TGTS pleased to announce that a cohort of students from the renowned CBIT College has been selected for an internship program with the Musi Riverfront Development Project, a prestigious initiative spearheaded by the Government of Telangana through the Department of Municipal Administration and Urban Development.

This project represents a crucial effort to revitalize and enhance the Musi Riverfront thereby making it a role model for a sustainable future. The internship program will impart to these students invaluable hands-on experience, allowing them to translate their academic knowledge into practical applications in real-world settings. We appreciate the initiative taken by the said students to come forth and express their interest to contribute to this landmark project. We are confident that the involvement of the student community will certainly be an asset to the outcome. Below is the list of the selected interns:

. Ms. Meghana Manne (160121732011)

. Ms. Mamatha Choudhary (160121732009)

. Ms. Sreeya Reddy (160121732010)

. Ms. Sahithi Edara (160121732005)

. Ms. Cherishma Panditi (160121732015)

Further details regarding the schedule of the internship program, reporting requirements and other relevant information will be communicated directly to the interns. We wish them the best of Success.

Yours faithfully,

Karukonda Sai Kiran
B.E. Civil
Chaitanya Bharathi Institute of Technology, Hyderabad

Dear **Karukonda Sai Kiran,**

Further to our Letter of Intent for the position of Programmer Analyst Trainee / Programmer Analyst aligned to the hiring category, we are pleased to offer you an internship with us at Cognizant office for **a period of 3 to 6 months**. Your internship on-boarding will be scheduled based on your availability factoring your college exam schedule, availability of your Provisional Certificate and our business requirements.

During this period, you will be provided with a stipend of **INR 12,000** per month equated to the planned duration of the Internship curriculum and will be paid only subject to successful completion of milestones as defined in the curriculum, prior to the monthly stipend processing window, for a given month based on your performance and attendance.

Though Cognizant Internship is a skilling program aimed at enhancing technical acumen , it does not guarantee employment and there is no employer – employee relationship during the course of this internship program. However, the successful completion of internship will form a critical part of your eligibility for employment with Cognizant if an opportunity arises in future.

You will be provided a learning curriculum as per the skill track assigned to you. The learning design would expect you to drive your learning through hands on exercise and project work. There will also be series of webinars, quizzes, Subject Matter Expertise (SME) interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The outcome during Internship would be monitored through formal evaluations.

Prior to joining on the rolls of Cognizant, you must have successfully completed the prescribed Internship program. In the event of unsatisfactory performance during the Internship or non-completion of the Internship, no Internship Completion Certificate shall be issued by Cognizant. Cognizant reserves rights at its sole discretion to revoke its Letter of Intent.

Section A: Terms and Conditions:

1. The Internship timings would be for 10 hours per day from Monday through Friday aligned to the working timings followed in Cognizant which based on the need could also be operated on a shift model. Attendance is mandatory on all the days to stay active in the Internship Program. The Internship Offer would be cancelled if the mandatory requirement of minimum 85% attendance at office is not met in a month.

2. Interns are covered under Cognizant's calendar holidays of the respective location of internship, and you would need to adhere with minimum attendance requirements. Prior approvals are must towards any unavoidable leave or break requests during the program and the internship would be cancelled if leaves are availed without prior approvals.

3. You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions failing which your internship would be cancelled.

4. The Technical skills track mapped could change at the start or mid-way or even later during the program depending on business demand changes and you would be required to be flexible for this change failing which your internship would be cancelled.

5. Stipend payment will be done for the prescribed Internship Curriculum period only and no additional payment will be done for any delay in completion. Attendance and successful completion of Milestone(s) are the eligible factors for processing stipend payment and tenure spent will not guarantee your monthly stipend payment.
