	The minutes of the 12th BoS Meeting are approved.
2.	**Approval to retain the sequence of contents of the course "VLSI Design (22ECC24N) "**
	Through the email dated 27 Jan 2025, the Chairman requested to review and approve the revisions in the course "VLSI Design (22ECC24N)". Dr. Mushahhid Majeed Mohammad Abdul, through his email has suggested to reorganize the course contents. A thorough discussion was held with the faculty connected with the course. It was informed to Dr. Mushahhid (through email dated 11 Apr 2025) that the course contents are framed so as to correlate the theory with the contents of the lab. The same is approved.
3.	**Approval of correction of typographical error in the Title of Open Elective Course "Biomedical Instrumentation (20ECO03)".**
	The discrepancy was brought to the notice of the committee through email dated 27th Jan 2025. The correction is approved.
4.	**Approval of list of courses under "BE Degree with Additional Minor Engineering" and "BE (ECE) with Honors Degree"**
	The list of courses under "BE Degree with Additional Minor Engineering" and "BE (ECE) with Honors Degree" is based on the courses offered by NPTEL during last year. The list will be updated based on the courses to be released this year. The committee has granted permission to the Chairman of the Board of Studies (BOS) to approve the list of courses to be offered by NPTEL for the upcoming semester. This list, which currently includes courses from the previous year, will be updated based on the new offerings for the coming year
5.	**Approval of the list and syllabi of "Value added courses".**
	Chairman BoS presented the list of value added courses offered in the department for the AY 2024-25. The same is approved.

6.	**Approval for change of Course Articulation Matrix of all courses under R20, R22 and R22(A) Regulation.**
	The number of Program outcomes (POs) for UG Programmes is now made 11 by National Board of Accreditation (NBA) in the new NBA Regulations 2024. Accordingly the course articulation matrix for all the UG courses of R20 and R22 Regulation are modified. The same is approved.
7.	**Approval for allowing final year B.E. (ECE) students to pursue their entire final year at VEDA IIT, Hyderabad.**
	Chairman sought the approval of the Board of Studies for allowing final year B.E. (ECE) students to pursue their entire final year (VII and VIII Semesters) at VEDA IIT, Hyderabad. A detailed list of equivalent courses offered at VEDA IIT and their corresponding CBIT R22 courses was circulated among Board members. Ms.Susrutha Kilaru, through the email dated 26.04.2025, expressed the opinion that it is a great opportunity for the students to enhance their technical skills suitable to industry right from the beginning. The same is approved.
8.	**Any other items**
	1. It is hereby informed to the committee that the Structure and Syllabus of UG (B.E(ECE)) courses under R22 and R22A Regulation and PG Courses (M.E(CE) and M.E (ES&VLSID)) under R-23 Regulation, remains the same. The same is approved. 2. Chairman informed that NBA and AICTE are collaborating to integrate Sustainable Development Goals (SDGs) into technical education and research in India. Accordingly, the department is aligned towards SDGs and is focusing on integrating the 17 goals into its activities.

The members are requested to offer the comments, if any, within a week from the date of receipt of this communication. If no comments are received, the minutes will be taken as confirmed.
