In order to receive immigration documents, please submit the enrollment deposit, financial affidavit and proof of finances.

For more information, contact The Graduate School at [graduate@albany.edu](mailto:graduate@albany.edu) or (518) 442-3980 <tel:5184423980>.

Virtual Tour <<https://www.albany.edu/virtual-tour>>

The master's degree requires a minimum of 31 credits, of which at least 25 must be taken from the Computer Science Department at the University at Albany, SUNY. The M.S. program, excluding undergraduate deficiency subjects, typically takes two full years.

#### **PROGRAM OF STUDY AND RESEARCH - COMPUTER SCIENCE M.S.**

1. A proficiency examination in Discrete Mathematics is given at the beginning of the first semester of graduate study. Students who fail this examination are required to pass a departmentally approved remedial program.
2. Computer Science core (13-14 credits): CSI 503 and CSI 518 plus two courses chosen from CSI 500, CSI 508, CSI 519, or CSI 609. A 3.0 average must be attained in these core courses. Full-time students are expected to complete these courses in the first year, or as soon as possible if undergraduate deficiencies are being made up
3. Elective subjects (15 credits): Computer Science courses or courses in other academic departments as approved by the department. Approval of non-departmental electives is based on the individual student's overall academic program and preparation.
4. Master's Project, Thesis, or Internship (3 credits): Satisfactory completion of (a) any Master's Project course (CSI 68X). The project includes the design and implementation of a computer program of significant scope, unless this is waived by the project faculty supervisor for a student who has sufficient programming experience. The project must include a written report.; (b) CSI 699, Master's Thesis; or (c) CSI 698, Internship.

#### **ADMISSION TO FORMAL CANDIDACY FOR MASTER'S DEGREE**

The student is admitted to formal candidacy for the master's degree upon (a) the completion of the core computer science courses with at least a 3.0 average and (b) the removal of all undergraduate deficiencies. The academic status of students who do not achieve candidacy by the third semester of full time study will be reviewed. Failure in the proficiency examination in Discrete Mathematics is considered to be an undergraduate deficiency that must be removed before admission to candidacy.

**Please note:** The program you have been admitted to offers an internship, field experience, study abroad component, or clinical experience in the course listing as an option to fulfill course requirements. Students who have previously been convicted of a felony are advised that their prior criminal history may impede

their ability to complete the requirements of certain academic programs and/or to meet licensure requirements for certain professions. If you have concerns about this matter please contact the Dean's Office of your intended academic program.

For additional policies and regulations regarding graduate study please review the [Graduate Bulletin](#)

### **INFORMATION ON THE CS PLACEMENT EXAM**

Upon arrival at the University at Albany, you will be expected to take a placement exam to assess your current knowledge and skill level in terms of readiness for advanced graduate-level study. This test allows the Department of Computer Science to place students in classes at the correct academic level in order to ensure success in the graduate program. Depending on your exam results, you may have to take preparatory undergraduate course(s) as part of your first semester course load. In order to satisfy any undergraduate deficiencies, a B grade or higher must be received in the course. The placement exam date will be announced at a later date via email. It is generally given on Orientation day, before the first day of classes.

Entering graduate students are expected to have completed undergraduate courses in seven subject areas of mathematics and computer science. The placement exam ensures that you have the necessary knowledge in these areas.

1. Two courses in calculus
2. A course in probability
3. A course in discrete mathematics
4. An introductory course in computer science
5. A course in data structures
6. A course in assembly language programming
7. A course in computer organization or architecture

Dear Mr. Janagam,

Congratulations! On behalf of the faculty of the Seidenberg School of Computer Science and Information Systems, I am pleased to inform you that you have been accepted to the MS in Computer Science program for the Fall 2023 semester.

At Pace University, we are particularly proud of the emphasis our faculty places on teaching excellence, our small class sizes, and the extensive support services available for our students. We are confident that you will find your Pace experience rewarding.

Newly admitted students are required to submit a deposit of \$200 in order to reserve a place in the class. Submit your non-refundable [deposit online](#) by August 1, 2023 for the Fall 2023 semester. This deposit will be applied toward your Fall 2023 tuition. To ensure a seamless onboarding, we also encourage you to review your [Next Steps tab](#) for additional instructions as you prepare to join the Pace community.

Please check your [Application Dashboard](#) page to confirm that Pace University has received all required official credentials. You will not be permitted to register beyond your initial semester of enrollment unless we receive the missing documents.

Students are required to meet with their academic advisor to learn about degree requirements, prerequisites, and choose a schedule. If you are not sure who your advisor is, please check the [advising website](#) or email [whoismyadvisor@pace.edu](mailto:whoismyadvisor@pace.edu).

On behalf of the Admission Committee, I extend our best wishes for success and look forward to welcoming you to Pace University and the Seidenberg School of Computer Science and Information Systems.

Sincerely,

Residency Status: International Student

Dear Akshaya,

Congratulations! Old Dominion University and the Computer Science (MS) Program are pleased to offer admission to you for the Fall 2023 semester. I am pleased you have selected Old Dominion University to further your education and delighted to welcome you to our family of more than 160,000 alumni, students, scholars and faculty with many distinguished accomplishments. The educational and research opportunities here are strong and diverse.

Before beginning your degree-seeking program of study, you must successfully fulfill the University's English language proficiency requirement. Therefore, you have been placed in the full-time [Intensive English Program \(IEP\)](#). Enrollment in the IEP program will assist your development in the academic language skills necessary to succeed at the university level. An on-campus TOEFL examination, administered before the start of the term, offers an opportunity to satisfy the English language condition.

Please note your offer of admission requires you successfully complete all current course work (if applicable) and that you submit all official and original final transcripts or score reports reflecting any changes to your academic record to the Office of International Admissions.

After arrival on campus, your program director will assist you in the advising and enrollment process, including any specific program requirements. Scheduling an appointment with your advisor prior to course registration is required.

Sincerely,

A handwritten signature in blue ink that reads "Steven Risch".

Steven Risch  
Director of International Admissions

Dear Misbahuddin,

Congratulations! Upon the recommendation of the graduate faculty in the College of Liberal Arts and Sciences, we are pleased to admit you unconditionally to the Data Science & Analytics-Computational Data Science program at Bradley University for the Fall 2023 term which begins on Wednesday, August 23, 2023.

You are invited to join one of the nation's best private universities with an academic tradition that has thrived for more than a century. At Bradley, you will build beyond the imagination of today to meet the challenges of tomorrow. Not to get ahead, but to go ahead and lead the way forward.

Please log in to your Application Status Page to see if any required documents are missing. If any documents are missing, a hold will be placed on your student record that will prevent your course registration. The hold will be removed upon receipt of the missing documents. You may accept your offer using the Acceptance of Admission link on the Application Status Page.

We look forward to welcoming you as one of the newest members of the Bradley family!

Sincerely,

*Amy Dennison*
