ABOUT CONFERENCE

Scan for Payment and Registration

The 2nd International Conference on Power Energy and Secure Smart Technologies (ICPEST-2025) focuses on both theory and applications in the broad areas of electrical power, Energy, and secure smart technologies. ICPEST-2025 is a conference organized to bring together academicians, scientists, researchers from industry, research scholars, and students working in all areas of power systems, power electronics, renewable and focused on advances in efficient Smart Technology, Artificial Intelligence, IoT, Cybersecurity, Blockchain and results of related Technology in Computer and Electrical Engineering. Hundreds of top academic elites, research experts, and industry leaders from numerous countries are expected to meet at CBIT for this two-day event. This conference offers a plethora of network opportunities, research possibilities, and unparalleled access to new technological growth in Engineering and industrial applications. Attendees will have complete access to new and profound information that often goes unpublished and discover areas that pique their interest. Participants of this conference are sure to supply their careers with numerous new opportunities across the world.

CONFERENCE TRACKS

- Track 01** | Power System Protection, Operation & Control
- Track 02** | Power Electronics, Drives and Machines
- Track 03** | Renewable Energy Systems and their Integration
- Track 04** | Electric Mobility & Energy Management Systems
- Track 05** | Secure Smart Technologies
- Track 06** | Intelligent Future Technologies and Applications

CONFERENCE TIMELINE

CONFERENCE DATES

December 12-13, 2025

**Submission of
Full-Length
Manuscript Open**

June 01

**Last Date to
Submit Full-length
Manuscript**

20 November

**Notification of
acceptance**

30 November

**Last Date for
Submission of Camera
ready manuscript**

05 December

**Last Date for
Registration**

05 December

REGISTRATION FEE

For any queries Contact: icpest@cbit.ac.in.

Participant Category	India and SAARC Country (INR)	Early Bird* (INR)	Overseas (USD)	Late Registration Payment (INR)	Late Registration Payment (USD)
Industry Delegates	10,000/-	10,000/-	\$ 120	12,000/-	\$ 145
Academic Delegates	8,500/-	8,500/-	\$ 100	10,000/-	\$ 120

Organised by
Department of Electrical and Electronics Engineering (EEE)
