

CHAITANYA BHARATHI INSTITUTE OF TECHNOLOGY

An Autonomous Institute | Affiliated to Osmania University
Kokapet Village, Gandipet Mandal, Hyderabad, Telangana-500075, www.cbit.ac.in

COMMITTED TO RESEARCH, INNOVATION AND EDUCATION

46 years

6TH Research Day 2024 13-14 December 2024

Organized by
Research and Development Centre
R&E Hub

Chief Patron

Sri. N. Subash
President, CBIT

Patron

Prof. C. V. Narasimhulu,
Principal, CBIT

Advisors

- P.V.R. Ravindra Reddy,
Vice Principal (Administration)
- Dr. K. Krishnaveni,
Vice Principal (Academics)
- Prof. P. Ravinder Reddy,
I/c-Dir. & Head R & E
- Prof. A. D. Sarma,
Advisor R & D
- Prof. D. Krishna Reddy,
Director R & D

Convenors

- Dr. T. Sudhakar Babu,
Associate Director R & D
- Dr. D. Lakshmi Srinivasa Reddy,
Associate Professor, Dept. of AI & DS
- Dr. M. Dharma Lingam
Asst. Prof., Bio-tech
- Dr. T. Chaitanya Srikrishna,
Asst. Prof., Civil Engg.
- Dr. Rahul,
Asst. Prof., Mechanical Engg.

Steering Committee

- All Research Co-Ordinator's
- Mr. K. Lakshmana,
SRA, R&D Centre

IMPORTANT DATES

Last date for Registration

02 December 2024

Conference Dates

13-14 December 2024

Exciting Prizes will be awarded to the best Research Papers, posters and products under various Domains

For any Queries write to us:

researchday@cbit.ac.in

ABOUT CBIT

Chaitanya Bharathi Institute of Technology (CBIT), located in Hyderabad, India, is one of the premier engineering colleges in the state of Telangana. Established in 1979, it is affiliated with Osmania University and has earned a reputation for academic excellence and innovation. The institute offers Undergraduate and Postgraduate programs in various engineering disciplines, as well as in management and computer applications.

CBIT committed to Research and Innovation, with an objective to facilitate Individual and Collaborative Research for Sponsored and Consultancy Projects had established, in August, 2018, a State-of-the-Art Research and Entrepreneurship Hub, to support advanced Research and Innovation Ecosystem, connecting Innovators across Industry and Individuals. The Mission of the Hub is to streamline the Research Activities and contribute Products, Processes and Systems, to make a mark, in the 'Make in India' Program actively and aggressively promoted by the Government of India. To achieve this, each of the Departments will engage in Advanced Research of their Projects in the Independent space earmarked to them.

The Institute has emerged as a Dream Destination for Students seeking to excel in Engineering and Management Education, Teaching Community to progress with a rewarding Career and Corporates to source well-rounded Engineers.

ABOUT R & E HUB

To enhance research activities and cultivate pleasant research atmosphere, a multi-crore state of the art building with all modern technical facilities was established in the year 2018. It facilitates all departments to carry out advanced research, establish incubation cells and start-ups. The R&E Hub, with its State-of-the-Art Infrastructure, helps to promote Research and Innovations amongst the Faculty and Students by identifying new Research Areas, developing Projects leading to Publications, Products, Innovations and Start-Ups. All research activities are being streamlined to make a mark in 'Make in India' concept of Indian Government. It has two main wings namely Research and Development (R&D) Centre and Innovation and Incubation Center (IIC).

ABOUT RESEARCH DAY

RESEARCH DAY, the focused initiative by the Institute is being Celebrated with an Objective to not only change the image from an Under Graduate Engineering College to Research focused Institute but also to expand the base to encourage Research Scholars, Students, Faculty to showcase their Research. The event facilitates the participants to network with faculty, fellow students and local industry who are sharing the same vision from India and abroad and learn the quality of Innovation including the quality of scientific publications, the quality of Universities and patent related filings and recognize their own research while respecting others research in a Win-Win situation for all.

EVENTS

Students and Faculty members are invited to submit their research works to the following events.

- Product Exhibition
- Poster Presentation
- International Conferences of Various Departments
