#### About MCA Department

Master of Computer Applications Programme was started in the department of CSE in the year 1991 with an intake of 30 and subsequently increased to 60 in the year 2000. The MCA department has been formed full-fledged since September 2008.

#### About CSE Department

Department of CSE has started its UG program BE(CSE) in the year 1985. M. Tech (CSE) was started in the year 2002. Department has committed well qualified and professionally active staff and the majority of the staff are pursuing Ph.D. in emerging areas like AI, ML, Cyber Security, Data Science, Data Mining, and BlockChain.

#### About NITTTR

The National Institute of Technical Teachers Training and Research (NITTTR), Chandigarh, is a premier institution established by the Ministry of Education, Government of India, with a mission to enhance the quality of technical education in the country. NITTTR Chandigarh specializes in training technical teachers, conducting cutting-edge research, and developing educational resources to support polytechnics and engineering institutions. The institute offers a wide range of short-term and long-term training programs, workshops, and consultancy services aimed at fostering innovation and professional development. NITTTR Chandigarh plays a pivotal role in shaping skilled educators and advancing technical education at both national and international levels.

#### About the Program

The short-term training program "NEP AND ITS IMPLEMENTATION" is meticulously designed to equip participants with the necessary tools and knowledge to align with NEP 2020 directives and strategies for its effective implementation in technical education institutions. Major key aspects covered are Understanding NEP 2020, Curriculum Development, Outcome based Education, Assessment reforms and Faculty Development
